Proceedings of
33rd Annual
NATIONAL CONFERENCE ON
RADIATION CONTROL

April 29 - May 2, 2001
Anchorage, Alaska

Sponsored by
Conference of Radiation Control Program Directors, Inc.
Center for Devices and Radiological Health
Food and Drug Administration
U.S. Department of Health and Human Services
Office of Radiation and Indoor Air
U.S. Environmental Protection Agency
U.S. Nuclear Regulatory Commission

August 2001

Compiled and Published by
Office of Executive Director
Conference of Radiation Control Program Directors, Inc.
205 Capital Avenue
Frankfort, Kentucky 40601
www.crcpd.org
CONTENTS

Foreword ................................................................. ix
Special Recognitions Presented at the 2001 Annual Meeting ............... x

Sunday, April 29

OPENING SESSION
Moderator: Paul S. Schmidt (CRCPD Chairperson)

Opening Remarks & Welcome
Clyde Pearce (Chief, Alaska Radiological Health Program) ............... 1
Karen Pearson (Director, Alaska Department of Health and Social Services) . 1

CRCPD Highlights
Paul S. Schmidt (CRCPD Chairperson) .................................. 3

ICRP/NCRP
Charles B. Meinhold (President, National Council on Radiation Protection and Measurements) ........................................ 10

Changing Philosophy in ICRP
Roger H. Clarke, Ph.D. (Chairman, International Council on Radiation Protection) ........................................ 16

Introduction of the John C. Villforth Lecture
Charles M. Hardin (Executive Director, CRCPD) .......................... 20

Radiation - What Don’t Hit Nobody, Don’t Hurt Nobody
John C. Villforth (President, Food and Drug Law Institute) ............. 22

Monday, April 30

WHAT’S NEW/STRATEGIES SESSION
Moderator: Paul J. Merges, Ph.D. (CRCPD Chairperson-Elect)

Coronary Intravascular Brachytherapy - A New Standard of Care
Prabhakar Tripuraneni, M.D., FACR (Scripps Clinic) ...................... 23
WHAT’S NEW/STRATEGIES SESSION (Continued)
Moderator: Paul J. Merges, Ph.D. (CRCPD Chairperson-Elect)

Securing a Vendor to Build a Radiation Protection Program Database - Success Stories and Pitfalls to Avoid
Deborah Pellegrini (Assistant Chief, California Radiologic Health Branch)
Presented by: Thomas Cardwell 24

Overview of the National Materials Program Efforts
Cindy Cardwell (Deputy Director, Texas Bureau of Radiation Control) 25
Robert Walker (Radiation Scientist, Massachusetts Radiation Control Program) 25

Past & Present Decontamination & Decommissioning Activities in Pennsylvania
David J. Allard, CHP (Director, Pennsylvania Bureau of Radiation Protection) 30

Illinois Use of Dental/Cervical Phantoms and Resulting Dose Reduction/Image Improvements
Paul H. Brown (Chief, Division of Electronic Products, Illinois Department of Nuclear Safety) 43

NRC Reactor Oversight Process
Randolph L. Sullivan, CHP (Office of Nuclear Reactor Regulation, NRC) 47

Moderator: Julia A. Schmitt (CRCPD Member-at-Large)

Traditional Knowledge and Contaminants Projects
Patricia Cochran (Executive Director, Alaska Native Science Commission) 51

Panel on Interventional Fluoroscopy
Radiation Management Issues During Fluoroscopic Interventional Radiology Procedures
John F. Cardella, M.D. (Professor & Chair, Department of Radiology, Syracuse Health Science Center, Upstate Medical University) 55

Lessons Learned from Fluoroscopically Induced Radiation Injuries to Patients and Personnel - A 21st Century Déjà Vu
Louis K. Wagner, Ph.D. (University of Texas, Houston Medical School) 56

Current Activities to Reduce Radiation Risks for Interventional Radiology
Thomas B. Shope, Jr., Ph.D. (CDRH, FDA) 57
Tuesday, May 1

PERTURBATIONS SESSION
Moderator: James L. McNees (CRCPD Treasurer)

Hanford Fire - Lessons Learned
Debra McBaugh (Chairperson, Committee on Decontamination and Decommissioning) 66

Tokai-Mura Criticality Accident
Donald A. Cool, Ph.D. (Division of Industrial and Medical Nuclear Safety, NRC)
Presented by: Fred Brown 77

Type A Testing a Ten-Year Old
Robert Walker (Radiation Scientist, Massachusetts Radiation Control Program) 79

Orphan Sealed Sources and the DOE's Offsite Source Recovery Project
Joel P. Grimm (Department of Energy, Albuquerque Operations Office) 83

Along the Road to the Future of CRCPD
Diane E. Tefft (Chairperson, Task Force on CRCPD Strategic Planning) 84

REGULATORY CHALLENGES SESSIONS
Moderator: Otha Linton (CRCPD Consultant)

Activities of NEXT - Past, Current, and Future
Mary Ann Spohrer (Chairperson, Committee on Nationwide Evaluation of X-Ray Trends (NEXT)) 88
David Spelic, Ph.D. (Physicist, Division of Mammography Quality and Radiation Programs, Office of Health and Industry Programs, CDRH, FDA) 88

Preliminary Results from Implementation of a Regulatory Requirement for Quality Assurance at X-Ray Facilities
Jill Lipoti, Ph.D. (Assistant Director, New Jersey Radiation Protection Program)
Anthony McMahon (Chief, New Jersey Bureau of Radiological Health) 93

U. S. Department of Energy, Nevada Operations Office Working Relationship with the States
James D. Barrett, III (Director, Emergency Management Division, DOE) 98

Rumbling, Stumbling, Bumbling Toward a Radon Program Revival
Roland G. Fletcher (Environmental Program Manager, Maryland Radiological Health Program) 101
REGULATORY CHALLENGES SESSIONS (Continued)
Moderator: Otha Linton (CRCPD Consultant)

Panel: NORM, Tailings, and Disposal
State Perspective
Kathleen McAllister (Chairperson, Committee on Resource Recovery and Radioactivity) .................................. 102

Industry Perspective
Ray Turner (David J. Joseph Company) ......................................................... 105

EPA's TENORM Program and Activities
Daniel Schultheisz (Environmental Engineer, EPA) .............................. 106

NRC's Perspective
Fred Brown (Division of Industrial and Medical Nuclear Safety, NRC) ....... 108

Wednesday, May 2

REGULATORY CHALLENGES SESSION (Continued)
Moderator: Russell S. Takata (CRCPD Member-at-Large)

Decommissioning Challenges
Greta Joy Dicus (Commissioner, NRC) ......................................................... 109

Regulatory Considerations for the Placement and Monitoring of Emissions from Medical Radionuclide Producing Cyclotrons
Sandra Hinkel (Environmental Radiation Specialist, New York State Department of Environmental Conservation) ......................................................... 117

Future Waste Management Challenges
Frank Marcinowski (Acting Director, Radiation Protection Division, EPA) ......................................................... 142
Presented by: Daniel Schultheisz

Radon Program Challenges in the New Millennium
Mary E. Clark, Ph.D. (Assistant Director, Office of Radiation and Indoor Air, EPA) ......................................................... 145
Adrian Howe (Chairperson, Committee on Radon) ......................................................... 148
PERTURBATIONS SESSION (Continued)

Moderator: Gary L. Robertson (CRCPD Member-at-Large)

Enhanced Environmental Monitoring in Plymouth, MA
Lawrence Harrington (Radiation Scientist, Massachusetts Radiation Control Program) ........................................... 153

Mallinkrodt Over Exposure Events
James Cameron (Senior Health Physicist, Region III, NRC) ................. 161

Atomic Garbage Man
James Cherniack (Radiation Program Manager, EPA) .......................... 163

A Mammography Enforcement Case
Maryanne Harvey (Chief, Radiation Equipment Section, New York State Health Department) ................................. 165

Radiation Shielding Concerns
David J. Keys, Ph.D. (Medical Physics Services, Ltd.) .......................... 172

Challenges in Alaska
Clyde E. Pearce (Chief, Alaska Radiological Health Program) ................ 176

STATE PRESENTATIONS
Moderator: Robert M. Hallisey (Past Chairperson)
(Listed alphabetically by state)

Clyde E. Pearce (Alaska Radiological Health Program) ......................... 182
Aubrey Godwin (Arizona Radiation Regulatory Agency) ......................... 183
Jared Thompson (Arkansas Division of Radiation Control and Emergency Management) ......................... 184
Edward Wilds, Ph.D. (Connecticut Department of Environmental Protection) ........... 185
William A. Passetti (Florida Bureau of Radiation Control) ................... 186
Tom Hill (Georgia Radioactive Materials Program) ............................... 187
Russell Takata (Hawaii Department of Health) .................................. 188
David Eisentrager (Idaho Department of Health and Welfare) ................. 189
Paul Eastvold (Illinois Department of Nuclear Safety) ......................... 192
John Ruyack (Indiana Indoor and Radiological Health Division) .............. 196
Donald Flater (Iowa Bureau of Radiological Health Program) ................. 197
Vick L. Cooper (Kansas Department of Health and Environment) .......... 199
John A. Volpe (Kentucky Radiation Health and Toxic Agents Branch) .... 200
Ronnie Wascom (Louisiana Radiation Protection Division) ................... 202
Jay Hyland (Maine Radiation Control Program) .................................. 203
Roland G. Fletcher (Maryland Radiological Health Program) ................. 206
Robert M. Hallisey (Massachusetts Radiation Control) ........................................ 208
David Minnaar (Michigan Bureau of Health Systems) ........................................ 211
Linda Bruemmer (Minnesota Division of Environmental Health) ....................... 212
Robert Goff (Mississippi Division of Radiological Health) ............................... 213
Julia A. Schmitt (Nebraska Department of Health & Human Services) ............... 214
Stanley R. Marshall (Nevada Bureau of Health Protection Services) ................. 217
Diane E. Tefft (New Hampshire Radiological Health Bureau) ........................... 218
Jill Lipoti, Ph.D. (New Jersey Department of Environmental Protection) .......... 219
Walter Medina (New Mexico Department of Environment) ............................... 220
Paul J. Merges, Ph.D. (New York State Environment) ....................................... 221
Richard "Mel" Fry (North Carolina Department of Environment and Natural Resources) ................................................................. 222
Warren Freier (North Dakota Department of Health) ......................................... 223
Roger Suppes (Ohio Department of Health) .................................................... 224
Mike Broderick (Oklahoma Department of Environmental Quality) .................. 225
Ray Paris (Oregon Department of Human Resources) ....................................... 226
David Allard (Pennsylvania Department of Environmental Protection) ............ 227
Mayra Toro (Puerto Rico Radiological Health Division) .................................... 228
Jack Ferruolo (Rhode Island Department of Health) ......................................... 229
Pearce O'Kelley (South Carolina Department of Health and Environmental Control) .................................................................................. 231
Donald Norton (South Dakota Department of Health) ....................................... 233
Cindy Cardwell (Texas Bureau of Radiation Control) ........................................... 234
William Sinclair (Utah Department Environmental Quality) ............................. 235
Paul Clemons (Vermont Department of Health) ................................................ 236
Leslie Foldesi (Virginia Department of Health) ................................................. 237
John Erickson (Washington Department of Health) .......................................... 238
Paul Schmidt (Wisconsin Department of Health and Family Services) ............ 239

Appendices
Appendix A. Speakers, Authors, and Moderators ............................................. 240
Appendix B. Posters ......................................................................................... 244
Appendix C. Program Directors ....................................................................... 250
Appendix D. CRCPD List of Publications ....................................................... 255
