REPORT OF THE
ONE HUNDRED AND THIRTY SIXTH ROUND TABLE
ON TRANSPORT ECONOMICS

ESTIMATION AND EVALUATION OF TRANSPORT COSTS

TABLE OF CONTENTS

SUMMARY OF DISCUSSIONS	7
-------------------------------------	---

INTRODUCTORY REPORTS

Measuring Inefficiencies in Transport Systems: Between Technology and Incentives - by P. GAGNEPAIN (Spain) and M. IVALDI (France)	29
--	----

Introduction	33
1. The preliminary frontier.....	35
2. Incentives	37
3. Regulation of public transit in France.....	38
4. The deregulation of European airlines	43
Conclusion	46

Infrastructure Maintenance Costs: A Comparison of Road, Rail and Inland Navigation, and Implications for User Charges – by P. RIETVELD, F. BRUINSMA and M. KOETSE (The Netherlands)	49
--	----

1. Introduction.....	53
2. Pricing in freight transport: base line in The Netherlands	54
3. Marginal cost pricing and its problems.....	56
4. User dependent infrastructure maintenance costs	57
5. Alternative pricing structures for fixed maintenance costs.....	61
6. Effects of alternative pricing measures on the transport sector	67
7. Conclusions.....	71
Annex 1: Emission factors of euro classes in road freight transport.....	74
Annex 2: Imposing a minimum tariff under a differentiated fixed cost charge	76

Technical Efficiency in the Portuguese Airports with a Stochastic Cost Frontier Model - by C. BARROS (Portugal)	81
--	----

1. Introduction.....	85
2. Institutional setting.....	87
3. Literature review	89
4. Theoretical framework.....	92
5. Data	94
6. Discussion	98
7. Contribution, limitation and extensions of this study	100
8. Conclusions.....	100

Transport Cost Levels, Productivity and Efficiency Measures: Some Theory and Main Policy Uses – by A. ESTACHE (United States) and L. TRUJILLO (Spain)..... 105

- 1. Introduction..... 109
- 2. What’s so special about transport?..... 110
- 3. Why should policymakers care about transport costs? 111
- 4. From policy concerns to measures..... 113
- 5. How to decompose the sources of cost efficiency changes 117
- 6. From theory to practice 119
- 7. Concluding comments..... 120
