INTERNATIONAL LAND RECLAMATION AND MINE DRAINAGE CONFERENCE

AND

THIRD INTERNATIONAL CONFERENCE ON THE ABATEMENT OF ACIDIC DRAINAGE

Volume 3 of 4: Reclamation and Revegetation

Proceedings of a conference held in Pittsburgh, PA on April 24-29, 1994. This conference served as the annual meeting for both the American Society for Surface Mining and Reclamation and the Canadian Land Reclamation Association.

Copies of this and the three companion volumes can be obtained by through NTIS.
Volume 1: Mine Drainage - SP 06A-94
Volume 2: Mine Drainage - SP 06B-94
Volume 3: Reclamation and Revegetation - SP 06C-94
Volume 4: Abandoned Mine Lands and Topical Issues - SP 06D-94
# TABLE OF CONTENTS

## PRODUCTIVITY CRITERIA FOR RESTORED SITES

**METHODOLOGY FOR MONITORING LAND RECLAMATION OF COAL MINING DUMPS**
Val, C. and Gil, A. ................................................................. 2

**COMPARISON OF POTENTIAL SOIL PRODUCTIVITY PRIOR TO AND FOLLOWING MINING**
Rogowski, A. S. ........................................................................ 12

**THE USE OF PRODUCTIVITY INDEX TO PREDICT CORN YIELDS ON RESTORED PRIME FARMLAND**
Barnhisel, R. I. and Hower, J. M. ............................................. 20

**IMPROVING LAND RESTORATION IN BRITAIN BY BETTER TIMING OF SOIL MOVEMENTS**
Reeve, M. J. ............................................................................. 28

**USE OF CONE PENETROMETER DATA TO EVALUATE PRIME FARMLAND ROOTING MEDIA**

**MEASURING MINE SOIL PRODUCTIVITY FOR FORESTS**

## ECOLOGICAL RESTORATION

**THE RESTORATION OF SPECIES-RICH GRASSLAND ON RECLAIMED LAND**
Kendle, A. D. .......................................................................... 57

**RAPTOR USE OF REVEGETATED COAL STRIP MINE SPOILS IN INTERIOR ALASKA**
Elliott, C. L. ........................................................................... 67

**ECOLOGY OF A BRAZILIAN BAUXITE MINE ABANDONED FOR FIFTY YEARS**
Lorenzo, J. S., Griffith, J. J., Jucksch, I., de Souze, A. L., Reis, M. G. F., and do Vale, A. B. .......................................................... 73

**RELOCATION AND RESTORATION IN LIMESTONE QUARRIES: IMPLICATIONS FOR INVERTEBRATE COMMUNITIES FOLLOWING TWO EXTREME FORMS OF MANAGEMENT**
Cullen, W. R. and Wheater, C. P. .................................................. 83

**ECOLOGICAL DYNAMICS OF A CREATED SEASONAL WETLAND IN NORTH DAKOTA**
Kirby, D. R., Krabbenhoft, K. D., Biondini, M. E., and Summers, G. P. ......................................................................................... 93

**BIOTIC DEVELOPMENT COMPARISONS OF A WETLAND CONSTRUCTED TO TREAT MINE WATER DRAINAGE WITH A NATURAL WETLAND SYSTEM**
Webster, H. J., Lacki, M. J., and Hummer, J. W. .......................... 102

**ECOLOGICAL BENEFITS OF PASSIVE WETLAND TREATMENT SYSTEMS DESIGNED FOR ACID MINE DRAINAGE: WITH EMPHASIS ON WATERSHED RESTORATION**
McCleary, E. C. and Kepler, D. A. .................................................... 111

## SOIL AMENDMENTS

**DRY FLUE GAS DESULFURIZATION BYPRODUCTS AS AMENDMENTS FOR ACID AGRICULTURAL SOILS**
Stehouwer, R. C., Sutton, P., and Dick W. A. .................................. 120

**DRY FLUE GAS DESULFURIZATION BYPRODUCTS AS AMENDMENTS FOR RECLAMATION OF ACID MINE SPOIL**

**INFLUENCE OF AMENDMENTS ON PHOSPHOGYPSUM CHEMICAL CHARACTERISTICS AND BERMUDAGRASS GROWTH**
Patel, S. K., Sartain, J. B., and Richardson, S. G. .......................... 139

**GROWTH AND DEVELOPMENT OF SNOW BUCKWHEAT (ERIOGONUM NIVEUM) ON XERIC MINE SPOILS OF AN ABANDONED URANIUM MINE IN EASTERN WASHINGTON**
Zamora, B. A. and Leier, J. W. ......................................................... 149
DIRECT REVEGETATION OF FLY ASH - A GREENHOUSE STUDY
Barnhisel, R. I. ................................................................. 159

INFLUENCES OF HUMIC AND FULVIC ACIDS AND ORGANIC MATTER ON LEACHATE CHEMISTRY FROM ACID COAL SPOIL
Gentry, C. E., Walton, G. S., Davidson, W. H., and Wade, G. L. .................................................. 166

REVEGETATION OF MINE WASTE

RECLAIMING COARSE TACONITE TAILING WITH MUNICIPAL SOLID WASTE COMPOST
Melchert, G. D., Eger, A. P., Kassa, Z., and Dewar, S. W. .............................................................. 175

RECLAMATION OF PHOSPHOGYPSUM IN FLORIDA: EFFECTS OF AN OVERBURDEN CAP
Richardson, S. G. ................................................................. 184

FRACTIONATION OF HEAVY METALS IN ORGANICALLY AMENDED MINE LANDS
Norland, M. R. .................................................................. 194

GROWTH AND TRACE METAL CONTENT OF POPLARS PLANTED ON TAILING TREATED WITH MUNICIPAL SOLID WASTE COMPOST
Dewar, S. W. and Norland, M. R. ................................................................. 203

POST-MINING LAND USE

RECLAIMING ABANDONED MINING SITES: REURBANIZATION CONCEPTS AND EXAMPLES
Genske, D. D. and Noll, P. ................................................................. 212

PROJECT D.I.R.T.: A LANDSCAPE ARCHITECT’S EXCAVATION
Bargmann, J. .................................................................. 221

INFLUENCE OF GRADING INTENSITY ON GROUND COVER ESTABLISHMENT, EROSION, AND TREE ESTABLISHMENT ON STEEP SLOPES
Torbert, J. L. and Burger, J. A. ................................................................. 226

PHYSICAL CRITERIA FOR THE DESIGN AND ASSESSMENT OF RESTORATION SCHEMES IN THE UNITED KINGDOM
Humphries, R. N. and McQuire, G. E. ................................................................. 232

QUANTIFYING TOPOGRAPHIC DIFFERENCES BETWEEN PREMINING AND RECLAIMED LANDSCAPES AT A LARGE SURFACE COAL MINE
Friedlander, J. D. .................................................................. 241

MODELING AGRICULTURAL IMPACTS OF LONGWALL MINE SUBSIDENCE: A GIS APPROACH
Darmody, R. G. and Vance, S. L. ................................................................. 249

FORESTRY

EFFECTIVENESS OF TREATMENTS TO ESTABLISH TREES ON MINELANDS DURING DROUGHT AND WET YEARS
Larson, M. M., Kost, D. A., and Vimmerstedt, J. P. ................................................................. 257

DEVELOPMENT OF BROADLEAVED WOODLAND ON COLLIERY AND OPEN PIT COAL MINES IN THE UNITED KINGDOM
Humphries, R. N. and McQuire, G. E. ................................................................. 267

TREE ESTABLISHMENT ON PHOSPHATE MINED LANDS IN FLORIDA AS AFFECTED BY PLANT INTERACTIONS
Richardson, S. G., Clewell, A. F., and Johnson, C. D. ................................................................. 277

INFLUENCE OF SEEDING LEVEL UPON PLANT COMMUNITY DYNAMICS ON RECLAIMED MINED LANDS IN PENNSYLVANIA

GROUND COVER AND TREE GROWTH ON CALCAREOUS MINESOILS: GREATER INFLUENCE OF SOIL SURFACE THAN NITROGEN RATE OR SEED MIX
Kost, D. A. and Vimmerstedt, J. P. ................................................................. 295
MANUSCRIPTS

THE POTENTIAL OF IN SITU AMENDMENTS TO IMPROVE ALDER ESTABLISHMENT IN POTS OF METALLIFEROUS MINE WASTE
Abrutat, P. H., Edwards, R. P., and Wilkins, C. ................................................................. 305

HYBRID PINE FOR TOUGH SITES
Davidson, W. H. ...................................................................................................................... 313

THE TECHNIQUE OF RECLAIMING SUBSIDENCE AREAS BY USE OF A HYDRAULIC DREDGE PUMP IN CHINESE COAL MINES
Hu, Z., Chen, L., Lin, J., and Liu, H. ...................................................................................... 316

RESTORATION OF PYRITIC COLLIER WASTE WITH SEWAGE SLUDGE IN THE MIDLANDS COALFIELD, ENGLAND, UNITED KINGDOM
Humphries, R. N., McQuire, G. E., and Sly, M. ................................................................. 324

CHEESE WHEY AS AN AMENDMENT TO DISTURBED LANDS: EFFECTS ON SOIL HYDRAULIC PROPERTIES
Lehrsch, G. A. and Robbins, C. W. ................................................................. 330

ESTIMATES OF NITROGEN AVAILABILITY OF POULTRY MANURE AND SEWAGE SLUDGE AMENDED IN MINED PRIME FARMLANDS
Zhai, Q. and Barnhisel, R. I. .............................................................................................. 337

ABSTRACTS ..................................................................................................................... 343-351

Reclamation and Revegetation abstracts, listed alphabetically by last name of first author. Page numbers are listed in Author Index at the back of this volume.

AUTHOR INDEX ........................................................................................................... 352-353
