VOLUME 4 Food Safety Management

Food Safety Management

Public Health Measures

Modern Approach to Food Safety Management: An Overview  
Y Motarjemi 1

Risk Governance  
M Dreyer and O Renn 13

Challenges of Developing Countries in Management of Food Safety  
PO Lamuka 20

Challenges of Industrialized Countries in Food Safety Management  
LM Crawford 27

Fundamentals of Food Legislation  
D Jukes 33

International Standards and Harmonization of Food Safety Legislation  
GG Moy and Y Motarjemi 39

Food Inspections and Enforcement Systems  
CS DeWaal, D Plunkett, and C Roberts 46

Alerts and Early Warning Systems  
HJP Marvin and GA Kleter 50

Monitoring of Contaminants  
SJ Crossley and J Baines 55

Assessment of Novel Foods and Ingredients  
SU Fabiansson 62

Food Defense: Prevention of Sabotage and Bioterrorism  
M Hennessey and F Busta 68

Evaluation of the Efficacy of National Food Control Programs  
WA Anderson, E O'Leary,  
D Cousins, R Evans, and A Reilly 71

Surveillance of Foodborne Diseases  
RV Tauxe and JM Besser 77

Foodborne Disease Outbreak Investigation  
J Rocourt 89

Environmental Assessment in Outbreak Investigations  
CA Selman and JJ Guzewich 98

Safe Use of Wastewater for Agricultural Production  
KO Medicott and R Bos 107

Food Control and Public Health Laboratories  
MFG Jermini 115

Health Education, Information, and Risk Communication  
Y Motarjemi 123

Management of Food Safety in Food Service Sector  
R Mitchell 133

Food Safety in Hospitals and Other Healthcare Settings  
BM Lund and SJ O'Brien 140

Food Safety Assurance Systems

Food Safety and Quality Management Systems  
DL Newslow 149

Good Practices in Fisheries and Aquaculture  
L Ababouch 159

Good Animal Husbandry Practice  
KN Bhilegaonkar, S Rawat, and RK Agarwal 168

Building Design  
HLM Lelieveld 174

Hygienic Design of Equipment  
AN Murray 181

Infestation Management in Food Production Premises  
CH Bell 189

Personal Hygiene and Employee Health  
ECD Todd 201

Cleaning and Disinfection  
V Kakurinov 211

Hazard Analysis and Critical Control Point System (HACCP): Principles and Practice  
CA Wallace 226

Management of Biofilm Risk  
G Wirtanen, M Raulio, and S Salo 240
Contents

Microbiological Testing, Sampling Plans, and Microbiological Criteria  
MH Zwiertering, TRoss, and LGM Gorris 244

Management of Allergens in Food Industry  
RWR Crevel and SA Cochrane 254

Management of Supplier and Raw Material  
B Pourkomailian 262

Documentation and Record Keeping  
RF Stier 268

Labeling and Information for Consumers  
D McCrea 276

Audits of Food Safety Management Systems  
Y Motarjemi and S Mortimore 288

Quality Assurance and Good Laboratory Practice  
M Farrell-Evans and W Warren 293

Investigation of Incidents in Industry  
P McClure 301

Recall Systems and Disposal of Food  
P Overbosch and J Carter 309

Tampering  
E Norman, G Coulam, and KMasters 315

Essentials of Crisis Management  
Y Motarjemi 322

Root Cause Analysis of Incidents  
Y Motarjemi and CA Wallace 331

Food Safety and Ethics  
N Veilø Olsen and Y Motarjemi 340

Institutions Involved in Food Safety

FAO/WHO Codex Alimentarius Commission (CAC)  
T Heilandt, CA Mulholland, and M Younes 345

Food and Agriculture Organization of the United Nations (FAO)  
E Boutrif 354

World Health Organization (WHO)  
J Schlunbt 359

World Organisation for Animal Health (OIE)  
M Thibier and B Vallat 365

Consumer Organizations  
E Groth 369

National Industry Organizations – Case of UK Food and Drink Federation  
K Chinyama 373

International Organization for Standardization (ISO)  
M Pétró-Turza 379

International Life Sciences Institute (ILSI)  
N van Belzen, E Hentges, J Chen, YB Yee, and S Harris 384

FoodDrinkEurope  
B Kettlitz 388

International Food Information Council (IFIC) and Other Food Information Organizations  
DB Schmidt and AP Benson 391

International Union of Food Science and Technology (IUFoST)  
A Mortimer and K Buckle 395

Trust in Animals and Food Safety (TAFS) Forum  
U Sperling 399

Global Harmonization Initiative (GHI)  
H Lelieveld 400

Abbreviation of Selected Organizations Involved in Food Safety 403

Index 405
