Quality Assurance, Risk Management and Environmental Control in Agriculture and Food Supply Networks

Proceedings of the 82nd Seminar of the European Association of Agricultural Economists (EAAE)
May 14-16, 2003, Bonn, Germany

(Volume A)

edited by

G. Schiefer, U. Rickert
## Contents

### Volume A

#### Opening Session
From Enterprise Activity 'Quality Management' to Sector Initiative 'Quality Assurance': Development, Situation and Perspectives.  
(Schiefer, G., Bonn)  
German Quality and Safety Initiatives.  
(Dwehus, J.J., CMA, Bonn) see Annex

#### Setting the Stage – Research
Food Quality and Safety – EU research strategy and research priorities.  
(Lutzeyer, H.-J., CEC, DG Research, Brussels) see Annex

#### Setting the Stage – Organizational Situation
QS Quality and Safety: A Netchain Quality Management Approach.  
(Nienhoff, H.-J., Germany) see Annex  
Quality Management in IKB Chains.  
(Schouwenburg, J.N., The Netherlands) see Annex  
ISO-Accredited Benchmarking as a Tool to Assure Global Harmonization of Farm Assurance Schemes: The Example of EUREPGAP.  
(Möller, K., Germany) see Annex

British Retail Consortium (BRC) Standard: a New Challenge for Firms Involved in the Food Chain. Analysis of Economic and Managerial Aspects.  
(Arfini, F., Mancini, M.C., Italy)  

#### Setting the Stage – Systems Overview
Quality Management Schemes in Europe and Beyond.  
(Krieger, St., Schiefer, G., Bonn)  

#### Driving Forces and Impact
ISO 9000 certification in British agribusiness: motivations and performance impacts.  
(Böcker, A., Bredahl, M.E., Northen, J., Germany/USA/United Kingdom)  
Reasons for the implementation of ISO 9000 standards and main achievements and modifications obtained in companies. Application in Spanish agribusinesses.  
(Maza, M.T., Ramirez, V., Spain)  
Performances of ISO9000 certified quality management systems in the agro-food sector: a questionnaire-based study in Emilia-Romagna and Veneto.  
(Canavari, M., Spadoni, R., Italy)  
The impact of HACCP and ISO 9000 adoption on French fresh fruit industry organization.  
(Hernandez-Sanchez, A., Bouhsina, Z., Codron, J.-M., France)  

#### Chain Management – General
Cross Borders - Integrated Quality Assurance Systems in Pig Production Chains along the Dutch-German Border.  
(Schulze Althoff, G., Zandbergen, J., Schmitz, Th., Petersen, B., Germany)
Management of meat supply chains: the role of management and information systems.
(Horvath, L., Germany)
Supply Chain Management and Distributes own Brands (DOB) as a Method for the Quality Assurance in the Meat Industry.
(Brüggemann, A., Hinrichs, A., Germany)
Comprehensive Quality Management Systems as Part of Efficient Supply Chain Management in the Food Sector.
(Weindlmaier, H., Dustmann, H., Germany)
Quality Management in the Grain Chain – Requirements, Organizational Alternatives and Implementation Priorities.
(Poignée, O., Hannus, Th., Schiefer, G., Germany)

Chain Management – Cases and Controls
Assessing Economic Incentives for Firms to Adopt Food Safety Controls: The Case of the Ontario Meat Processing Industry.
(Jayasinghe, U., Henson, S., Canada)
Epidemiological and Economic impact of Salmonella Control in different stages of the pork supply chain.
(van der Gaag, M.A., Saatkamp, H.W., Huirne, R.B.M., The Netherlands)
Incentive Schemes and Salmonella in Pork.
(Bogetoft, B., Olsen, H.B., Denmark)
Product identification and plausibility checks within the supply chain of meat production.
(Bodmer, U., Germany)
Traceability and food safety: public choices and private incentives.
(Sodano, V., Verneau, F., Italy)

Chain Management – Tracking/Tracing
Traceability systems in the German food industry – Towards a typology.
(Gampl, B., Germany)
Traceability Cost Components for Meat.
(Mora, C., Menozzi, D., Italy)
Animal Trust Infrastructures – EHI research project.
(Pfaff, S., Germany) see Annex
Motivational Limits to Tracking and Tracing: Principal Agent-Problems in Meat Production and Processing.
(Theuvsen, L., Germany)
A Decision Model for Evaluating Different Meat Traceability System: A Case Study for a New Zealand Meat Processing Plant.
(Haas, R., Meixner, O., Pöchtrager, S., Köck, H., Austria)

Chain Management – Contracts/Public Regulations
Contractual Solution to the Hold-up Problem in Agrifood chain.
(Fares, M., France)
(Nuppenau, E.-A., Germany)
Public Regulation and Voluntary Approaches to Food Safety for Credence Goods.

(Venturini, L., Italy) 265

(Raynaud, E., Sauvee, L., Valceschini, E., France) 277

Adoption to EU Requirements

Adoption of EU-quality requirements in the meat and dairy sectors.

(Pieniadz, A., Hockmann, H., Glitsch, K., Germany) 293

How does the new EU food law influence the Hungarian food safety regulations?

(Halmai, P., Uzonyi, M., Hungary) 311

Developments in Fresh Produce Quality and Safety Management: Implications for Mediterranean Countries.

(Garcia, M., Poole, N., United Kingdom) 315

Food Safety and Quality Systems in the Tunisian Olive Oil and Dates Sector: An Exporter View.

(Laajimi, A., Garcia, M., Gharbi, M., Tunisia/United Kingdom) 325

Volume B

Consumers - Risk Perception

The role of worry in consumer’s risk perception and risk response.

(Böcker, A., Germany) 341

Perceived Risk and Beef Consumption: The Irish Case.

(Me-Carthy, M., Henson, S., Ireland/Canada) 351

Consumer perceptions on food safety risks – reality and attitudes behind them.

(Aakkula, J., Peltola, J., Maijala, R., Siikamäki, J., Finland) 363

Risk perception of Italian consumers during BSE shock: the role of television.

(Luchini, S., Procidano, I., Mauracher, C., Italy) 375

GMOs and Consumers: what role do the knowledge and the risk attitude play?

(Cembalo, L., Cicia, G., Verneau, F., Italy) 385

Consumers – Quality Attributes and Trust

Consumer concerns about pork production in France and the Netherlands.

(Meuwissen, M.P.M., Latouche, K., van der Lans, I.A.C.M., Carpentier, A., The Netherlands/France) 397

Experimental Study on Willingness to Pay for Safer Foods: The Case of Food Irradiation.

(Aiew, W., Nayga, R., Nichols, J.P., USA) 405

Consumer’s attitudes versus the beef meat in Italy.

(Rosa, F., Italy) 413

Consumers – Communication, Brands and Trust

Significance and Effects of Quality Information in the Beef Supply Chain.

(Kola, J., Latvala, T., Vertanen, A., Finland) 425

Communicating Food Risk and Uncertainty with the Public.

(Brennan, M., Ritson, Chr., Ness, M., Kuznesof, S., Frewer, L., Miles, S., United Kingdom/The Netherlands) 433
