Global Learning Asia Pacific 2011
Global Conference on Learning and Technology

March 28 – April 1, 2011
Melbourne, Australia

Editors
Siew-Mee Barton
John Hedberg
Katsuaki Suzuki

Volume 4

Association for the Advancement of Computing in Education
A CONFERENCE OF AACE
www.aace.org
Life at the Interface: Some Pedagogical Significances of Human-Technology Relations .......... 1710
Catherine Adams, University of Alberta, Canada

Facebook and gendered views of ICT ........................................................................... 1718
Helen Forgasz, Gilah Leder, Hazel Tan, Monash University, Australia

Young People, the Internet and Agency ........................................................................ 1728
Luciano Pangrazio, Graduate School of Education, The University of Melbourne, Australia

Murder under the Microscope - a model for best practice .............................................. 1738
Catherine Nielsen, NSW Department of Education and Training, Australia

eLearning: a means to widen the opportunity for malnutrition education .......................... 1751
Sunhea Choi, University of Southampton, UK; Reginald Annon, International Malnutrition Task Force, UK
Virtual Field Trip Learning Model with Inquiry learning and Critical Thinking process: Perspective from Science teachers Synthesis

Joemjan Srirumruee, Praveena Praveena Suwanmathchako, Pimpan Dechakupt, Faculty of Education, Chulalongkorn University Thailand, Thailand

Web 2.0 Technologies in Higher Education

Vasanthi Velmurthi, Tshwane University of Technology, South Africa

Applying Blogs into Reading Instruction for Primary School Students

Downing Yeh, Ju-Ji Lai, National Kaohsiung Normal University, Taiwan

The Effect of Blended Learning on Students Mathematics Learning

Esmaeil Zavarki, Ehsan Toofaninejad, Rouzbah Educational Complex, Iran (Islamic Republic Of)

Mirroring Lecturer-Student Interaction in Student-System Interaction in an Affective Dynamic Aesthetic Interface Web-based Learning System

Zuriana Abu Bakar, Ralf Muhlberger, University of Queensland, Australia

Online Learning Strategies: Cost effective, accessible quality education

Lamya AlAbdulkarim, King Saud University, Saudi Arabia

Attitudes of university academic staff toward in-service training via the internet in Saudi Arabia

Abdulmohsen Alghadyan, Al-Imam Muhammad Ibn Saud Islamic University, Saudi Arabia

The Development of Online Lesson Using Learning Management

Parichat Buacharoen, Rajamangala University of Technology Lanna, Thailand

Improving Learning of Procedural Computer-based Tasks: A Preliminary Study

Chun-Ying Chen, Center of General Education, National Tainan University of Education, Taiwan; Ren-Yu Liao, Graduate School of Strategic Management of Small & Medium Enterprise, TransWorld University, Taiwan

Teaching Counseling Skills Online: Faculty Perspectives and Innovations

Gina Cicco, St. John’s University, USA

Online Learners' Perceptions of Online Tutors' Feedback

Maria del Carmen Consuegra, Universidad Nacional Autonoma de Mexico; Foreign Language Center, Mexico

Analysis of Intravenous Injection Nurse Development Program Online Mock Examination Logs using Item Response Theory

Yuriko Fujino, Kyushu University Hospital, Japan; Hitoshi Inoue, Kyushu University, Japan; Michiko Tanaka, Takako Nakahata, Kyushu University Hospital, Japan

The Effectiveness of E-Learning: An Experimental Study in an university in Taiwan

Chianyi Ju, Shu-Te University, Taiwan

Development of a mindtool-based scaffolded reading instruction system with evidence-based intervention to enhance critical reading and critical thinking skills of sixth grade students with reading difficulties

Chattrawan Lanchwathanakorn, Faculty of Education Chulalongkorn University, Thailand, Thailand

The Online Adjunct in Higher Education: A Delphi Study

Marie Larcara, Canisius College, USA

Online Interactions for Student Satisfaction: Going Online to Increase Math & Science Teachers in Hawaii

Peter Leong, Curtis Ho, Ritsuko Iyoda, University of Hawaii-Manoa, USA

Sustainability of e-Learning Environment: Media Richness and Social Presence

Fezile Masebula, Raymond Kekwalese, Tshwane University of Technology, South Africa

Ethnicity and Student Perceptions on Effectiveness, Accessibility, and Preferability of Online Courses.

Brian Moseley, William Pruitt, Luka Ngoyi, Samuel Jennings, Virginia Polytechnic Institute and State University, USA

Developing teacher presence in online courses

Penny Neumendorf, Canberra Institute of Technology, Australia; Kristin Waters, ATTC, Australia; Khaison Duong, University of Southern Queensland, Italy

Improving Graduate School Education by means of Multimedia Course Contents

Vaise Patu, Satoru Oozawa, Atsushi Minato, Hiroshi Noguchi, Ibaraki Univ., Japan

AVATAR Course: Experience Report of an Interdisciplinary and Intercultural Journey

Maja Pivec, FH JOANNEUM, Austria

Aboriginal E-learning in Canada: What Works?

Dennis Sharpe, David Philpott, Monique Bourgeois, Memorial University of Newfoundland, Canada

Investigating the Impact of Online ICT Tools in Government Sector Training: Towards Overcoming Barriers to Web-mediated Learning

xiii
Design principles for on-line training of regulatory staff .................................................. 2066
Anita Wyntje, Dept of Agriculture and Food, WA, Australia
Exploring Help Seeking for Different Goal Orientation Attitude Student on the Cloud Computing Services Context ................................................................. 2073
Ejean Wu, Shu-Ching Yang, National Sun-Yan-Yen University, Taiwan
Utilization of e-Learning Tools, Virtual Machines, & Open Source Software to Enhance Graduate Systems Engineering Programs ........................................ 2088
Maurice Davison, Morgan State University, USA; Darrell Burrell, Virginia International University, USA; William Emanuel, Morgan State University, USA
Do e-learning applications click with students globally? A study of the development and adoption of WriteCite.com ............................................................. 2092
Michael Hargreaves, QUT Business School, Australia
The Challenges in the Design and Delivery of Online Youth Leadership Award Training for the Asia Pacific Region ...................................................... 2098
Tony Hughes, The International Award for Young People, Australia
Design and Develop an Innovative Online Learning Environment .................................. 2112
Abtar Kaur, Zoraimi Abas, Open University Malaysia, Malaysia
Covering the Bases and Hitting a Home Run-Matching Technology to Learners in an Online Mathematics Classroom ........................................... 2114
Denise LeGrand, University of Arkansas at Little Rock, USA
Creating University Clusters with live CRWs for the Digital Divide .................................. 2115
Roberts Mustamani, Rabindra Kumar Singh, Hindustan Institute of Technology & Science, India
Themes and Strategies for Transformative Online Instruction: A Review of Literature ..... 2121
Robert Mayes, University of Wyoming, USA
Interactive Video for the Correction of Old Exam Papers in Distance Learning and its Transition to Campus ................................................................. 2131
Antoine Ranziz, Pierre Jarraud, Agnès Pruvost, Université Pierre et Marie Curie, France
Title A National Teaching and Research Open University for Cambodia Themes Teaching, Learning and Research in Cambodia’s 21st century Higher Education Institutions. Challenges to the Pedagogy and the Impact of information technologies .................................................. 2140
Suon Sokoeun, Michael Parer, Developing Cambodia by Degrees, Cambodia; Kong Sidaroth, Open Institute Cambodia and The University of Melbourne, Cambodia
Reading and Writing Improvement Through Web-Based Structure Strategy Training in Elementary and Middle Schools ........................................ 2148
Kay Wijekumar, The Pennsylvania State University, USA
The Effect Of Video Based Mobile Learning On Students’ Writing Skill .......................... 2153
Asra Asra, University of Malaysia, Malaysia; Aliftriani Siregar, Faculty of Education, University of Malaysia, Malaysia; Saedah Siraj, Faculty of Education, University of Malaya, Malaysia; Siti Aishah Hashim Al, University of Malaya, Malaysia
Learn as you go .................................................................................................................... 2159
Terry McGovern, Gerry Gingrich, National Defense University, USA
Rethinking Development and the Use of Mobile Technologies: Lessons from Bangladesh ...... 2163
Christopher Walsh, Tom Power, The Open University, UK
Investigating the Interactive Effects of Cognitive Preference and Online Museum Exhibits: Validating the Assessment Instruments ........................................ 2173
Asmidah Alwi, Elspeth McKay, RMIT University, Australia
Going Global: Preparing Students for Careers in the Global Apparel Industry
... A Virtual Multinational Team-Based Collaborative Project ........................................ 2181
Arnold Andreo, RMIT University, Australia; Bertha Jacobs, University of Pretoria, South Africa; Elena Karpova, Iowa State University, USA
Knowledge Creation Process in Virtual Learning Communities for Online Scholar Communities 2187
Bunchoo Bunlikhitsiri, Faculty of Education, Chulalongkorn University, Thailand
Learning Strategies to Engage in Quality Interaction in Computer Conferencing ................ 2193
Chin-Ting Chen, Center of General Education, National Taichung University of Education, Taiwan; Ren-Yu Liao, Graduate School of Strategic Management of Small & Medium Enterprise, Trans World University, Taiwan
A Critical Pedagogy Approach to Online Education:
What we Learned from a U.S./South African Course ............................................. 2199
Christopher Devers, University of San Diego, USA
Assessment of Students’ Success in Internet-Based Distance Learning
Selim Gönle, Anadolu University, Turkey

Perspectives on Online Learning and Teaching in Higher Education
Jared Keengwe, Gary Schnellert, University of North Dakota, USA

E-Consultation – online Video Consultation
with Experts
Radek Kratochvíl, Vladimir Douda, Mária Jánešová, Jiri Vopava, University of Prague (ČFUT FD), Czech Republic

Reasons for Considering Cognitive Load and a Learner's Cognitive Preferences in Web-mediated Instruction
Marlina Mohamad, Elspeth McKay, RMIT University, Australia

Does Teaching Presence Change Over Time?
Petrea Redmond, University of Southern Queensland, Australia; Jennifer V. Lock, University of Calgary, Canada

Online Learning Environment in Mathematics via a Pedagogical Progression Model of Moodle
Bibhya Sharma, Anjeela Jokhan, Avinesh Prasad, University of the South Pacific, Fiji

Persistence at e-Learning in a China Corporate Training Context
Stacey M. M. Shirra, University of Nottingham, Hong Kong; Gregg Orr, University of Texas, USA

Planning Strategies for the Use of Off-Site Faculty for Online Courses
Barbara Stewart, Carole Goodson, Susan Mierschin, University of Houston, Australia

Achieving Course Goals in an Undergraduate Healthcare Ethics Course: A Comparison of Three Course Delivery Methods
Shawna Strickland, University of Missouri, USA

Adopting Second Life: Lessons Learned Thus Far
Patrick Tse, The World Bank, USA

Conducting Training Using Second Life in Developing Countries
Patrick Tse, The World Bank, USA
