# Table of contents

**Foreword**

**Reader's guide**

**Chapter 1: Introduction**
- Background
- Survey objectives
- Conceptual framework
- Conducting the survey
- Questionnaire development
- Sampling
- Context of primary schools in WEI-SPS countries
  - Structure of primary education
  - Participation in primary education
  - Financing of primary schools
  - Teacher training
  - Curriculum
  - Current reforms affecting primary schools
- Summary
- Organization of the report

**Chapter 2: The context of primary schooling**
- In what types of communities did primary pupils live?
- What was the distance to public amenities?
- How many pupils were enrolled in public and private schools?
- Where were the private schools?
- What was the total enrolment in primary schools?
- What was the perceived physical condition of school buildings?
- What school resources were available?
- Electricity and running water
- Sufficiency
- Facilities
- Special teaching rooms
- Equipment
- Computers
- Resources by school location
- Resource levels and background characteristics of pupils served by the schools
- Differences in school resources within regions
- Conclusion
- Country profiles

**Chapter 3: Characteristics of pupils in schools**
- Admission policies of primary schools
- Characteristics of pupil intake at the school level
- Index of Social advantage of pupil intake
- Pupil engagement in school as perceived by school heads

**Chapter 4: School heads and teaching staff**
- Age and gender of school heads 73
- Highest levels of education of school heads 74
- Levels of pre-service teacher training and management training 76
- Pupil-teacher ratios, average numbers of teachers per school, levels of education of staff and years of pre-service training 78
- Staff levels of education 80
- Stability of school staff 80
- Filling staff vacancies 82
- In-service teacher training 84
- Perceived behavioural problems among teachers 86
- Conclusion 89

**Chapter 5: School management, inspection and parental involvement in school**
- School heads and instructional leadership 91
- School governance and school autonomy 96
- Monitoring and evaluation 102
- Parental involvement 107
- Conclusion 110

**Chapter 6: Grade 4 pupils and their classrooms**
- Socio-economic advantage/disadvantage of Grade 4 pupils, as perceived by their teachers 115
- Pupil attitudes towards school 118
- Levels of grade repetition in schools 121
- Grade 4 class organization, teacher time and textbook supply 122
  - Single-grade versus multi-grade schools 123
  - Class size 123
  - Subject matter versus general class teachers 123
  - Teaching time 124
  - Pupils having sufficient textbooks 127
- Basic classroom resources 128
- Conclusion 131

**Chapter 7: General characteristics of Grade 4 teachers and their teaching**
- Background characteristics of Grade 4 teachers 133
- Teacher workload 137
- In-service training for teachers (INSET) 139
- Lesson structure 140
- Teaching styles 140
- Pupil learning approaches as perceived by teachers 145
- Pupil assessment 149
- Conclusion 151
