RTO MEETING PROCEEDINGS 22

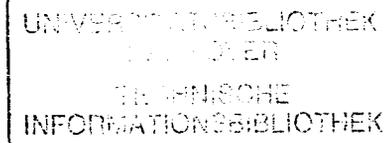

Operational Analysis Support to NATO IFOR/SFOR Operations

(le Soutien pour l'analyse des opérations OTAN IFOR/SFOR)

Papers presented at the Symposium of the RTO Studies, Analysis and Simulation Panel (SAS) (organised by the former DRG Panel 7) held at DERA, Farnborough, UK, 5-6 June 1997.

This document should be announced and supplied only to NATO, Government Agencies of NATO nations and their bona fide contractors, and to other recipients approved by the RTO National Coordinators.

Ce document ne doit être notifié et distribué qu'à l'OTAN, qu'aux instances gouvernementales des pays de l'OTAN et à leurs organismes dépendants, ainsi qu'à leurs contractants dûment habilités et aux autres demandeurs agréés par les Coordonnateurs Nationaux pour la RTO.
