LIST OF FIGURES ................................................................. v
LIST OF TABLES ................................................................. vi
ABSTRACT ................................................................................ vii
ACKNOWLEDGEMENTS ............................................................ ix

CHAPTER

1 INTRODUCTION ................................................................. 1

2 THEORETICAL MODEL WITH VOLUNTARY RETURN MIGRATION 9
  2.1 Model ............................................................................. 10
  2.2 Model with observed characteristics .................................. 17

3 DATA FROM THE ORIGIN AND DESTINATION COUNTRIES AND DEFINITIONS .................................................................................. 22
  3.1 Data sets ......................................................................... 22
    3.1.1 10% Mexican Census 2000 ........................................... 22
    3.1.2 IPUMS 5% US census 2000 ........................................... 23
  3.2 Definition of Migrant and Returnee .................................... 24
  3.3 Stock and Flow of Migrants .............................................. 26
  3.4 Characteristics of Migrants .............................................. 34
    3.4.1 Matching data sets ..................................................... 34
    3.4.2 Underreporting ......................................................... 37

4 WHO LEAVES ........................................................................ 43
  4.1 Characteristics of Migrants .............................................. 43
    4.1.1 Previous Literature regarding characteristics ................ 43
    4.1.2 Individual Characteristics ........................................... 44
    4.1.3 Household Characteristics .......................................... 49
  4.2 Motivations for Migrating ................................................ 50
    4.2.1 Previous literature regarding motivations for migrating ... 50
    4.2.2 Evidence from the data .............................................. 53

5 WHO COMES BACK ............................................................ 62
  5.1 Characteristics of Returning Migrants ............................ 62
    5.1.1 Previous Literature regarding characteristics ............... 62
    5.1.2 Individual Characteristics .......................................... 65
    5.1.3 Household Characteristics .......................................... 69
