PROCEEDINGS
Volume II

1986
WORLD CONFERENCE
ON CONTINUING
ENGINEERING EDUCATION

May 7-9, 1986
Lake Buena Vista, Florida

Edited By
Lawrence P. Grayson
Joseph M. Biedenbach
University of South Carolina

Hosted By
ASEE Continuing Professional Development Division
IEEE Education Society
Session 8A1
(8:00 - 9:45 a.m.)
MANAGING THE CONTINUING EDUCATION FUNCTION

Moderators:
Owen D. Osborne
Iowa State University
William Leslie Anderson
Saint Lawrence College

"A Method of Calculating Workloads for Continuing Education Staff Assignments"
Bill L. Cooper
Oklahoma State University

"Meeting Dollar Dynamics"
Anver S. Suleiman
The Marketing Federation

"Advisory Board Management for Continuing Education Administrators"
Dana R. Darling
University of Southern Maine

Moderators:
John F. Wilhelm
Consultant, Formerly with Institute of Electrical and Electronics Engineers
Patricia Irmen
American Society of Civil Engineers

"Continuing Engineering Education for Mechanical Engineers in China"
Xu Shaogao
Pan Xinhan
Chinese Mechanical Engineering Society
Shen Zhao
Qinghua University
Yu Zongrui
Education Bureau, Ministry of Machine Building Industry

"Videoconferencing via Satellite: Using Technology in Continuing Education"
Robert G. Kharmann
Institute of Electrical and Electronics Engineers

"The American Institute of Chemical Engineers Approach to
Continuing Engineering Education
Harold I. Abramson
American Institute of Chemical Engineers 477

"Instrument Society of America--Training and Continuing Education"
Douglas J. Kolb
Instrument Society of America 482

"The American Society of Civil Engineers Continuing Education Program"
Patricia Irmen
American Society of Civil Engineers 491

"The American Society of Quality Control Continuing Education Program"
Steve Gordy
American Society of Quality Control 491

"Continuing Industrial Engineering Education"
David J. Soukup
American Institute of Industrial Engineers 485

"Continuing Education Program of the American Vacuum Society"
Paul H. Holloway
American Vacuum Society 489

"Technology Learning Centre Introduces Women to Technology"
William Leslie Anderson
Saint Lawrence College 507

"Evaluating Performance of Continuing Engineering Educators"
C. Allen Wortley
University of Wisconsin-Madison 511

"Quality Circles: Key to Improving Productivity in the Service Sector"
Owen D. Osborne
Iowa State University 521
Session 8A2
(8:00 - 9:45 a.m.)
USE OF TELECOMMUNICATIONS IN CONTINUING EDUCATION

Moderators:
Stephen L. Rice
University of Central Florida
William F. Klosterman
City of Middletown, Ohio

"A TV Producer/Director Looks at the Problems of Putting on Satellite Programs with Volunteers"
Thomas G. Rutenbeck
The Learning Channel

"A National Cooperative Program: The NTU/AMCEE Satellite Network"
Lionel V. Baldwin
National Technological University

"California State University, Chico's Master's Degree in Computer Science Live via Satellite"
Ralph F. Meuter
Charles F. Urbanowicz
Leslie J. Wright
California State University-Chico

"Instructional Television via Satellite"
Henry F. Frailey
University of Notre Dame

"Satellite Earth Stations for Continuing Engineering Education"
Dan Landreth
Scientific-Atlanta, Inc.

Session 8A3
(8:00 - 9:45 a.m.)
MOTIVATING PEOPLE TO PARTICIPATE IN CONTINUING ENGINEERING EDUCATION PROGRAMS

Moderators:
Eugene R. Chenette
University of Florida
Niels Krebs Ovesen
Danish Engineering Academy

"Links Between Initial and Continuing Engineering Education and the Special Need of
Continuing Engineering Education in the Transfer of Technology into Industry in a Small Industrialized Country
Niels Krebs Ovesen
Danish Engineering Academy

"Aim and Policy of Continuing Engineering Education in China"
Jin Luizhong
Xu Jian
China State Science & Technology Commission
Xianhong Zhang
Tsing Hua University and China Society of Continuing Engineering Education

"Participation Motivation in Continuing Engineering Education: Metagame Analysis of Conflicts"
D. S. Mishra
Dayalbagh Educational Institute
Prem S. Satsangi
Indian Institute of Technology

"The Beginning, Building and Maintaining of a Continuing Engineering Education System for Industry"
David N. Sawyer
Mississippi State University

"Role of Professional Technical Societies in Engineering Education"
Shashi Krishna Pandey
Bharthidasan University

Session 8A4
(8:00 - 9:45 a.m.)
CONTINUING EDUCATION PROGRAMS AT A DISTANCE

Moderators:
Ted L. Simpson
University of South Carolina
Stanley L. Love
Sandia National Laboratories

"Using the Satellite to Bring Continuing Education to Engineers by the IEEE"
Lyle D. Feisel
State University of New York (SUNY)-Binghamton

"A Distance Taught-Microwave Engineering Diploma"
G. H. Bryant
The Open University
"Remote Site Instructional System"
Lynn B. Higgs
Eugene C. Loh
University of Utah -------------- 576

"The Use of Satellites for Continuing Education in the West Indies"
Ashton J. Parris
Clement Imbert
University of the West Indies -------------- 579

"The Open University and Distance Learning"
Glyn Martin
The Open University -------------- 580

"Contrasting Approaches to Continuing Engineering Education"
Edward Parker
University of Salford

"Distance Education for Disaster Management"
Donald Schramm
University of Wisconsin-Madison -------------- 589

Session 8A5
(8:00 - 9:45 a.m.)
SAMPLE PROGRAMS IN CONTINUING ENGINEERING EDUCATION FROM AROUND THE WORLD

Moderators:
Thomas H. Oswald
Clemson University
Wilfried J. Bartz
Technische Akademie Esslingen ---- 595

"Mathematical Skills Necessary for Students of the Faculty of Engineering and the Numerical Estimation of Their Existence in the Math. Courses of the Third Year, Secondary Schools"
Adel Soliman Abdel-Khalik
Refeat Mohamed El-Meligy
University of Assiut -------------- 597

"Ford Motor Company/Wayne State University Approach to Continuing Education"
J. Nirdosh Reddy
Ford Motor Company
Michael J. Rabins
Wayne State University -------------- 617

"Computer Aided Aircraft Design Education on the Plato System"
Shahid Siddiqi
Embry-Riddle Aeronautical University -------------- 619
"Continuing Education in Water Resources Engineering—The Asian Experiment"
Mahesh Varma  
Water Resources Development Training Centre 636

"Supplying Specialized Continuing Education Programs to Defense Contractors"
Alexis N. Sommers  
University of New Haven 628

"A Balanced Scheme for an Under-Graduate/Post-Graduate Degree Course in Energy Engineering"
C. M. Narayanan  
Regional Engineering College-Durgapur 632

Session 8B1  
(10:15 a.m. - 12:00 noon)  
ACCREDITATION OF CONTINUING EDUCATION PROGRAMS FROM THE PROSPECTIVE OF MULTI NATIONAL ENGINEERING ORGANIZATIONS

Moderators:
David R. Reyes-Guerra  
Accreditation Board for Engineering and Technology
Miguel Angel Yadarola  
UPADI Committee on Engineering Education 637
Oscar M. Gonzales Cuevas  
Carlos Santana Morales  
COPEI
Jorge Perez G.  
Universidad Central de Venezuela
Francisco Aparicio Izquierdo  
Escuela Tecnica Superior de Ingenieros Industriales

Session 8B2  
(10:15 a.m. - 12:00 noon)  
TRANSFER OF TECHNOLOGY THROUGH CONTINUING EDUCATION ACTIVITIES

Moderators:
Joseph S. Greenberg  
Arizona State University
Israel Katz  
Northeastern University 639

"A Military Service and University Agreement to Provide Technology Transfer"
Lee Blank  
Texas A & M University
Ric Meyer
Research Scientist, former U.S. Air Force ICAM officer

"A Consortium of University Technology Transfer Centers"
David S. Goldman
Thomas P. Cullinane
Northeastern University

"Military Technology Transfer: Programmatic and Philosophic Implications for the University"
Martin Russell Gilson
Arizona State University

"A Technology Transfer Program—Bridging the Gap Between Industry and Academe"
Robert L. Edwards
North Carolina State University

"Transfer of Technology and Development"
Nalinaksha Mutsuddi
Technical Education Department of the Government of Himachal Pradesh

Session 8B3
(10:15 a.m. - 12:00 noon)
MARKETING TECHNIQUES FOR CONTINUING EDUCATION PROGRAMS

Moderators:
Yacov Shamash
Washington State University
Gilbert Frade
Ecole des Mines de Paris

"Effective Marketing and Selling of In-Plant Continuing Engineering Education Programs"
Ralph D. Elliott
Clemson University

"From Meeting the Needs of its Engineers to Opening Up International Cooperation: The French Gas Industry Responds to the Challenge Through Continuing Engineering Education"
Gilbert Frade
Henri Veisseire
Gaz de France

"Needs Assessment for Continuing Engineering Education in a High Technology Region"
Edward G. Howard
S. W. Washington Joint Center for Education
Session 8B4
(10:15 a.m. - 12:00 noon)
COMPANY APPROACHES
TO THE CONTINUING
EDUCATION OF ENGINEERS

Moderator:
Robert D. St. Cyr
Digital Equipment Corp. 685

"Continuing Technical Training and Education--Digital's Hudson Model"
Robert D. St. Cyr
Digital Equipment Corporation 685

"Continuing Engineering Education at Hewlett Packard"
Alfred L. Moye
Hewlett-Packard Company 693

"Continuing Education for the Technical Staff at Sandia, Albuquerque"
Stanley L. Love
Sandia National Laboratories 701

Session 8B5
(10:15 a.m. - 12:00 noon)
DETERMINING THE NEED FOR CONTINUING ENGINEERING EDUCATION PROGRAMS

Moderator:
Henry N. Oppenheimer
The MGI Management Institute
M. G. Andrews
Memorial University of Newfoundland 705

"Open Learning Programs in Design and Computer Aided Design in Europe"
David J. Farrar
Cranfield Institute of Technology 706

"Home-Made versus Imported Programmes in Nigeria"
Anthony N. Nzeako
University of Nigeria-Nsukka 715

"Planning a Course?"
Krishan Lall Kumar
UNESCO Project
N. M. Swani
I.I.T., New Delhi 735

"Need of Continuing Foreign Language Education--A Case Study of the People's Republic of China"
Shen Jie
Zhigong University of
"Short Courses in Materials and Metallurgy for Brazilian Industrial Needs"
Iain Le May
Metallurgical Consulting Services Ltd.
Sergio Neves Monteiro
COPPE/UFRJ, Rio de Janeiro
T. L. da Silveira
Faculdade de Engenharia Souza Marques

"Identifying the Need for Continuing Engineering Education"
Robert Leslie Cannell
Loughborough University of Technology

Session 8C1
(1:30 - 3:15 p.m.)
USE OF TECHNOLOGY IN CONTINUING ENGINEERING EDUCATION

Moderators:
Alex Bedrosian
New Jersey Institute of Technology
Herbert Schwoerer
Fachhochschule Furtwangen

"Remote Learning: Technologies and Opportunities"
Murray Turoff
New Jersey Institute of Technology
Starr Roxanne Hiltz
Upsala College

"The Use of Computers"
Glyn Martin
The Open University

Session 8C2
(1:30 - 3:15 p.m.)
RESEARCH IN ADULT CONTINUING EDUCATION

Moderators:
John F. Fox
Los Alamos National Laboratory
P. V. Gupta
Thapar College of Engineering and Technology
"Flexlearn: A Self-Paced Technical Training System"
Gerald F. Kastigar
Contel Service Corporation -------- 767

"Seminars as Effective Tools for Continuing Education of Engineers"
Mihir K. Das
California State University-Long Beach -------------------------- 770

"Continuing Education in the Field of Engineering and Technology in Developing Countries--Case Study of Indian Context"
M. H. Dhananjaya
Sri Jayachamarajendra College of Engineering -------------- 771

"Educating and Training Designers"
R. S. J. Palmer
Nanyang Technological Institute ----------------------------- 775

"University-Based Continuing Education at National Research and Development Laboratories"
Marcus Weseman
Oak Ridge Associated Universities ------------------------ 778

"Keeping Up to Date and Solving Problems in Engineering"
William K. LeBold
Becky J. Pernicka
Purdue University
Russel C. Jones
Boston University -------------------------- 784

"An Update of Gibbons' Stanford Study"
Harvey R. Stone
University of Massachusetts -------- 793

Session 8C3
(1:30 - 3:15 p.m.)
CONTINUING ENGINEERING EDUCATION OFFICE MANAGEMENT

Moderator:
Ray E. Morrison, Jr.
Georgia High Technology Advisory Council --------------------------- 795

"Using Computers for Professional Networking"
John S. Vollum
University of Minnesota ----------- 797

"Continuing Engineering Education Office Management--A
"Operating a Continuing Education Office—An Administrative Assistant's Viewpoint"
Linda S. Maynard
Debra K. Lindler
Joseph M. Biedenbach
University of South Carolina

Session 8C4
(1:30 - 3:15 p.m.)
APPROACHES TO CONTINUING ENGINEERING EDUCATION AROUND THE WORLD

Moderators:
Alejandro Beltran Illizaliturri
CNETRO SCOP
Charles J. Sener
Professional Communication Consultants Ltd.

"Continuing Education on Developing Countries"
Tuula T. Granroth
Pentti Rantala
Tampere University of Technology

"Planning in India on Continuing Engineering Education"
Shyam Gopal Tamhankar
Bombay University

"Case Studies of International Cooperation an Exchange in Post-Graduate Engineering Program"
Sergio Neves Monteiro
Coppe/Fed Univ Rio
Ian Le May
Metallurgical Consulting Services, Ltd.

"Function of Institutes in Continuing Engineering Education"
Fu Chunyi
PRESENTED BY
Guo Gan
The Minisary of Space Industry of China

"A Danish Approach to Course Development Techniques"
Mogens Jensen
Jette Trabjerg
Danish Engineers' Post-Graduate Institute

"New Trends in Scientific Education of Engineers of Czechoslovakia"
Vladimir Cermak  
The Research Institute of Higher Education-Prague  
Vaclav Vacek  
Czech Technical University

"The Continuing Education Activities Among the Ministry of Electronic Industry in China"  
Tie-sheng Hao  
Ministry of Electronic Industry

Session 8C5  
(1:30 - 3:15 p.m.)  
AN IN-DEPTH CONTINUING ENGINEERING EDUCATION STUDY OF FINLAND—WITH INTERNATIONAL COMPARISONS

Moderator:  
John P. Klus  
University of Wisconsin-Madison

"International Comparison--Basic Technology Transfer"  
John P. Klus  
University of Wisconsin-Madison

"A Continuing Education Needs Survey of Industry in Finland"  
Markku Markkula  
Helsinki University of Technology

"Continuing Education in Finland and New Efforts for the Technologies of the Next Decade"  
Juha Venho  
INSKO (Center for Continuing Education FINNISH Engineering Society

"Interdisciplinary Graduate Program in Energy Engineering at the University of the Philippines"  
Ruben Garcia  
Vrancisco Viray  
Leopoldo V. Abis  
University of the Philippines  
John T. Quigley  
James J. Skiles  
Merton R. Barry  
University of Wisconsin-Madison

Session 8D1  
(3:45 - 5:30 p.m.)  
INDUSTRIAL ORGANIZATION CONTINUING EDUCATION PROGRAMS FROM AROUND THE WORLD Poster Session
Moderators:
Robert M. Anderson, Jr.
General Electric Company
Makoto Takeya
NEC Institute of Technology Education

"Professional Retraining:
Meeting the Technological Challenge"
Richard A. Morano
Norman Deets
PRESENTED BY
Jeanne Leonardi
Xerox Corporation

"NEC's C & C Approach to
Continuing Engineering Education--Its System Rationale,
Concept and Effectiveness"
Makoto Takeya
NEC Institute of Technology Education

"The Continuing Education (CE)
Activities of Chinese Institute
of Electronics (CIE) and Beijing
Vacuum Electron Devices Research
Institute (BVEDRI)"
Han Chuan Hu
Beijing Vacuum Electron Devices Research Institute

"The Educational System of the
Hitachi Institute of Technology"
Toshio Numakura and Hisao Kuma
Hitachi Institute of Technology

"Continuing Education for
Technical Personnel at James
River Corporation"
George Michalec
James River Corporation

"Technical Education for
Employees of RCA"
Frank E. Burris
RCA Technical Excellence Center

"Technical Education at Texas
Instruments"
Ralph T. Dosher, Jr.
Texas Instruments, Inc.

"Engineering Education at
Hewlett-Packard"
Terry L. Gildea
Hewlett-Packard Company

"The Technical Education Program
at the Exxon Research and
Engineering Company"
Robert A. Hofstader
Arthur R. Tenner
Exxon Research and Engineering Company
"Technical Education for Employees of Borg-Warner"
   Theodore A. Nagy, Jr.
   Borg-Warner Corporation ------------------ 905

"Technical Education for Employees of IBM"
   C. Wesley Allen
   IBM Corporation ------------------------ 911

"Technical Education for Employees of Motorola"
   Sam Volpe
   Motorola, Inc. ------------------------ 964

"Continuing Technical Education for Manufacturing Personnel at Ford Motor Company"
   Cheryl Kaye Cross
   Ford Motor Company ------------------ 915

"Continuing Technical Education at 3M"
   Patsy O. Sherman
   Judith E. Parker
   3M Company ------------------------- 920

"Technical Education for Employees of the General Electric Company"
   Robert M. Anderson, Jr.
   General Electric Company -------- 923

"Combating Technical Obsolescence: The Genesis of a Technical Education Program"
   James R. Fisher, Jr.
   Honeywell, Inc. ---------------------- 927

"EDGE²--Career Development"
   Sheila A. Pidgeon
   Digital Equipment Corporation ----------- 964

"Alcoa Laboratories Approach to Continuing Education for Technical People"
   Mary Gail Biebel
   Alcoa Laboratories ------------------ 950

"Education and Training and Development at the Lawrence Livermore National Laboratory"
   Helen C. Holmes
   Lawrence Livermore National Laboratory ------------------ 952

"The Martin Marietta Aerospace Approach to Continuing Engineering Education"
   Donald B. Lambert
   Harold Kennedy
   Martin Marietta Aerospace -------- 965

"AT&T's Approach to Continuing Engineering Education"
   Hugh Janney
   AT&T Technologies ------------------ 965
"Continuing Education in du Pont Engineering Department"
Alan D. Haines
E. I. du Pont de Nemours & Co., Inc. -------------- 956

"Engineering Professional Development at the Lockheed-Georgia Company"
Oscar Stewart Adams
Lockheed-Georgia Company -------- 961

Session 8D2
(3:45 - 5:30 p.m.)
PRIVATE INDUSTRY
FOR PROFIT-CONTINUING
EDUCATION PROGRAMS
FROM AROUND THE WORLD
Poster Session

Moderators:
Joseph M. Biedenbach
University of South Carolina
Robert L. Edwards
North Carolina State University -- 975

"The Electronic Seminar/Event Catalog"
Don S. Hutcheson
Solution Associates, Inc. -------- 990

"How to Build a Training Center--Avoiding the Pitfalls"
Charles J. Sener
Professional Communication Consultants Ltd. ------------- 977

"The MGI Approach to Developing Continuing Education Programs"
Henry N. Oppenheimer
The MGI Management Institute ------ 981

"How to Design a Performance-Based Curriculum for Engineers"
Raynold A. Svenson
Performance Systems, Inc. -------- 990

"The Center for Professional Advancement Approach to Providing Continuing Engineering Education"
Saul Gordon
Malcom Robinson
The Center for Professional Advancement ------------------ 985

"A Non-Directive Approach to Training Needs Analysis"
Donald E. Jacklich
The Jacklich Corporation ------- 966

"How a Moderator Product is Developed and Implemented"
Mark F. Taylor
Wiley Learning Technologies ------ 989
Session 9A1
(8:00 - 9:45 a.m.)
CONVERSATIONS AT THE
BREAKFAST TABLE:
MEET THE EXPERTS

Moderators:
Joseph M. Biedenbach
University of South Carolina
Cyril J. Tunis
IBM Corporation -------------- 991

"Role of Continuing Education
for Mid Career Change"
Thomas H. Oswald
Clemson University ------------ 993

"Developing Engineers as
Managers"
Kenneth Woolf
Performance Development
Associates ---------------- 993

"Use of Technology in Continuing
Education Delivery or Any Other
Topic for Which You Need
Coverage"
Frank E. Burris
RCA Technical
Excellence Center ------------ 994

"Educational Programming to
Boston Area Business and
Industry"
Susan M. Kryczka
Northeastern University ---- 994

"The Use of Curriculum
Committees in Designing and
Selecting Education and Training
Courses"
Mary Gail Biebel
Alcoa Laboratories --------- 995

"Satellite Delivery of
Continuing Engineering
Education--How To"
Bill L. Cooper
Oklahoma State University - 995

"Preventing Technological
Obsolescence"
Jay Gilbert
Professional
Development, Inc. ----------- 996

"Delivery of Engineering
Continuing Education Short
Courses with TV Cassettes"
David K. Blythe
University of Kentucky ---- 996

"University Consortia as
Sponsors of Continuing
Education"
Thelma Estrin
UCLA-Extension -------------- 997
"Quality Control in Continuing Engineering Education"
David R. Reyes-Guerra
Accreditation Board for Engineering & Technology ------- 997

"Developing and Implementing Packaged Continuing Education Programs"
Carol S. Gold
Wiley Learning Technologies ------- 998

"The Costs and Time Off for Continuing Education Courses--How Much Should the Company Bear and How Much Should the Engineer Bear?"
Roger W. Werne
Lawrence Livermore National Laboratory -------------- 998

"Sharing Company Developed Technical Education with Other Companies"
Robert M. Anderson
General Electric Company ------- 999

"Developing and Operating University TV Networks for Continuing Education"
Anthony L. Rigas
Naval Postgraduate School ------- 999

"Quality Assurance in Continuing Engineering Education"
Glen L. Martin
CH2M Hill ------------------------ 1000

"Motivating People to Participate in Continuing Education"
William E. Rove
3M Company ------------------------ 1000

"Management Education—a CEE"
John M. Amos
University of Missouri-Rolla ---- 1001

"Video Based Continuing Engineering Education"
Eileen M. Matz
University of Arizona ---------------- 1001

"Incentives and Compensation for Faculty Participation in Continuing Education Programs"
William W. Wuerger
University of Wisconsin-Madison ---------------- 1002

"Retraining Engineers"
Frank Vullo
Eastman Kodak ---------------- 1002

"Faculty Selection for Continuing Education Programs"
Bruce Mathews
University of Central Florida ---------------- 1003
"Identifying Markets for Engineering Continuing Education"
Gary L. Workman
University of Alabama-Huntsville ---------------1003

"Use of Telecommunications for Delivering Educational Services"
Alfred L. Moye
Hewlett-Packard Company ---------1004

"Preparing Engineering Faculty to Teach in Industry"
Thomas J. Perry
Capitol Insititute of Technology ---------------1004

Session 9A2
(8:00 - 9:45 a.m.)
REPORT OF THE PANEL ON CONTINUING EDUCATION

Moderator:
Harold G. Kaufman
Polytechnic University

DISCUSSION PANEL
Ralph T. Dosher, Jr.
Texas Instruments, Inc.
Rod Hanks
Lockheed Corporation
Robert A. Hofstader
Exxon Research and Engineering Company
Harold G. Kaufman
Polytechnic University
Russell R. O'Neill
University of California-Los Angeles
Bernard M. Sallot
Advanced Technologies
Group Services
Morris A. Steinberg
Lockheed Corporation

Session 9B1
(10:15 a.m. - 12:00 noon)
ADULT LEARNING CHARACTERISTICS

Moderators:
Jay Gilbert
Professional Development, Inc.
Timonim Vladimir Pavlovich
Journal of Intermediate Special Education ---------------1029

"A New Model for Continuing Engineering Education"
Anna M. Garry
John Cowan
Heriot-Watt University ---------1030

"Relationship Between Mastering of Technologies and Training of
Session 9B2
(10:15 a.m. - 12:00 noon)
USE OF VIDEOTAPE IN CONTINUING ENGINEERING EDUCATION

Moderator:
Charles L. Townsend
Iowa State University

"Distance Learning Through Video Based Instruction"
Daniel E. Harrell
Trina M. Mullen
North Carolina State University

"Continuing Education: Videotapes to Achieve Computer Literacy"
Melvin J. Shimp
Leattrice T. Weideman
Northwestern Bell Telephone Company

"Videotape Education at the IBM Corporation"
Gerald John Balm
IBM Corporation

"Technological Advances are Continuing and So is Education at Iowa Power"
Ivan D. Schaller
Iowa Power and Light Company

"Training for Results with Video"
"Growing Your Own Artificial Intelligence Resources"
Jeff Clanon
Digital Equipment Corporation

"The Effects of Organising Continuing Education Programmes at NTH in Cooperation with Industry"
Tore Jorgensen
The Norwegian Institute of Technology

"Continuing Professional Education for Engineers- Managers in the Power Industry"
Donald A. Keating
University of South Carolina

"The Council on the Continuing Education Unit--The Meaning of the CEU as a Measure"
David R. Reyes-Guerra
Accreditation Board for Engineering & Technology

"An Algorithm for Engineering Management Education"
E. N. Friesen
Los Angeles Department of Water and Power

"Masters in Biomechanics and Economy Industrial Management E.T.S.I.I. Politecnic University, Valencia (Spain)"
Justo Nieto Nieto
P. Vera
J. Hoyos
E. de Miguel
J. Dalmau
Session 9B5
(10:15 a.m. - 12:00 noon)
MOTIVATION OF ENGINEERS, MANAGERS AND TEACHERS TO PARTICIPATE IN CONTINUING EDUCATION ACTIVITIES

Moderators:
David J. Farrar
Cranfield Institute of Technology
Bruce Mathews
University of Central Florida ----1099

"The Essential Ingredient--Motivation"
Robert H. Paddock
University of Wisconsin-Extension ------------------1101

"Major Obstacles to Effective Continuing Engineering Education"
David N. Sawyer
Mississippi State University ----1105

"Continuing Education"
Dayton D. Wittke
Omaha Public Power District ----1108

"Continuing Engineering Education in France"
Leon V. Ter-Davitian
Independent Consultant --------1112
"Continuing Education of Engineers: Motivation, Participation and Outcomes"
Harold G. Kaufman
Polytechnic Institute
of New York

Session 9B6
(10:15 a.m. - 12:00 noon)
SAMPLE PROGRAMS IN
CONTINUING ENGINEERING EDUCATION
FROM AROUND THE WORLD
Part II

Moderators:
Thomas H. Oswald
Clemson University
Wilfried J. Bartz
Technische Akademie Esslingen

"Developing Technical Programs at Continuing Education Levels in Nigeria: Problems and Solutions"
Chuka O. G. Obah
Federal University of Technology

"Coping with the Reading Load: Teaching Faster Reading Techniques to Professionals at Continuing Education Level"
Thelma Yvonne Obah
Federal University of Technology

"Teaching Switching DC-to-DC Regulators Design"
Luis Martinez
Alberto Poveda
Joan Cabestany
Universidad Politecnica de Cataluna

"Continuing Engineering Education Programs in India"
Simadri Naik
Maulana Azad College of Technology

"Integration of Technology--Robot Revolution or Evolution?"
Jack M. Hamelink
General Motors Corporation

"Interaction Between Continuing Engineering Education and Technological Innovation at Office Cherifien des Phosphates"
Gilbert Frade
Ecole des Mines de Paris
Abdellatif Guerraoui
Office Cherifien des Phosphates of Morocco
CONFERENCE CLOSING LUNCHEON

Moderator:
John P. Klus
University of Wisconsin-Madison

"Continuing Engineering Education - World Science"
John P. Klus
University of Wisconsin-Madison
