Institut de Paléontologie Humaine,
Paris, France
OLDEST HUMAN EXPANSIONS IN EURASIA:
FAVOURING AND LIMITING FACTORS

Oldest human expansions in Eurasia: Favouring and limiting factors
M.-H. Moncel

An archeological view for the presence of early humans in China
Y.M. Hou and L.X. Zhao

Palaeoenvironmental reconstruction of Dmanisi site (Georgia) based on palaeobotanical data
E. Messager, D. Lordkipanidze, E. Kvavadze, C.R. Ferring and P. Voinchet

Early Palaeolithic sites on the Taman Peninsula (Southern Azov Sea region, Russia): Bogatyri/Sinyaya Balka and Rodniki
V.E. Shchelinsky, A.E. Dodonov, V.S. Batigusheva, S.A. Kulakov, A.N. Simakova, A.S. Tesakov and V.V. Titov

Early hominin dispersals: A technological hypothesis for “out of Africa”

Technical and technological complexity in the beginning: The study of Dmanisi lithic assemblage
J. Baena, D. Lordkipanidze, F. Cuartero, R. Ferring, D. Zhvania, D. Martin, T. Sielka, G. Bidzinashvili, M. Roca and D. Rubio

The earliest hominin dispersals beyond Subsaharan Africa: A survey of underlying causes
N. Rolland

Out of Africa: The first evidence of Italian peninsula occupation
M. Arzarello and C. Peretto

Early European Mode 2 and the stone industry from the Caune de l’Arago’s archeostratigraphical levels “P”
D. Barsky and H. de Lumley

The challenge of direct dating old human fossils
R. Grin, M. Aubert, J. Hellstrom and M. Duval

An ancient continuous human presence in the Balkans and the beginnings of human settlement in western Eurasia: A Lower Pleistocene example of the Lower Palaeolithic levels in Kozarnika cave (North-western Bulgaria)

Geological setting of the lower Pleistocene fossil deposits of Chilhac (Haute-Loire, France)

Early Palaeolithic of Korolevo site (Transcarpathia, Ukraine)
L. Kou lakovska, V. Usik and P. Haesaerts

The Lower Palaeolithic of Ukraine: Current evidence
V. Stepanchuk, S. Ryzhov, L. Rekovets and Z. Matviishina

Contents continued on inside back cover

This Journal is abstracted in Geo Abstr. Curr ContlPhys Chem & Earth Sci & SCISEARCH. Also covered in the abstract and citation database SCOPUS®. Full text available on ScienceDirect®.

The earliest settlement of Germany: Is there anything out there?
M.N. Haidle and A.F. Pawlik

Mid-Pleistocene Acheulean industrial complex in the Iberian Peninsula
M. Santonja and A. Pérez-González

The early Pleistocene small vertebrate succession from the Orce region (Guadix-Baza Basin, SE Spain) and its bearing on the first human occupation of Europe
J. Agusti, H.-A. Blain, M. Furió, R. De Marfá and A. Santos-Cuhedo

Human peopling of Italian intramontane basins: The early Middle Pleistocene site of Pagliare di Sassa (L’Aquila, central Italy)

A scenario of human dispersal in the northwestern Mediterranean throughout the Early to Middle Pleistocene
M.R. Palombo

Longstanding biogeographic patterns and the dispersal of early Homo out of Africa and into Europe
J. van der Made and A. Mateos

Raw material discernment and technological aspects of the Barranco León and Fuente Nueva 3 stone assemblages (Orce southern Spain)
D. Barsky, V. Cellerti, D. Cauche, S. Grégoire, F. Lebègue, H. de Lumley and I. Toro-Moyano

New taphonomical approaches: The Javanese Pleistocene open-air sites (Sangiran, central Java)
A. Bouteaux and A.-M. Moigne

Large flake Acheulian
G. Sharon

Lower and Early Middle Pleistocene Acheulian in the Indian sub-continent
C. Gaillard, S. Mishra, M. Singh, S. Deo and R. Abbas

Large size cleaver-like flakes and Hobinhoidal elements from terminal Pleistocene to mid-Holocene epoch sites
V.S. Soni and A.S. Soni

Reply: Do not confuse large cutting tool types
C. Gaillard, S. Mishra, M. Singh, S. Deo and R. Abbas

Comment on ‘Lower and Early Middle Pleistocene Acheulian in the Indian sub-continent’ by Gaillard et al. (2009) (Quaternary International)
P.R. Chauhan

Reply to: “Comment on ‘lower and early Middle Pleistocene Acheulian in the Indian sub-continent’” by P. Chauhan
C. Gaillard, S. Mishra, M. Singh, S. Deo and R. Abbas

India and Java: Contrasting records, intimate connections
S. Mishra, C. Gaillard, C. Hertler, A.-M. Moigne and T. Simanjuntak

Large flake Acheulian in India: Implications for understanding lower Pleistocene human dispersals
S. Mishra, C. Gaillard, S. Deo, M. Singh, R. Abbas and N. Agrawal

Before Levallois
M. Otte

Solo man in question: Convergent views to split Indonesian Homo erectus in two categories
V. Zeitoun, F. Détroit, D. Grimaud-Hervé and H. Widianto

A 300-600ka ESR/U-series chronology of Acheulian sites in Western Europe

Oldest evidence of Acheulian occupation in the Upper Seine valley (France) from an MIS 11 tufa at La Celle

Quaternary volcano-lacustrine patterns and palaeobotanical data in southern Armenia

Beyond the Acheulian: A view on the Lower Paleolithic occupation of Western Eurasia
V. Doronichev and L. Golovanova

Contents continued on bm IV
Lower and middle Pleistocene human settlements in the Middle Loire River Basin, Centre Region, France
J. Despriée, P. Voinchet, H. Tissoux, M.-H. Moncel, M. Arzarello, S. Robin, J.-J. Bahain, C. Falguères, G. Courcimault,
J. Dépont, R. Gageonnet, L. Marquer, E. Messager, S. Abdessadok and S. Puaud

Tephro-stratigraphy and the age of ancient Southern Italian Acheulean settlements: The sites of Loreto and Notarchirico (Venosa, Basilicata, Italy)
D. Lefèvre, J.-P. Raynal, G. Vernet, G. Kieffer and M. Piperno

Hominid Cave at Thomas Quarry I (Casablanca, Morocco): Recent findings and their context
P. Tuffreau, M. Zouak, R. Grün, E.J. Rhodes, S. Eggins, C. Dujuereard, P. Fernandes, R. Gallotti, S. Hossini and
A. Quefelec

The first human occupations in southwestern France: A revised summary twenty years after the Abbeville/Saint Riquier colloquium
A. Turq, M. Brenet, D. Colonge, M. Jarry, L.-A. Lelouvier, M. O'Farrell and J. Jaubert

The earliest Pleistocene archaeological sites in western Iberia: Present evidence and research prospects
L. Oosterbeek, S. Grimaldi, P. Rosina, S. Cura, P. P. Cunha and A. Martins

Evidence for the earliest Pleistocene hominid activity in the Nihewan Basin of northern China
S. G. Keates

The palaeolithic in Indonesia: Nature and chronology
T. Simanjuntak, F. Sémah and C. Gaillard

First human settlement of the Caucasus: Technical behavior and raw material acquisition at Dmanisi, Georgia (1.77 Ma)
A. Mgeladze, D. Lordkipanidze, M.-H. Moncel, J. Despriée, R. Chagelishvili, M. Niordzade and G. Niordzade

Reconstructing the African background to human expansions in Eurasia: New research in the Shungura Formation, Ethiopia
J.-R. Boissier, A. Delagnes, Y. Beyene and M. Schuster

The role of culture in early expansions of humans – A new research center
and V. Mosbrugger

New human evidence of the Early Pleistocene settlement of Europe, from Sima del Elefante site (Sierra de Atapuerca,
Burgos, Spain)

Was Anatolia a bridge or a barrier to early hominin dispersals?
S. L. Kuhn

Early North Africa: Chronology, ecology, and hominin behavior: Insights from Ain Hanech and El-Kherba, northeastern Algeria
M. Sahmouni, J. van der Made and M. Everett

Out of Asia: The initial colonisation of Europe in the Early and Middle Pleistocene
R. W. Dennell, M. Martínón-Torres and J. M. Bermúdez de Castro

Acheulean handaxes from Fengshudao, Bose sites of South China
P. Zhang, W. Huang and W. Wang

The lower Palaeolithic record in the Philippines
E. Z. Dizon and A. F. Pawlik

Landscapes and Hominids' environments: Changes between the Lower and the Early Middle Pleistocene in Java (Indonesia)
A.-M. Sémah, F. Sémah, T. Djubiantono and B. Brasseur

Oldest Acheulean settlements in Northern France
A. Tuffreau and A. Lamotte

Chronostratigraphy and palaeoenvironments of Acheulean occupations in Northern France (Sonne, Seine and Yonne valleys)
and P. Voinchet

Continuity or discontinuity of the ‘Acheulean tradition’ through the middle Pleistocene? The example of the Mont-Enot site at Saint-Pierre-lès-Elbeuf, Seine-Maritime, France
M. Leroyer and D. Clignet

The southern Po plain area (Italy) in the mid-late Pleistocene: Human occupation and technical behaviours
F. Fontana, G. Nenzioni and C. Peretto

Acheulean environmental evolution in the Nihewan Basin and implication for early human colonization of North China
H. Ao, C. Deng, M.-J. Dekkers, Y. Sun, Q. Liu and R. Zhu
