3rd International Conference on Theory and Practice of Electronic Governance

(ICEGOV 2009)

ACM International Conference Proceedings Series Volume 322

Bogota, Colombia
10-13 November 2009

Editors:

Tomasz Janowski                Jim Davies

ISBN: 978-1-61738-051-8
# Table of Contents

Foreword iii
Table of Contents v
Organization x

## Invited Contributions
  Matthias Finger (Technology Policy Institute, Ecole Polytechnique Federale Lausanne, Switzerland)
- E-Government Based on Cloud Computing and Service-Oriented Architecture 5
  Wojciech Celiary and Sergiusz Strykowski (Poznan University of Economics, Poland)
- Architecting the Connected Government: Practices and Innovations in Singapore 11
  Pallab Saha (National University of Singapore, Singapore)

## Workshop 1 - Architecture and Interoperability
- Enabling Flexible Processes by ECA Orchestration Architecture 19
  Yiwei Gong, Marijn Janssen, Sietse Overbeek and Arre Zuurmond (Delft University of Technology, Netherlands)
- A Semantic-Based Architecture for Supporting Geographic e-Services 27
  Agustina Buccella and Alejandra Cechich (GIISCO Research Group, Universidad Nacional del Comahue, Argentina)
- SOA for e-Governance in India: Potentials and Pitfalls 36
  Rama Krishna Das (National Informatics Centre, India)
  Manas Ranjan Patra (Berhampur University, India)

## Workshop 2 - Collaboration and Information Sharing
- Leadership Behaviors in Cross-boundary Information Sharing and Integration: Comparing the US and China 43
  Lei Zheng (Department of Public Administration, Fudan University, China)
  Sharon Dawes and Theresa A. Pardo (Center for Technology in Government, University at Albany, SUNY, USA)
- The Research of Government Collaboration Patterns Based on the Government Information Resource Interchange Framework 51
  Cheng Jun, Huang Xiaobin and Peng Kai (Beijing Information Resources Management Center, China)
  Saulo Daza (Ministry of Information and Communication Technology, Colombia)

## Workshop 3 - Knowledge Management
  Demetrios Sarantis, Yannis Charalabidis and Dimitris Askounis (National Technical University of Athens, Greece)
- Intelligent Project Approval Cycle for Local Government – Case-Based Reasoning Approach 68
  Mohammed K. Farooq, Malik Jahan Khan, Shafay Shamail and Mian M Awais (LUMS DHA, Pakistan)
- A Web-based Performance Monitoring System for e-Government Services 74
  Simon Fong and Ho Si Meng (Department of Computer and Information Science, University of Macau, Macau SAR)

## Workshop 4 - e-Policy
- Futuring e-Government: Governance and Policy Implications for Designing an ICT-enabled Knowledge Society 83
  Gianluca Misuraca (College of Management of Technology, Swiss Federal Institute of Technology in Lausanne, Switzerland)
- The Strategic Planning and ICT in the Brazilian Justice 91
  Andre Andrade (Fundaçao Getulio Vargas, Brazil)
- Techno-legal Culture 97
  Vladimir Alexander Navarro Herrera (Colombia)
Workshop 5 - e-Participation

- Evaluating and Improving e-Participation in Istanbul
  Itir Akdoğan (University of Helsinki, Finland) .......................................................... 103
- Models for Citizen Engagement in Latin America – Case Studies of Public Digital Budgeting
  Ricardo Matheus and Manuela Maia Ribeiro (University of São Paulo, Brazil) .................. 109
- Citizen Participation through the Web: e-Democracy in Monteria
  Darling Solano Oviedo, Ligia Pérez Negrete and Oswaldo Vélez Langs (Universidad del Sínd, Colombia) .......................................................... 117

Workshop 6 - e-Taxation

- GIF: A Web-based System for Tax Management and Fiscal Intelligence in Municipal Tax Administration
  Francisco Assis M. Nascimento, Fernando Lehnen, Morecy V. Moré and Salomão A. Leizer (Intellit, Brazil) .......................................................... 127
- E-Taxation in Mongolia: Current State, Lessons Learnt and Future Challenges
  Uyanga Sambuu (National University of Mongolia, Mongolia)........................................ 134
  Enkhtuya Dandar (General Department of National Taxation, Mongolia) ......................
- Argentine Subnational Case and Chilean National Case of Revenue Internet Services: Is There a New e-Tax Benchmark arising in South America?
  Javier Carranza-Tresoldi (Argentina) ............................................................................ 138

Session 1 - e-Diffusion

- E-Governance Diffusion in Nigeria: The Case for Citizens’ Demand
  Sanjo Faniran (National Planning Commission, Nigeria).............................................. 145
  Kayode Olaniani (National Graduate Institute for Policy Studies, Japan) .................
  Paul Kariki (School of Development Studies, UKZN, South Africa) ............................ 150
- Managing Rural Citizen Interfaces in e-Governance Systems: A Study in Indian Context
  Harekrishna Misra (Institute of Rural Management Anand, India) ............................... 155

Session 2 - Methodologies

- Issues and Strategies for Conducting Cross-National e-Government Comparative Research
  Mohammed A. Gharawi (Department of Informatics, University at Albany, SUNY, USA) .......................................................... 163
  Theresa A. Pardo (Center for Technology in Government, University at Albany, SUNY, USA)
  Santiago Guerrero (Rockefeller College of Public Affairs and Policy, University at Albany, SUNY, USA)
- Making Smart IT Choices: A Bridge between Theory and Practice
  Santiago Guerrero (Rockefeller College of Public Affairs and Policy, University at Albany, SUNY, USA) .......................................................... 171
  Erne Suzila Kassim (Universiti Teknologi MARA Malaysia, Malaysia) ....................... 176
  Husnayati Hussain (International Islamic University Malaysia, Malaysia) .............

Session 3 – Implementation Planning

- Using the Actor-Network Theory to Interpret e-Government Implementation Barriers
  Majid Ayyad (NextLevel Technology Systems, Palestine) ........................................ 183
- Shifting Shores: Investigating how the Shift from Electronic to Mobile Government Interacts with the Development Practice in Kenya
  Timothy Mwololo Waema (University of Nairobi, Kenya) ........................................ 191
  Jason Muthama Musyoka (Synovate Kenya, Kenya)
- Managing the Implementation of the Government Online Strategy in Colombia
  Francisco Camargo (Ministry of Information and Communication Technology, Colombia) .......................................................... 198
### Session 4 – e-Democracy

- Towards Long-Term Free and Secret Electronic Elections Providing Voter-Verifiability in the Bulletin Board Model
  - Lucie Langer (TU Darmstadt, Germany)
  - Melanie Volkamer (CASED, Germany)
  - Stefan G. Weber, Axel Schmidt and Johannes Buchmann (TU Darmstadt, Germany)
- e-Democracy and Inclusion: the Role for Government Agencies in Mobilizing Participation
  - Camilo Cristancho Mantilla (Universitat Autònoma de Barcelona, Spain)
- The Electronic Ombudsman
  - José María Lezcano and Noemi Olivera (Facultad de Ciencias Jurídicas y Sociales, UNLP, Argentina)

### Session 5 – Models and Frameworks

- Holistic Development of Online Public Services
  - Flavio Corradini, Alberto Polzonetti and Oliviero Riganelli (University of Camerino, Italy)
- A Study on Government-dominated e-Government Outsourcing Model
  - Jianhua Gao (Information Center of AQSIQ, China)
  - Wensheng Yang and Guixi Fang (Beijing iTownNet Cyber Technology Ltd, China)
- MuNet, A New Way to Improve Municipalities
  - Diego Cardona (Uninorte, Colombia)
  - Miguel Porrua (Organization of American States, USA)
  - Javier Saenz (MuNET II Project, Argentina)
  - Marcelo Lasagna (Fundación Buengobierno, Chile)
  - Silvana Rubino (Inter-American Development Bank, USA)
  - Florencia Ferrer (E-Stratègia Pública, Brazil)

### Session 6 – Implementation Strategies

- india.gov.in - India’s Approach in Constructing a One-Stop-Solution Towards e-Government
  - Neeta Verma and Alka Mishra (National Informatics Centre, India)
- Case Study: Crowdsourcing for e-Governance
  - Neeta Shah (Gujarat Informatics Limited, India)
  - Ashutosh Dhanesha (Management Consultant, India)
  - Dravida Seetharam (IBM India Private Limited, India)
- E-Government Initiatives and Universal Service Program: Achievements and Key Issues in Mongolia
  - T. Naranmandakh (Communications Regulatory Commission of Mongolia, Mongolia)

### Session 7 – Social Applications

- E-Governance: Lessons from the Capacity Building Project and Online Registration of Teachers in Nigeria
  - Addison Mark Wokocha and Steve Nwokeocha (Teachers Registration Council of Nigeria, Nigeria)
- Usage of Information Technology for the Purpose of Health Education in Sri Lanka
  - Mahinda Kommalage (University of Ruhuna, Sri Lanka)
- Telemedicine in Brazilian Public Policy Management
  - Ricardo Matheus and Manuella Maia Ribeiro (University of São Paulo, Brazil)

### Session 8 – Standards and Guidelines

- Guidelines for Indian Government Websites – Standards for Enhancing Web Usability
  - Neeta Verma and Lokesh Joshi (National Informatics Centre, India)
- Search Engine Visibility of National Tourism Promotion Websites: A Case of Nepal
  - Bimal Pratap Shah (Orebro University, Sweden)
- A Comparison between Cadastre 2014 and Cadastral Systems of Different Countries
  - Sajid Manzoor, Taizur A. Qureshi, Muhammad D. Liaqat, Muhammad K. Farooq and Shafay Shamail (LUMS, Pakistan)
Session 9 – Infrastructure
- Design and Implementation of an Electronic Signature Solution in the Justice Area
  Juan M. Luzuriaga, Rodolfo Martínez (Poder Judicial de la Provincia de Neuquén, Argentina)
  Alejandra Cecich (Universidad del Comahue, Argentina)
- Ghana’s Community Information Centers (CiCs): e-Governance Success or Mirage?
  Johanna Ekua Awoori (Centre for e-Governance, Ghana)
  George Owusu (University of Ghana, Ghana)
- Functioning of Rural Tele-Centers in Nepal: A Case Study of Kavre Tele-Centre
  Swoyambhu Man Amatya (Ministry of Science and Technology, Nepal)

Session 10 – Other Applications
- From the Internet for Accountability Project to the Territorial e-Government Strategy in Colombia
  Julían Casasbuenas G., Alejandro Barrera G. and Olga P. Paz M. (Colnodo, Colombia)
- Design of a Web-based Tendering System for e-Government Procurement
  Simon Fong and Zhuang Yan (University of Macau, Macao SAR)
- Issues in National Identification Database System of Nepal
  Ganesh Prasad Adhikari (NID, Nepal)

Session 11 – Legal and Regulatory Issues
- National Do Not Call Registry in India: A Step towards Restricting Unsolicited Telemarketing Calls
  Shefali S. Dash and I.P.S. Sethi (National Informatics Centre, India)
- Enabling Citizens to Leverage the Provisions of the RTI Act of India: An ICT Driven Case Study
  Neeta Verma, D. P. Misra (National Informatics Centre, India)
  Pankaj K.P. Shreyaskar (Central Information Commission, India)
  M. Kamala Kannan (National Informatics Centre, India)

Session 12 – Maturity Models
- Improving Governance with e-Government Maturity Model
  Cristina Zerpa (AGESIC, Uruguay)
- Online Government Strategy Development Model for Interactional and Transactional Phases in the Territorial Order
  Marco Peres, Felipe Guzmán and Teylor Valbuena (Universidad Externado de Colombia, Colombia)
- Extended Measurement Framework for Analyzing e-Governance Situation in Different Countries
  Rocío Andrea Rodríguez, Daniel Alberto Giulianelli and Pablo Martín Vera (National University of La Matanza, Argentina)

Demos and Posters
- Fostering Community Interaction through the Trivandrum City Police Portal
  Venkatesh Choppella (Institute of Information Technology and Management – Kerala, India)
  K.R. Srinivasan (Indira Gandhi National Open University, India)
- Public Sector IT Governance: From Frameworks to Action
  Anna Raup-Kounovsky, Jana Hrdinová, Donna S. Canestraro and Theresa A. Pardo (Center for Technology in Government, USA)
- Framework of e-Governance at the Local Government Level
  Hakikur Rahman (SchoolNet Foundation, Bangladesh)
- UNL: A Novel Initiative for Bridging Digital Divide
  Sohag Sendar Nanda, Sanghamitra Mohanty and Soumya Mishra (Utkal University, India)
- Study on the Outsourcing Management of e-Government in China
  Jiang Yuanfu (National School of Administration, China)
  Liu Jiazhen, Du Peng (Wuhan University, China)
  Yu Tan (Hunan University, China)
