CONTENTS

List of Tables vii Maps ix Figures xi Plates xv Preface xvii

1 Some basic concepts 1

The ecological approach; Uniqueness of human society;
The case for an optimistic archaeology; Material culture;
Ecosystems; Territories; Subsistence and seasonality;
Settlements; Social hierarchy; Redistribution networks;
Idiosyncratic styles; Stability and change; Periodisation

2 Habitat and Biome 33

The basic structure
Glaciation and deglaciation
Land and sea
Vegetation and climate
  Late-glacial and Post-glacial
Animal life
  Late-glacial and Post-glacial

3 Late-glacial settlement of Denmark/Scania 66

Chronological framework
Social territories
  Swidry-Chwalibogowice (Poland); Ahrensburg (North Germany);
  Lyngby-Bromme-Segebro (Denmark/Scania)
Settlement and subsistence
  Schleswig-Holstein; Denmark/Scania

4 Early Post-glacial settlement in south Scandinavia 99

Chronological framework
Settlements
Technology
  Flint, Stone; Animal skeletal materials; Animal hides
  and pelts; Wood; Bark and its by-products; Techno-
  and social territories
Subsistence
Psychic needs
  Disposal of the dead; Personal adornment; Symbolic art
CONTENTS

5 Atlantic settlement in south Scandinavia 160
Chronological framework
The old dichotomy: Maglemose/Ertebølle
The existing framework: Denmark; Schleswig-Holstein; Scania
Technology: continuity and change
Sværdborg–Bloksbjerg: Slotted equipment; Flint axes and adzes;
Stump-butted pecked stone axes; Rhombic and transverse arrowheads;
Bloksbjerg (D-E) to Ertebølle: Flint-work; Antler and bone work;
Pottery; Perforated stone axe blades
Subsistence
Territory; Meat diet; Settlement and seasonality
Psychic needs
Disposal of the dead; Personal ornaments; Symbolic art

6 The older Stone Age Colonisation of the Fennoscandian Shield 200
NORWAY
Chronological framework: Nøstvet phase – Fosna–Komsa phase
Technology
Shelter and subsistence
Psychic needs
FINLAND
Geographical setting
The Antrea find and its context in the settlement of the East Baltic
The Suomusjärvi phase: Technology; Subsistence; Psychic needs
MIDDLE AND NORTH SWEDEN
Geographical setting
Archaeological clues to early settlement

Appendices 240
A: List of elk antler mattock-heads shown on Map 10
B: List of antler and bone points whose barb-spacings are shown on Fig. 23
C: Faunal assemblages of early Post-glacial (Pre-boreal, early Boreal, late Boreal) age from northern Europe
D: List of objects from the west Baltic area engraved with designs of 'Maglemose' character
E: Faunal assemblages of Atlantic age from Denmark

List of works cited in the text 255
