Holocene Palaeotsunami Landfalls and Neotectonic Dynamics in the Western and Southern Peloponnese (Greece)

The Past as a Key to the Present and Predictor of the Future

edited by Andreas Vött and Dieter Kelletat

with 128 figures and 12 tables
Research Articles

and Neotectonic Dynamics in the Western and Southern Peloponnese
(Greece) ................................................................. 1–5

Hadler, H., Baika, K., Pakkanen, J., Evangelistis, D., Fischer, P., Ntageretzis,
impact on the ancient harbour site Kyllini (western Peloponnese, Greece)
based on a Geomorphological multi-proxy approach (12 figures and 1
table) ................................................................. 7–41

Willershäuser, T., Vött, A., Hadler, H., Fischer, P., Röbbe, B. R., Ntageretzis,
impact in the Gulf of Kyparissia (western Peloponnese, Greece) (with 17
figures and 1 table) ................................................... 43–80

Vött, A., Fischer, P., Röbbe, B. R., Werner, V., Emde, K., Finkler, C., Hadler,
alleviation and terrace formation by repeated tsunami passage at Epitalio
near Olympia (Alpheios River valley, Greece) (with 16 figures and 2
tables) ................................................................. 81–123

tific investigations in search of tsunami deposits in the environs of the
Agoulinitsa peatland, Kaiafas Lagoon and Kakovatos (Gulf of Kyparissia,
western Peloponnese, Greece) (with 13 figures and 2 table.) ............ 125–156

sidering coastal palaeogeographical changes in a numerical tsunami
model – a progressive base to compare simulation results with field
traces from three coastal settings in western Greece (with 14 figures
and 1 table) ........................................................... 157–188

tain faults and nearby archaeological damage, western Peloponnese,
Greece (with 7 figures and 1 table) ....................................... 189–213

Willershäuser, T., Vött, A., Hadler, H., Ntageretzis, K., Emde, K. & Brückner,
record and the coastal geomorphology of the Gialova Lagoon near Pylos
(southwestern Peloponnese, Greece) (with 14 figures and 1 table) ....... 215–252

Ntageretzis, K., Vött, A., Fischer, P., Hadler, H., Emde, K., Röbbe, B. R. & Wil-
River delta, Peloponnese, Greece) (with 7 figures and 1 table) .......... 253–273
