Quantitative Tourism Industry Analysis
Introduction to Input-Output, Social Accounting Matrix Modeling, and Tourism Satellite Accounts

Dr. Tadayuki Hara
# Contents

*Dedication* vii  
*Epigraph* ix  
*Preface* xi

## Chapter 1 Introduction to Tourism as an Industry
- 1.1 Relative position of the tourism industry in national and regional economies 2  
- 1.2 Difficulty in measuring tourism as an industry 13  
- 1.3 Unique characteristics of the economic impact of the tourism industry 14  
- 1.4 Problems for chapter 1 20  
- 1.5 References and further reading 21

## Chapter 2 Introduction to Quantitative Methods for Tourism Industry Analysis
- 2.1 Overview of academic research for hospitality and tourism 24  
- 2.2 Overview of analytical research 24  
- 2.3 Qualitative method 25  
- 2.4 Quantitative methods 27  
- 2.5 Nonstochastic (deterministic) model 34  
- 2.6 Chapter 2 problems 36  
- 2.7 References and further reading 38

## Chapter 3 Input-Output Model and its Application
- 3.1 Brief history 40  
- 3.2 Conceptual introduction to simple input-output modeling 40  
- 3.3 Structure of input-output transaction table 42  
- 3.4 Steps from transaction table to Leontief inverse matrix 44  
- 3.5 Multiplier calculations in the input-output framework 54  
- 3.6 Structural limitations of input-output modeling 66  
- 3.7 Applications of impact studies 69  
- 3.8 Varieties of additional concepts on input-output modeling 85  
- 3.9 Questions from students 101  
- 3.10 Chapter 3 problems 107  
- 3.11 References and further reading 112
Chapter 4  Social Accounting Matrix Model and its Application  115
  4.1 Brief history  116
  4.2 Conceptual introduction to simple modeling of social accounting matrix  116
  4.3 Structure of the social accounting matrix table  121
  4.4 Economic impact analysis using social accounting matrix  131
  4.5 Applications of social accounting matrix for impact studies  137
  4.6 Questions from students  138
  4.7 Chapter 4 problems  141
  4.8 References and further reading  146

Chapter 5  Introduction to Tourism Satellite Accounts  149
  5.1 Brief history  150
  5.2 Some key concepts  151
  5.3 General compositions tourism satellite accounts  154
  5.4 Tourism satellite accounts case studies  157
  5.5 Discussions from students  193
  5.6 Chapter 5 problems  200
  5.7 References and further reading  201

Chapter 6  Future Directions and Explorations  205
  6.1 Poverty alleviation effects of tourism as an industry  206
  6.2 Modeling environmental effect of industrial activities  242
  6.3 Summary  246
  6.4 Chapter 6 problems  246
  6.5 References and further reading  247
