Contents

Preface xvii

1. INTRODUCTION 1
   1. Concept of Environmental Protection 1
   2. Environmental Degradation: Nature and Dimensions 3
   3. India’s Concern for Environmental Protection 6

2. CAUSES, SOURCES AND EFFECTS OF ENVIRONMENTAL POLLUTION 14
   1. Introduction 14
   2. Main Causes of Environmental Pollution 18
      A. Population Growth 18
      B. Increased General Affluence and Economic Growth 20
      C. Nature of Modern Technology 22
   3. Sources and Effects of Pollution 23
      A. Water Pollution 25
         (a) Concept of Water Pollution 26
         (b) Sources of Water Pollution 27
            (i) Domestic and Commercial Wastes 27
            (ii) Industrial Wastes 28
            (iii) Floating and Colouring Wastes 28
            (iv) Suspended Matters 28
            (v) Chemical Substances 28
            (vi) Thermal Wastes 29
Environmental Protection Law and Policy in India

(vii) Radioactive Substances 30
(viii) Agricultural Wastes 30
(ix) Solid Mine Refuge and Storage on Land 30
(x) Air Pollutants 31
(xi) Some other Causes 33

(c) Pollution Effects

(i) Effects on Public Health and Safety 35
(ii) Effects on Aquatic and Marine Life 36
(iii) Effects on Plants and Animal Life 37
(iv) Effects on Land and Property 38
(v) Social and Economic Effects 39
(vi) Other Effects 39

(d) Extent of the Problem in India 40

B. Air Pollution

(a) Concept of Air Pollution 45
(b) Sources of Air Pollution 46

(i) Combustion of Fuels to Produce Energy 46
(ii) Transportation 47
(iii) Industrial and Commercial Processes 47
(iv) Incineration 48
(v) Agricultural Activities 48
(vi) Miscellaneous Sources 49

(c) Effects of Air Pollution

(i) Effects on Climatic Conditions and General Environment 49
(ii) Effects on Human Health and Safety 49
(iii) Effects on Plants and Animals 51
(iv) Socio-economic Effects 54
(v) Other Effects 55

(d) Extent of the Problem in India 56

C. Noise Pollution

(a) Concept of Noise Pollution 59
(b) Sources of Noise Pollution 60
1. Industrial 60
2. Non-Industrial 60
   (i) Loud Speakers 61
   (ii) Automobiles 61
   (iii) Air Crafts 61
   (iv) Trains 61
   (v) Construction Works 62
   (vi) Projection of Satellites into Space 62
(c) Effects of Noise Pollution 62
   (i) Effects on Human Beings 62
      1. Physiological Effects 63
      2. Psychological and Behavioural Effects 64
   (ii) Effects on other Living Beings 65
   (iii) Effects on Non-Living Things 65
(d) Extent of the Problem in India 65

D. Land Pollution 67
   (a) Concept of Land Pollution 67
   (b) Sources of Land Pollution 68
      (i) Indiscriminate Disposal of Solid Wastes 68
      (ii) Mining, Ore Processing and Extraction of Minerals 69
      (iii) Contamination of Land by Man-made Chemicals 70
      (iv) Improper Land Use and Planning 71
   (c) Effects of Land Pollution 71
   (d) Extent of the Problem in India 73

4. Conclusion 76

3. ENVIRONMENTAL PROTECTION: THE POLICY 100
  1. Introduction 100
  2. Environmental Policy during the Pre-Independence Era 101
     A. Environmental Policy in Ancient India 101
B. Environmental Policy in Medieval India 106
C. Environmental Policy in British India 107
   (a) Forest Conservation in British Rule 108
   (b) Pollution Control in British Rule 110

3. Environmental Policy during the Post-Independence Era 111
A. Earlier Policy Concerns 111
   (a) Forest Development during First Three Five Year Plans 111
       (i) First Five Year Plan 112
       (ii) Second Five Year Plan 112
       (iii) Third Five Year Plan 113
   (b) The National Forest Policy, 1952 114
B. Environmental Policy during the Seventies 117
   (a) Policy Perspective in the Fourth and Fifth Five Year Plans 117
   (b) The Stockholm Declaration on Human Environment, 1972 118
   (c) The Constitution (42nd Amendment) Act of 1976 119
   (d) Institutional Measures taken during the Seventies 120
       (i) Pitambar Pant Committee on Human Environment 120
       (ii) National Committee on Environmental Planning and Coordination 121
   (e) Legislative Measures taken during the Seventies 121
C. Environmental Policy during the Eighties 122
   (a) Policy Perspective in Sixth and Seventh Five Year Plans 122
   (b) The National Forest Policy of 1988 124
   (c) Institutional Measures taken during the Eighties 128
Contents

(i) Tiwari Committee 129
(ii) The Department of Environment (DOE) 130
(iii) National Committee on Environmental Planning (NCEP) 131
(iv) Other Organisations 131

(d) Administrative Action taken during the Eighties 132
   (i) Pollution Control 132
   (ii) Land Resource Management 133
   (iii) Natural Living Resources 134
   (iv) Environmental Impact Assessment 135
   (v) Environmental Information System 135

(e) Legislative Measures taken during the Eighties 136

D. Environmental Policy during the Nineties 138
   (a) The Eighth Five Year Plan (1992-97) 138
   (b) Policy Resolutions 141
      (i) Policy Statement for Abatement of Pollution, 1992 141
   (c) Administrative Actions taken during the Nineties 154
   (d) Legislative Actions taken during the Nineties 159
   (e) Environmental Policy: A Critical Evaluation 161

4. Conclusion 170

4. ENVIRONMENTAL PROTECTION: THE LAW 184
   1. Introduction 184
   2. Common Law Aspects of Environmental Law 184
      A. Nuisance 185
         (a) Public Nuisance 185
         (b) Private Nuisance 186
## Environmental Protection Law and Policy in India

Contents

(a) Statutory Control under Earlier Statutes 230
(b) Administrative Regulation under Recent Legislations 239

(i) The Air (Prevention and Control of Pollution) Act, 1981 239
(ii) The Environment (Protection) Act, 1986 245

C. Noise Pollution 248

(a) Statutory Control of Noise Pollution 248

(i) Law of Crimes and Noise Control 249
(ii) Police Act, 1861 and Noise Control 250
(iii) Railways Act, 1890 and Noise Control 250
(iv) Civil Aviation Law and Noise Control 251
(v) Motor Vehicles Act and Noise Control 252
(vi) Factories Act, 1948 and Noise Control 254
(vii) The Air (Prevention and Control of Pollution) Act, 1981 and Noise Control 255
(viii) The Environment (Protection) Act, 1986 and Noise Control 257

D. Land Pollution 261

(a) Statutory Control of Land Pollution 261

(i) Statutory Provisions for Regulation of Solid Wastes 261
(ii) Statutory Control of Industrial Wastes 264
(iii) Regulation of Hazardous Substances 265

(b) Statutory Measures for Land Use and Planning 269

(i) Urban Land Use 269
(ii) Rural Land Use 272
(c) Statutory Provisions for Prevention of Land Degradation from Mining 274
(d) Statutory Measures for Protection of Forests and Wildlife 274
   (i) Forests 274
   (ii) Wildlife 278

5. Conclusion 280

5. ENVIRONMENTAL PROTECTION: THE JUDICIAL APPROACH 304

1. Introduction 304
2. Public Nuisance: The Judicial Response 305
3. Public Interest Litigation and Environment-Protection 307
   A. Traditional Rule of Locus Standi 308
   B. Expansion of the Rule of Locus Standi 309
   C. Class Action or Citizen Suits 311
      (a) The Emerging Profile of PIL 311
      (b) PIL with Reference to Environmental Protection 312
         (i) Delhi Gas Leak Case 312
         (ii) The Ganga Pollution Case 323
         (iii) Dehradun Quarrying Case 330
         (iv) Calcutta Taj Hotel Case 335

4. Class Action or Representative Suit and Judicial Approach 339
   A. The Bhopal Case 340
      (a) Proceedings before the District Judge, Bhopal 342
      (b) Proceedings before the Madhya Pradesh High Court 344
      (c) Proceedings Before the Supreme Court 348

   A. Expansion of Article 21 355
   B. Judicial Activism 356
   C. Problem of Monitoring Pollution 358
6. ENVIRONMENTAL PROTECTION LAW AND ITS IMPLEMENTATION 376
   1. Introduction 376
   2. Legal Regime for Pollution Control 377
   3. Operational Mechanism of Board’s Functioning 378
   4. Prosecutions Launched and Convictions Secured under Environmental Legislation 381
   5. Failure of Prosecutorial Strategy and Reasons thereof 391
   6. Suggested Strategies for Environment Management 395
      A. More Powers to the Board Needed 395
      B. Consent Administration 396
      C. Environmental Impact Assessment 397
      D. Public Participation and Access to Information 397
      E. Environmental Courts 398
      F. Development of Compensatory Jurisprudence 399

   7. Conclusion 400

7. SUGGESTIONS AND FUTURE TRENDS 402
   1. Conclusion 402
   2. Suggestions 411
   3. Future Trends 421
