Quality Management in the Food Supply Chain: How does the food industry interact with consumers, retailers and public authorities?
(Gellynck, X., Verbeke, W., Viaene, J., Belgium) 443
Collaborative relationships and branding policies: successful strategies for small size farms.
(Vastola, A.P., Italy) 453

Risk Management
Crisis management in the food sector – a new concept in Germany.
(Bähre, F., BVL, Germany) 465
Economics and Farm-to-table Risk Assessment.
(Velthuis, A.G.J., Hogeveen, H., The Netherlands) 467
(Nölle, O., Germany) 475

Cost / Benefit
Farm certification and the implementation of HACCP in Agriculture: A Cost-Benefit Analysis.
(Galan, M.B., Aubry, Chr., Mazé, A., France) 485
Cost benefit evaluation of strategies for integrating the analysis of dairy feedstuffs by near infrared spectroscopy in quality assurance schemes.
(Fuentes-Pila, J., Visiers, R., Monroy, C.R., de la Roza, B., Martínez, S., Rodríguez Cortés, A.C., Spain) 507
Assessing the Food Safety Concepts within the Dairy Production Chain: an Application of Conjoint Analysis.
(Valeeva, N.I., Meuwissen, M.P.M., Huirne, R.B.M., The Netherlands) 515
Benefits from creation of integrated food supply chains for small enterprises: case study from Poland.
(Wajszczuk, K., Poland) 523

Environmental Management
An Environmental Management System for Family Farms.
(Erzinger, St., Switzerland) 533
The role of domestic animal breeds in agri-environment protection.
(Kovács Katona, J., Hungary) 539
Implementing environmental quality standards via collective projects in the French CTE procedure.
(Kephaliacos, C., Robin, P., France) 545
Life cycle based environmental management and product declarations for food.
(Halberg., N., Weidema, B., Larsen, I., Dalgaard, R., Nielsen, P.H., Nielsen, A.-M., Denmark) 555
Extension, Decision Support

Direct Marketing in Germany - Quality Assurance strategies.
(Recke, G., Wirthgen, B., Germany) 569

Strategic Management as Communication and Coordination Platform for different Quality Management Systems.
(Hernández, C., Schiefer, G., Germany) 575

A Decision Support Model for Dairy Farms.
(Silva, E., Berbel, J., Portugal/Spain) 583

The Norwegian Farm Quality Management System.
(Solbu, H., Norway) 593

Closing Session

Increasing global procurement and food safety.
(Hanf, C.-H., Hanf, J.H., Germany) 599

Global Food Safety Initiative.
(Byrnes, H., CIES, France) see Annex

Annex: Presentations

German Quality and Safety Initiatives.
(Dwehus, J.J., CMA, Bonn) 613

Food Quality and Safety – EU research strategy and research priorities.
(Lutzeyer, H.-J., CEC, DG Research, Brussels) 619

QS Quality and Safety: A Netchain Quality Management Approach.
(Nienhoff, H.-J., Germany) 627

Quality Management in IKB Chains.
(Schouwenburg, J.N., The Netherlands) 631

ISO-Accredited Benchmarking as a Tool to Assure Global Harmonization of Farm Assurance Schemes: The Example of EUREPGAP.
(Möller, K., Germany) 637

Animal Trust Infrastructures – EHI research project.
(Pfaff, S., Germany) 649

Global Food Safety Initiative.
(Byrnes, H., CIES, France) 653
