NABC Report 12

The Biobased Economy of the Twenty-First Century: Agriculture Expanding into Health, Energy, Chemicals, and Materials

Edited by Allan Eaglesham, William F. Brown, and Ralph W.F. Hardy

Published by the
National Agricultural Biotechnology Council
Ithaca, New York 14853
CONTENTS

1 PART I
THE BIOBASED ECONOMY OF THE TWENTY-FIRST CENTURY: AGRICULTURE EXPANDING INTO HEALTH, ENERGY, CHEMICALS, AND MATERIALS

3 NABC 12: An Overview
William F. Brown

17 PART II
WORKSHOP REPORTS

20 Workshop A: Roles of Academia, Industry and Government
Maria Gallo-Meagher, Ricky Telg, Rosalia Simmen and Jeff Burkhardt

25 Workshop B: Producer-Industry Relationships in a Biobased Economy
Mickie Swisher and Mike Fields

31 Workshop C: Food and Environmental Issues Associated with the Biobased Economy of the Twenty-First Century
Charles L. Guy, Tracy Irani and Dean Gabriel

41 PART III
KEYNOTE SESSION
THE EXPANDING ROLE FOR AGRICULTURE IN THE TWENTY-FIRST CENTURY

43 Hydrocarbons to Carbohydrates, The Strategic Dimension
James Woolsey

51 Changing the Nature of Nature: Corporate, Legal, and Ethical Fundamentals (Description of the Presentation by Ralph Nader)
Allan Eaglesham

59 PART IV
PLENARY SESSION I
EVOLVING ROLES FOR SCIENCE, TECHNOLOGY, BUSINESS, GOVERNMENT, AND EDUCATION IN A BIOBASED ECONOMY

61 Biobased Industrial Products: Back to the Future for Agriculture
J. Gregory Zeikus
69 Sustainable Materials and Chemicals for the Next Generation
   Robert Dorsch

75 The Department of Energy's Contribution to the President's Bioproduct and Bioenergy Initiative
   Daniel W. Reicher

81 The USDA's Contribution to the President's Bioproduct and Bioenergy Initiative
   Roger Conway

85 The Role of Land Grant Universities: Responsible Innovation
   Patricia B. Swan

93 The Producer's Role — Serf or Partner in the Biobased Economy?
   Lynn Rundle

97 Financing the Development of Biobased Products
   Roger Wyse

107 PART V
   PLENARY SESSION II
   ISSUES SURROUNDING THE BIOBASED INDUSTRY

109 Ethics, Climate, and Risks
   Henry Kelly

113 Bioethics Issues in a Biobased Economy
   Paul B. Thompson

123 Climate Change and Agriculture
   Cynthia Rosenzweig

139 How Many Ways Can We Skin This Cat Called Earth? Risks and Constraints to the Biobased Economy
   Lois Levitan

155 Summary Presentation
   Ann Thayer

161 PART VI
   LIST OF PARTICIPANTS

173 PART VII
   APPENDICES
