Youth at Risk in Latin America and the Caribbean

Understanding the Causes, Realizing the Potential

Wendy Cunningham, Linda McGinnis, Rodrigo García Verdú, Cornelia Tesliuc, and Dorte Verner

THE WORLD BANK
Washington, D.C.
## Contents

### Acknowledgments

| Overview | Why Do Young People Deserve Special Attention? | 3 |
| Key Messages | 4 |
| Designing Effective Interventions | 13 |
| Policy Conclusions | 21 |

### Chapter 1 Introduction

- The Motivation for the Study | 26 |
- Definitions, Data, and Methodologies | 30 |
- The Organization of the Report | 32 |
- Notes | 33 |

### Section I Laying the Groundwork

| Chapter 2 Motivations for Focusing on At-Risk Youth | 37 |
| The Youth Cohort, Particularly Those Considered At-Risk, Is Growing | 37 |
| The Costs of Not Investing in At-Risk Youth Are Very High for Young People, Their Families, and Society | 44 |
| Notes | 55 |
Chapter 3  A Conceptual Framework and Its Application for Policy Making  
The Conceptual Framework and Definitions  
Moving from the Conceptual Framework to Policy  
Note  

Chapter 4  Identifying At-Risk Youth for Better Programming and Targeting  
A Characterization of At-Risk Youth  
Using the Risk Typology for Targeting 
  Prevention Programs  
Using the Risk Typology for Targeting for Second Chances  
Conclusions  
Notes  

Section II  Informing Policy by Understanding the Trends and Causes of Risky Behavior in LAC  

Chapter 5  Understanding the Nature and the Magnitude of Risky Behavior  
Leaving School without Learning  
Difficult Integration into the Labor Market:  
  Joblessness and Job Turnover  
Risky Sexual Behavior  
Crime and Violence  
Substance Use  
Notes  

Chapter 6  Identifying the Factors That Put Youth at Risk  
Why Young People Engage in Risky Behavior  
Key Factors Correlated with Risky Behaviors  
Cumulative Effect of Factors  
Conclusions  
Notes
Section III  Helping Young People Make Good Choices: Programming, Policy, and Implementation  157

Chapter 7  Principles for Building an Effective Portfolio for Youth at Risk  159
Investing in At-Risk Youth Leads to Lower Demands on the Public Purse in the Future  159
Preventing Risky Behavior Begins at Birth  161
At-Risk Youth Need Second Chances  161
Effective Targeting Is the Key to Results  162
The Most Effective Portfolio Will Prioritize Policies and Programs That Affect Multiple Risks  163
Include Only Effective Policies in the Portfolio  164
Notes  164

Chapter 8  Prioritizing What Works  167
Core Policies: Strategies That Work and Are Recommended for Implementation  170
Nine Promising Approaches That Ought to Work and Should Be Tried, Accompanied by Careful Impact Evaluation  177
General Policies with a Surprisingly Strong Effect on Youth at Risk  192
Notes  204

Chapter 9  Moving From a Wish List to Action  207
Improving the Portfolio for At-Risk Youth in a Budget-Constrained Environment: Reallocate Resources Away from Ineffective Programs toward Recommended Programs  207
Improving the Portfolio for At-Risk Youth in a Budget-Constrained Environment: Collecting, Analyzing, and Using Data  216
Assign and Coordinate Institutional Responsibilities Based on Comparative Advantages  226
Notes  231
# Contents

## Chapter 10
Investing in Youth in LAC: Key Messages and Conclusions
- Key Messages
- Defining an Effective Portfolio of Policies and Programs
- Moving Forward

## Appendix A
Population in LAC by Age and Sex

## Appendix B
Methodology for Estimating the Cost of Negative Youth Behavior
- Individual Financial Costs
- Individual Opportunity Costs
- Social Financial Costs
- Social Opportunity Costs
- Components of the Cost Estimates for Each Kind of Risky Youth Behavior

## Appendix C
Methodology for Devising the Typology of At-Risk Youth
- Notes

## Appendix D
Measuring Youth Outcomes
- Note

## Appendix E
Estimated Taxpayer Costs and Crime-Reduction Benefits of 16 Crime Prevention Programs

## Appendix F
Sources of Information for Evaluated Programs
- General
- Crime and Violence
- Risky Health Behavior
- Labor
- Education
- Substance Abuse
- World Bank Experts Working Group on Youth at Risk in LAC
