Proceedings of the
ASME Materials Division
Volume 1

- Design and manufacture of composites
- Durability and damage tolerance of composites
- Finite deformation viscoplasticity
- Processing, design, and performance of composite materials

Presented at
The 1995 ASME International Mechanical Engineering Congress and Exposition
November 12–17, 1995
San Francisco, California

Sponsored by
The Materials Division, ASME

Edited by
Nancy R. Sottos
University of Illinois, Urbana-Champaign

Paul F. Joseph
Clemson University

Gregory P. Carman
UCLA

Steven L. Donaldson
Wright-Patterson AFB

R. C. Batra
Virginia Polytechnic Institute and State University

T. W. Wright
U.S. Army Research Laboratory

G. S. Bhat
University of Tennessee

T. S. Srivatsan
University of Akron
