A Cusp Catastrophe Model Using Financial Parameters to Interpretation of Firm Growth
APICHANANGKUL Yingluck, ZHANG Tie-nan, Harbin Engineering University

Disclosure Level, Information Asymmetry, Cost of Capital and Capital Structure
LIU Shan-cun, NIU Wei-ning, Beijing University of Aeronautics and Astronautics

Research on Daily Exchange Rate Forecasting with Multivariate Singular Spectrum Analysis
ZHANG Yi, HU Xiaofeng, Harbin Institute of Technology

Financial Restatement of Listed Company and Auditor Change
HU Nan-wei, China University of Mining & Technology;
CAO Qiang, Central University of Finance and Economics;
ZHENG Lu-lu, China University of Mining & Technology

Comparative Analysis of Scholarly Accounting Thought in the Past Four Decades
WANG Yang, China University of Mining & Technology (Beijing);
LI Yan-xi, Dalian University of Technology;
ZHENG Chun-yuan, Bank of Beijing

Renminbi Exchange Rate Pass-through onto Prices of China’s Agricultural Exports to U.S.A.
and Implications for Exchange Rate Policy
QIN Zhen, Huazhong Agricultural University;
NI Yan, Hubei Academy of Social Sciences, Zhongnan University of Economics and Law

Research on Simple Moving Average Trading System Based on SVM
HUI Xiaofeng, WU Ya-jun, Harbin Institute of Technology

Maximum-Entropy-Based Operational Risk Loss Distribution Estimation of Commercial Banks
SHEN Pei-long, JIA Wen-ting, Shanxi University of Finance & Economics
0206 Statistical Analysis of the Independent Director’s “Discourse Power” in Chinese Listed Companies
WANG Peng, Xi'an International Studies University; ZHANG Jun-rui, DONG Zhe, Xi'an Jiaotong University
1404

0207 Earnings Management Using Disposal of Assets: Empirical Evidence from Chinese Listed Companies
CHENG Fu, WANG Fu-sheng, JI Shan-shan, Harbin Institute of Technology
1413

0208 Financial Constraints and Stock Returns: Evidence from Stock Market in China
LING Zhi-xiong, CHEN Si-yu, Hunan University of China
1422

0209 Determinants of the Technical Efficiency for Chinese Commercial Banks during the Financial Crisis
GE Hong, YANG Xiao-tong, HAN Wei-yi, Harbin Institute of Technology
1429

0210 External Governance Environment, Corporate Governance and Earnings Management
YAO Hong, ZHENG Hao-yang, LI Yi-wei, Dalian University of Technology
1436

0211 An Incomplete Game Analysis on Information Disclosure of Internal Control
LIU Yan, YAO Shu-zhong, Liaoning University
1445

0212 The Relation between Index Futures Intraday Price Discovery and Exchanges Regulations
YU Fang, KOU Yi, TONG Wei-min, YE Qiang, Harbin Institute of Technology
1451

0213 The Research on Cultural Property Right Exchange Guarantee Business Risk
LI Quan, WANG Chang-shou, Xi'an Technological University
1459

0214 Strategic Cost Management Calculation and Evaluation from the View of Activity-Based Costing Method
WANG Ming-ming, HAN Dong-ping, Harbin Institute of Technology
1466

0215 The Influence Factors on Chinese Tax Growth of Analysis
GUO Bin, HOU Long-qiang, University of Science and Technology Liaoning
1473

0216 The Risk Warning Model of Auditing Immune System: Based on Data Envelopment Analysis
HUANG Jin-zhi, Harbin Engineering University; HUANG Yi, Northeastern University; DOU Lin-lin, Heilongjiang Vocational College
1478

0217 The Effects of Derivative Hedging on Firm' Financial Activity —— An Evidence from Chinese Listed Companies
CHEN Yin, ZHANG Xiao-qin, Zhejiang Gongshang University
1484

0218 The Performance of Chinese Seasoned Equity Offerings after Equity Division Reform
WANG Xiao-wei, NING Rui-hai, Harbin Institute of Technology
1491

0219 Study on the Relationship between Exchange Rate Fluctuation and Stock Return: Evidence from Listed Companies in China
PAN Ya-qiong, TANG Chuan-bao, Wuhan University of Science and Technology
1497

0220 The Comparative Study of Regional Financial Ecosystem Efficiency in China Based on the VRS-DEA Model
YANG Fang, DAI Shuo-yin, Hohai University
1502

0221 Empirical Study on Board Characteristics and Agency Costs
TAO Ping, HU Jie-qiong, Harbin Institute of Technology
1509

0222 Research in Financial Risk Prediction on Biochemical Industry of China Listed Companies
LI Qi-zhi, SHI Wen-chao, University of Science and Technology Liaoning
1517

0223 A Study on the Weekday Effect and Leverage Effect on CSI-300 Index Futures Volatility according to Expanded Conditional Autoregressive Range Model of Application
ZHANG Su-lin, Chongqing University of Technology
1522

0224 Planning for Cross-Border M&A of “Mono-tax” Company
LI Xiu-hua, Harbin Institute of Technology
1528
A Comparison of Sell-off and Spin-off Strategies and a Discussion on Feasibility of Spin-offs in China’s Security Market

HAN Ling-li, QIU Hua-ming, Zhejiang University of Finance and Economics

Research on Sampling Method of Tax-checking Based on Neural Network

WANG Guang-liang, Harbin Institute of Technology

Bayesian Analysis of the Risk Management of China’s Futures Markets
—— A Tobit-GJR-GARCH Model Based Study

LIU Shao-hua, Huazhong University of Science and Technology

The Research on Determinants of Capital Structure Based on Fractal Dimensionality Reduction

ZHANG Yue-chun, Nanjing Agricultural University, Jinling Institute of Technology;
LI Guan-shui, Jinling Institute of Technology

An Examination of CAPM Based on Data from Shenzhen Stock Exchange

LIU Feng-jun, Honghe University

Optimal Patent Licensing Strategy in Patent Litigation

XUE Ming-Gao, SU Li-li, Huazhong University of Science and Technology

Study on Mechanism of Resource Constraints, Technology Spillovers and Economic Growth
—— Based upon the Perspective of Trade Liberalization

ZHENG Yong-jie, QI Zhong-ying, YANG Rui-rui, Harbin Institute of Technology

Study on Influential Factors of Low-carbon Performance of Manufacturing Green Innovation System

BI Ke-xin, Harbin University of Science and Technology, Harbin Engineering University;
YANG Shu-fang, LI Jian, Harbin University of Science and Technology

Research on the Performance of Innovation Subjects in Different Innovation Models

XIA En-jun, ZHANG Ming, ZHU Huai-jia, JIA Shu-nan, Beijing Institute of Technology

How Technology Management Affects the Development of Service Industries:
A Case Study of China’s Telecommunications Industry

WU Wei-wei, YU Bo, WU Chong, LIU Tong, Harbin Institute of Technology

Analysis on Nurtured Innovation Niches with SNM:
A Case Study of Biomass Gasification in Heilongjiang Province

SUN Bing, XI Xi, Harbin Engineering University

Research on the Relationship between Board Diversity and Firm Technological Innovation

LI Xiao-qing, Yanshan University, Nankai University;
ZHOU Jian, Nankai University

Study on the Knowledge Network and Innovation Mechanism of Incubators

ZHONG Qi, Dongbei University of Finance and Economics

Research on Catch-Up Mode of Low-Carbon Technology in China

HUANG Ping, Harbin University of Engineering;
BI Ke-xin, Harbin University of Engineering, Harbin University of Science and Technology

Research on the Mechanism and Influencing Factors on the Cooperative Technological Innovation between Equipment Manufacturing Enterprises and High-tech Enterprises

WANG Li-jing, QI Liang-qun, LIU Kun, Harbin University of Science and Technology

Game Analysis of Enterprise Innovation Behavior Based on Technology Spillovers

ZHANG Zhong-hua, Harbin Institute of Technology, Hei Long Jiang University;
JU Xiao-feng, Harbin Institute of Technology
0241 An Empirical Study on the Dynamic Relationship between Technology Standard, Technological Innovation and Economic Growth
ZHAO Shu-kuann, YU Hai-qing, Jilin University...........................................................................1646
0242 Research on Technology Selection for Enterprises with Tools of Patent Analysis
WANG Yan-ling, Wuhan University..............................................................................................1651
0243 Ecological Value Assessment and Compensation in the Process of Coal Resources Development
ZHANG Qian, Harbin Institute of Technology, Heilongjiang Institute of Science and Technology;
QU Shi-you, Harbin Institute of Technology..................................................................................1658
0244 Study on the Technology Innovation of Volcanic Rocks Petroleum Fracturing in China
LI Tuo-chen, DING Ying-ying, Harbin Engineering University......................................................1666
0245 Research on Model of Cooperative Technology Service Based on Genetic Fusion Algorithm
YU Tian-biao, DING Jun-mei, SONG Ya-hong, WANG Na, WANG Wan-shan,
Northeastern University..................................................................................................................1673
0246 Do Research Organizations Have Generic Strategies? : Cases from China
XIAO Jian-hua, LI Ya-nan, NIU Yu-ying, Graduate University of Chinese Academy of Sciences......1680
ZHAO Shu-rong, CHENG Shao-pei, University of Electronic Science and Technology of China........1686
0248 Study on Selection of Partner Selection on Enterprise’s Cooperative Innovation
——Based on PSO Fixed Weight and Ameliorated TOPSIS Method
HAN Guo-yuan, CHEN Wei, FENG Zhi-jun, QIN Yuan, Harbin Engineering University.................1692
0249 Measurement of the Energy Saving Rate of Technological Progress
ZHANG Rui, DING Ri-jia, China University of Mining and Technology (Beijing)..............................1699
0250 Industry Regulation’s Effect on the Enterprise Performance: From the Evidence of CPL
YANG Yi, LIN Yan-duo, Xi’an University of Technology;
WANG De-long, CNPC Logging Co..............................................................................................1705
0251 On the Embodied Energy Estimation and Analysis of the Exported Products of Beijing
LI Xin, Beijing Institute of Petrochemical Technology;
WANG Yan-quan, Beijing University of Chemical Technology....................................................1713
0252 The Technology Progress Effects of Outward Foreign Direct Investment: Evidence from China
LI Ping, SU Wen-zhe, Shandong University of Technology...............................................................1720
0253 A Comparative Research on the Technology Innovation Competitiveness of the Regional High-tech Industry Based on AHP Approach in China
LIU Zhen, Zhengzhou Institute of Aeronautical Industry Management............................................1726
0254 The Provincial Energy-saving and Emission Reduction Evaluation Based on Fuzzy Hierarchy Estimation
WU Guo-hua, CHONG Yi, Shandong University of Finance and Economics....................................1734
0255 Evaluation and Research on Innovation Capability in Agricultural S&T of Districts (counties) of Beijing Based on Super-efficient DEA & PCA Model
HU Bao-gui, Beijing University of Agriculture;
LI Jiao, Inner Mongolia Hongjinhou Government Offices;
DENG Rang, Beijing University of Agriculture;
FANG Hui, Beijing Orient Agribusiness Consultant Ltd................................................................1741
0256 Comprehensive Evaluation on Multi-level Regional Innovation
Based on TOPSIS Algorithm with AHP Weights Scheme
GAO Fa-qun, Jilin Business and Technology College;
LI Ning, China University of Petroleum (East);
NAN Yu-fan, Changchun Institute of Technology............................................................................1748
Part Nine  Modernization and Globalization of Building Industry and Estate Management
Transportation Planning and Management

0261 Using Analytic Network Process to Analyze Influencing Factors of Project Complexity
HE Qing-hua, LUO Lan, WANG Jian, LI Yong-kai, ZHAO Lei, Tongji University ........................... 1781
0262 Research on Public-Private Financing Mode of Public Rental Housing and Its Selection
SHAN Xue-qin, YE Xiao-su, Chongqing University ................................................................. 1787
0263 A Study on Measuring Urbanization Process Drag from Urban-rural Digital Divide in China
XUE Wei-xian, LIU Jun, Xi'an University of Technology .......................................................... 1794
0264 Discussion on Operational Risk and Financial Sustainability of Beijing-Tianjin High Speed Railway
KUANG Xu-juan, Civil Aviation Management Institute of China;
LI Hong-chang, Beihang University ...................................................................................... 1800
0265 The Complex System Structure of Dangerous Source in Construction
SUN Zhi, ZHANG Shou-jian, Harbin Institute of Technology .................................................... 1806
0266 Knowledge Management for Urban Construction Based on Symbiosis
HUANG Chun-ying, Huazhong University of Science and Technology, China Three Gorges University;
WANG Xiao-ming, Huazhong University of Science and Technology .................................. 1813
0267 The Study on Villa Price Volatility of Shanghai with Structural Equation
FENG Shu, YIN Jing-yu, Harbin Engineering University ......................................................... 1819
0268 An Evaluation Method Study on the Sustainable Competitiveness for Construction Corporations
ZHANG Meng-xiang, ZHU Yan-fang, ZHANG Xin-li, Sichuan University ........................... 1826
0269 Research on Ship Routing and Deployment Mode for A Bulk
KANG Kai, ZHANG Wei-cui, GUO Ling-yun, MA Teng, Hebei University of Technology .......... 1832
0270 Research on Highway Alignment Decision-making Based on Complex System Risk Analysis
ZHOU Zhi, CUI Xin-yuan, Chongqing Jiaotong University;
WANG Jing-teng, Tongji University ...................................................................................... 1838
0271 Design of Berth Scheduling Based on Improved Particle Swarm Algorithm
PENG Lian-hui, XIA Yao, Liaoning Technology University ....................................................... 1847
0272 Research on Model of Post-Disaster Reconstruction in Small Towns of Wenchuan, China
——A Case of Shuimo Town in Wenchuan County
PAN An, Chengdu University of Technology, China West Normal University;
HU Li-hui, China West Normal University;
QIN Jian-xiong, Chengdu University of Technology ........................................................... 1853
Part Ten  Public Administration, Higher Education Management, Others

0273 A Hybrid Modeling Approach for Forecasting the Volatility of REITs Index in US Market
XIAO Zhong-yi, Texas Tech University;
LI Si-ming, Southwestern University of Finance and Economics;
LIN Zheng-xi, Southwestern University of Finance and Economics, Texas Tech University.......................... 1861

0274 Understanding the Acceptance of Mobile Health Services:
A Service Participants Analysis
GUO Xi-tong, YUAN Jin-qiao, Harbin Institute of Technology;
CAO Xiong-fei, University of Science and Technology of China;
CHEN Xiao-dong, Chinese Academy of Sciences............................................................... 1868

0275 An Empirical Research on the Long-term Equilibrium and Short-term Dynamic
between Educational Input and Economic Output in Henan Province
WANG Li-hui, GUO Li-hong, Xi'an University of Technology;
LIU Zhi-hong, Shenyang University ................................................................. 1874

0276 Reform of China's Administrative Examination and Approval System:
Motivations and the Path
LI Tian-jian, XU Guang-jian, WEI Yi-fang, Renmin University of China .................................................. 1883

0277 COPULA Model Design and Analysis on Critical Infrastructure Interdependency
LIU Zhi-yan, XI Bao, Harbin Institute of Technology .............................................................. 1890

0278 The Use of GARCH-Neural Network Model for Forecasting the Volatility
of Bid-ask Spread of the Chinese Stock Market
LI Si-ming, Southwestern University of Finance and Economics;
LIN Zheng-xi, Southwestern University of Finance and Economics, Texas Tech University;
XIAO Zhong-yi, Texas Tech University;
MA Jun-wei, Southwestern University of Finance and Economics.................................................... 1899

0279 Analysis of the Synergistic Impacts of Public Services Expenditure
on Economic Growth and Social Equity
LIU Jun-ying, Henan University ......................................................................................... 1904

0280 Research on Traffic Jam Charging Policy for Vehicles on Highway in Chinese Megalopolis
YIN Xi-hui, JIA Yuan-hua, NIU Zhong-hai, Beijing Jiaotong University................................................. 1911

0281 A Study on "Province Governs County" Fiscal Administration System Reform
MA Rui, Renmin University of China.................................................................................. 1917

0282 The Society Evaluation Method Based on the Correlation Coefficient-Relative Membership Degree
CHENG He, CHEN Shu-wen, Dalian University of Technology..................................................... 1926

0283 The Research about the Attitudes of Private Car Owners on
"Energy Saving and Emission Reduction" and Government Countermeasures
LI Zhi, MING Xing-jian, ZHU Peng, Chongqing University ....................................................... 1933

0284 Demand Prediction of Heilongjiang Professional Health Technicians:
Based on Gray Dynamic Model
LI Fang, YANG Chao-jun, XU Jian-zhong, Harbin Engineering University;
LI Meng-hu, Harbin University of Commerce.............................................................................. 1939

0285 Effect of China's Pension System on Wealth Distribution of the Elderly
WANG Ya-ke, University of International Business and Economics ........................................... 1946

0286 Application of TOPSIS in Evaluating Public Crisis Management Capability under a Fuzzy Environment
JIANG Zong-cai, Shanghai University, Henan University of Economics and Law;
YU Li-ying, Shanghai University ..................................................................................... 1953
0287 A Comparative Analysis of the Ecotourism Policy of Resource-based Cities with Successful Transformation Experience
ZHANG Li-mei, ZHANG Xue-ping, Harbin Normal University; ZHANG Yi, Heilongjiang University .............................................. 1958

0288 The Study on Organizational Commitment of University Teachers: Dimension Structure and Influencing Factors
MA Ling, WANG Yun-feng, WU Wei-lun, HU Hong-hong, Hebei University of Technology .................. 1967

0289 Evaluation on Service Quality of Kindergarten Based on SERVQUAL
HAN Jing-yuan, WANG Xin-ji, XU Shu-huan, Hebei University of Science & Technology .................. 1973

0290 Influence Analyses of Social Factors on the Abilities of University Administrative Staff
ZHAO Wen-chun, ZHENG Xu, WANG Ying-ying, Dalian Jiaotong University .................. 1979

0291 Evaluation of Public Service Efficiency in the Development-Restricted Areas of Southwest Sichuan Province in China
SONG Xue-qian, CAS, Chinese Academy of Sciences, Chengdu University of Information Technology; DENG Wei, CAS .......................................................... 1986

0292 Analysis on Share Ownership Transfer of Public-Private Partnerships (PPPs) in Infrastructure
REN Zhi-tao, ZHANG Rui, YU Hai-tian, JIANG Lin, Tianjin Urban Construction Institute .................. 1993

0293 Ethnic Diversity and Public Goods Provision in China
SUN Jun, Huaihai Institute of Technology;
GAO Yan-yan, Southeast University .............................................. 1999

0294 Post-Traumatic Growth and Global Management Competence
—Enablers of Retention after Risk Exposure in International Assignment Experiences
HUERTA Gregorio, Naval Officer;
WANG Wen-li, Robert Morris University;
HUNT David, University of Southern Mississippi;
STEVENS Michael, Weber State University;
STEVISON James, Lockheed Martin Space Systems, Huntsville, AL ............................................. 2006

0295 Applying Theory of Constraints in Administrative Process: An Experiment from the U.S. Government
KNAGGS Christopher, United States Supply Services;
POLLARD Stephen, Trident University International;
WANG Wen-li, Robert Morris University ............................................. 2012
