   4. Back-to-Back Loans .................................................. 124
   5. Interaction with Tax Treaty Provisions ....................... 125
G. Rents, Royalties and Similar Payments .................................. 126
   1. “Rents” and “Royalties” .............................................. 126
   2. Similar Payments ...................................................... 127
   3. “Royalty” Defined in Treaties ................................. 129
   4. Canadian Source ...................................................... 131
# Table of Contents

## Part III — OUTBOUND TAXATION

### Chapter 10: Overview: Taxation of Residents Earning Income from Foreign Countries

- **A. The Issues** .................................................. 141
- **B. Basic Principles** ........................................ 142
- **C. Policy Directions: Signposts to the Legislation** ................. 143
  1. Capital Import Neutrality ...................................... 144
  2. Capital Export Neutrality ...................................... 145
  3. Passive Portfolio Income Versus Active Business Income .......... 146
- **D. Transforming Policy into Legislative Framework** ............... 147
- **E. Foreign Direct System** .................................... 148
  1. Foreign Business Income ...................................... 148
  2. Foreign Passive Income ...................................... 149
- **F. Foreign Indirect System** ................................ 149
  1. Foreign Intermediaries ....................................... 149
  2. Indirect Foreign Portfolio Income ............................ 150
    (a) Non-resident Trusts ....................................... 150
    (b) Controlled Foreign Affiliates ............................ 152
    (c) Foreign Investment Entities .............................. 153
  3. Foreign Indirect Business Income ............................ 155
  4. The Architecture and General Concepts ........................ 157

### Chapter 11: The Foreign Tax Credit

- **A. Introduction** ............................................. 161
- **B. Methods of Relieving Double Taxation** ........................ 161
- **C. Foreign Tax Credit: An Overview** .......................... 165
  1. Eligibility .................................................. 165
  2. Creditable “Income or Profits Taxes” ........................ 165
  3. Source of Income .......................................... 167
- **D. Computing the Credit** ................................... 171
  1. Foreign Tax Paid ........................................... 172
  2. “Canadian Tax Otherwise Payable” .......................... 173
C. The FAPI Regime

1. The Charging Rule
2. “Controlled Foreign Affiliates” Defined
   (a) “Corporation”
   (b) “Equity”
   (c) “Control”
3. “Foreign Accrual Property Income” Defined
   (a) “Income from Property”
   (b) “Base Erosion” Rules
   (c) Services Income
   (d) Active Business Income and Notion of
       “Corporate Group”
4. Computation of FAPI
   (a) General Inclusions and Exclusions
   (b) Capital Gains
5. Imputation of FAPI to Canadian Shareholders
   (a) General Rule
   (b) “Credit” for Foreign Tax
   (c) Adjustments to Cost Base of Shares and
       Subsequent Dividends

D. Dividends from Foreign Affiliates

1. General Comments
2. Dividends out of Exempt Surplus
3. Taxable Surplus Dividends
   (a) Indirect Foreign Tax Credit
   (b) Foreign Withholding Tax
4. Pre-acquisition Surplus
5. Constructive Disposition: Gains Treated as
   Dividends

E. Linking FAPI and Dividends Regimes

F. Changes in the Ownership of Foreign Affiliates

References

Chapter 14: Foreign Investment Entities

A. Introduction
B. Overview of Policy and Legislative Background
   1. Policy Objectives
   2. Old S. 94.1 — Offshore Investment Fund Property
      Rules
   3. Problems with Old S. 94.1
C. Application of the FIE Rules
   1. “Foreign Investment Entity” Defined
   2. Participating Interest
   3. Exclusions from the FIE Rules
D. Determination of Income from an FIE 241
   1. Prescribed Income Rate Approach 241
   2. The Mark-to-Market Approach 242
   3. Income Accrual Approach 242
   4. Avoiding Double Taxation 244
E. Other Considerations 244
F. Conclusion 245
