9th International Conference & Exhibition for the Power Generating Industries

December 4-6, 1996

Orange County Convention Center - Orlando, Florida USA

BOOK V

D. OPERATING PLANTS

Volume 13 - PERFORMANCE ENHANCEMENT I
Volume 14 - PERFORMANCE ENHANCEMENT II
Volume 15 - OPERATIONS & MAINTENANCE

For additional information and missing papers, contact the POWER-GEN Management:

PennWell Conferences & Exhibitions
3050 Post Oak Boulevard
Suite 205
Houston, TX 77056-6524 USA

Tel: 713-621-6633
Fax: 713-963-6284

UB/TIB Hannover 89
115 803 564
BOOK V

D. OPERATING PLANTS

VOLUME 13 - PERFORMANCE ENHANCEMENT I

Hydro & Cogeneration

Unusual Retrofitting of Submerged Intake Screens with Several Construction Constraints.................................................................1
Ron Cochran, Vice President - Thermal Projects,
Damodar Pandit, Chief Discipline Engr, Civil/Structural, and
Jonathan Mooers, Principal Structural Engineer, PARSONS POWER GROUP INC
Edward Hopkins, Project Manager, BROOKLYN NAVY YARD COGENERATION PARTNERS, L.P.

Industrial Cogeneration in Jamaica............................................................................................................................................N/A
Gijs Schellings, and Per Stahle, Business Manager
WÄRTSILÄ DIESEL, INC.

MS7001E Gas Turbine Advanced Technology Uprate in a Congeneration Application.................17
Richard Kiddier, General Manager, BAYOU COGENERATION PLANT
Patrick Dunne, Lead Project Manager and Jack Bazar, Regional Sales Manager
GE POWER SYSTEMS

Particulate Control Systems

Recent Compact Hybrid Particulate Collector Data (COHPAC) for Fine Particulate Matter and Air Toxics Removal from Coal-Fired Power Plants..................................................39
Wallis Harrison, Principal Research Specialist, SOUTHERN COMPANY SERVICES, INC.
Richard Miller, RESEARCH-COTTRELL
Ramsey Chang, ELECTRIC POWER RESEARCH INSTITUTE and
Kenneth Cushing, Manager, Mission Control Group, SOUTHERN RESEARCH INSTITUTE

Precipitator Rehabilitation at ComEd-Waukegan Station.................................................................61
George Hermanas and Leah Sanda, COMMONWEALTH EDISON COMPANY

Commissioning of an Electrostatic Precipitator at the Dunamenti Power Plant in Hungary..................................................69
Germot Mayer-Schwinning, Vice President-R&D, Air Pollution Control, LURGI AG

Better Gas Tight Access Doors for Power Plants........................................................................81
Jon Emsbo, President, IMTEC, INC
Charles K. Rutledge, INDIANAPOLIS POWER & LIGHT COMPANY

Experience With Evaporative Gas Conditioning on a 540 MW Unit..................................................N/A
Joseph R. Riley and James Schwab, ENVIROCARE INTERNATIONAL, INC
Greg W. Betensen, PACIFICORP

Turbines I

Expanding Bell Seal Improves Reliability, Reduces Inlet Steam Leakage, and Simplifies Assembly..................................................................................................................93
K. Scott Trunkett and William Dalton
TURBOCARE, A DIVISION OF DEMAG DELAVAL TURBOMACHINERY CORPORATION
Sam Gibson, SOUTHERN CALIFORNIA EDISON COMPANY
Power Plant Chemistry I

Contrasts of Capital Purchase of Water Treatment Systems vs. Full Service Programs........ 281
Lee Van Dam, Executive Vice President and John Netto, President
WATER & POWER TECHNOLOGIES INC

The Installation and Startup of Long-Term Leased, Membrane Based,
Water Treatment Equipment............................................................ 287
Dick Verduin, Senior Engineer, FLORIDA POWER & LIGHT COMPANY
DeWitt Dees, Sales Engineer, U.S. FILTER

The Iron, Silica and Organic Polymer Triangle........................................ 295
Dr. Robert Ning, Vice President-Science, KING LEE TECHNOLOGIES
Dwight Stith, Water Chemistry Supervisor, BONNEVILLE PACIFIC SERVICES

Cost-Effective Modular Electrodeionization (EDI)..................................... 301
David Tessier, Research & Development Manager and
I. Glenn Towe, Product Development Manager, GLEGG WATER CONDITIONING INC
William Haas, Technical Manager, ECOLOCHEM INC

Thermal Power Plants and Their Potential for Contribution to Environmental Protection
of Underground Water Resources Through Desalination of Sea or Brackish Waters........ 317
Steen Rosenbom, Mechanical Engineer, SK POWER COMPANY

Boilers II

Decreasing Unburned Carbon in Flyash: Field Results with ABB’s
Advanced Dynamic (TM) Classifier.......................................................... N/A
David Marti, UNITED ILLUMINATING COMPANY, J Hunt Crisler, GEORGIA POWER COMPANY
G Strich, ABB C-E SERVICES INC, R Rogers, ABB POWER PLANT LABORATORIES

Slag Prediction in a High Moisture Content, Coal Fired Boiler......................... 328
Jeffrey Franklin, Engineer and Matthew Schwab, Project Engineer,
AIRFLOW SCIENCES CORPORATION
Ron Metowski, Mechanical Engineer, SOUTHERN CALIFORNIA EDISON COMPANY

Rehabilitation of a 40 MW Utility Boiler Installed in a Petrochemical Plant in Venezuela........ N/A
Ciro Gutierrez, Maintenance Manager, and Andres Brito, PEQUIVEN-UNOI
Carlos Lasarte, Steam Generation Services Manager, ABB VENEZUELA
Michael Pupek, Principal Engineer-Technical Services, ABB C-E SERVICES, INC.
Roger Martinson, Project Manager, BURNS & ROE

A Utility’s Experience with New Tube Leak Detection Technology....................... 343
Trudy Bryson, Applications Engineer/Co-Owner, TRIPLE 5 INDUSTRIES
Bernard Cook, Senior Engineer, CAROLINA POWER & LIGHT COMPANY

Operational Results of a Low NOx Burner Retrofit on a 200 MW Tri-Fuel Utility Boiler........ 353
Fredrick Rothwell, Project Manager, George Nikitenko, Combustion Design Engineer,
Kim Byrnes, Field Service Engineer, BABCOCK & WILCOX
Raymond O’Sullivan, Manager-R&D, ORANGE & ROCKLAND UTILITIES

Power Plant Chemistry II

The Use of an Iron Dispersant on High Pressure Boiler Startups.................................... 363
Fred Taraschke, Senior Chemistry Specialist, FLORIDA POWER & LIGHT COMPANY
Tim Pickering, Owner/President, THE H2O DOCTOR

Crossflow to Counterflow Conversion Strategy for Profits... Out of Sequence - see Bk 6, pg 41
Robert Burger, President, BURGER & ASSOCIATES, INC.
