Chapter I	
Introduction	1
1 European School: Economics in EC Competition Law	1
2 Layout of the Book	5
Chapter II	
The European Competition Rules	7
1 European Competition Policy	7
1.1 Competition Policy and Economic Policy	12
1.2 Community Objectives	16
1.3 Competition Policy and Industrial Policy	20
2 Institutions of the Community	23
2.1 The Commission	23
2.2 The Role of the Community Courts	26
3 Article 81	31
3.1 Article 81(1)	31
3.1.1 Agreement, Decision and Concerted Practice	31
3.1.2 Appreciability	37
3.1.3 Object and Effect	37
3.2 Article 81(3)	39
4 Article 82	41
4.1 General Principles	41
4.2 Dominance	44

4.3	Abuse	49
4.3.1	Imposition of Unfair Purchase or Selling Prices or Conditions (Article 82(a))	52
4.3.2	Limiting Production, Markets or Technical Development to the Prejudice of Consumers (Article 82(b))	56
4.3.3	Applying Dissimilar Conditions to Equivalent Transactions (Article 82(c))	57
4.3.4	Tying Practices (Article 82(d))	58
4.3.5	Exclusionary Abuses Not Directly Covered by the Examples in Article 82(a)-(d)	60
5	Merger Control	72
5.1	The Evolution of Concentration Control in Europe	72
5.2	Merger Regulation 139/2004	75
6	EC Competition Law and US Antitrust Law	78
6.1	The Development of Antitrust Law in the US	78
6.2	The Sherman Act	81
6.3	Other Legislation	83
6.4	Mergers	84
6.5	US-Europe: A Comparative Competition Law?	88
	Appendix A to Chapter II	91

Chapter III

Competition Theory

95

1	Emergence of the European School of Thought	95
1.1	Framework for the Assessment	96
1.2	Goals of Competition	98
2	Roots of Competition Theory	101
2.1	Classical Theory: Free Competition	101
2.2	Perfect Competition	104
2.3	Imperfect Competition and Price Discrimination	108
3	The Concept of Workable Competition	113
3.1	<i>J.M. Clark</i>	113
3.2	Workable Competition	114
3.3	German Experiences	116
3.4	Effective Competition	117
4	The Harvard School of Thought	120
4.1	Edward S. Mason	120
4.2	Industrial Organization	124
4.2.1	The Concentration Doctrine	126
4.2.2	Joe S. Bain	127
4.3	Theory of Contestable Markets	131
4.4	Game Theory	135
5	The Chicago School of Thought	141
5.1	The Efficiency Doctrine	146

5.2	Policy Implications	147
5.3	The Post-Chicago School	148
6	The Neo-classical Concept of Freedom of Competition	153
6.1	The Austrian School	155
6.2	The Neo-Austrians	157
7	The European School of Thought	159
7.1	Ordoliberalism and the Freiburg School	159
7.2	Modern Industrial Organization	166
7.3	The European School	169
7.3.1	The Commission's Conceptual Framework	169
7.3.2	Dynamic Welfare Analysis	171
	Appendix A to Chapter III	174
	Appendix B to Chapter III	184
 Chapter IV		
Competition Practice		187
1	Modernization of the EC Competition Rules	187
1.1	Regulation 1/2003	188
1.2	The European Competition Network (ECN)	189
1.3	Guidelines on the Application of Article 81(3)	190
1.4	Other Documents in the Package	190
2	Economic Analysis in Article 81(1)	191
2.1	Economic Analysis of Object and Effect	192
2.1.1	The Debate	195
2.1.2	The Evolving Economic Approach	198
2.1.3	The Economic Appraisal in Article 81(1)	208
2.1.4	The European Competition Test in Article 81(1)	217
2.1.4.1	European Competition Test: No Rule of Reason	222
2.2	Implementation of the European Competition Test	230
2.2.1	Definition of the Relevant Market	230
2.2.2	Market Analysis	234
2.2.2.1	Market Share Analysis	234
2.2.2.2	Market Position	236
2.2.2.3	Analyzing Buyer Power Counterbalancing Market Power	237
2.2.2.4	Analysis of Resources	237
2.2.2.5	Analysis of Access to Supply and Sales Markets	238
2.2.2.6	Competition from (Imperfect) Substitutes	238
2.2.2.7	Assessment Barriers to Market Entry/Potential Competition	239
2.2.2.8	Market Phase, Level of Trade and Nature of the Product	243

2.3	The Inherency and Ancillary Restraints Doctrine	244
2.4	The Effect on Trade between Member States	248
2.4.1	Developments in the Effect on Trade Concept	248
2.4.2	The Guidelines on the Effect on Trade Concept	250
2.4.2.1	Trade between Member States	251
2.4.2.2	Appreciability	252
2.5	Appreciability	253
2.5.1	Developments in the Appreciability Test	253
2.5.2	Commission's Notice on the Appreciability Test	256
2.6	Implementation of the European Approach: New Competition Rules for Distribution	257
2.6.1	Vertical Restraints	258
2.6.2	Types of Vertical Restraints	259
2.6.2.1	Exclusive Distribution Group	259
2.6.2.2	Single-Branding Group	261
2.6.2.3	Resale Price Maintenance Group	262
2.6.2.4	Market-Partitioning Group	262
2.6.2.5	Combinations of Vertical Restraints	263
2.6.3	Economics of Vertical Restraints	263
2.6.3.1	Different Schools of Thought	263
2.6.4	Competitive Effects of Vertical Restraints	268
2.6.4.1	Beneficial Effects of Vertical Restraints	268
2.6.4.2	Anti-competitive Effects of Vertical Restraints	271
2.6.4.3	Policy Conclusions on Vertical Restraints	274
2.6.5	Block Exemption Regulation 2790/1999	278
2.6.6	The Guidelines on Vertical Restraints	282
2.7	Implementation of the European Approach: New Competition Rules for Cooperation	287
2.7.1	Regulations 2658/2000 and 2659/2000	289
2.7.2	The Guidelines on Horizontal Cooperation Agreements	290
2.8	Damage Claims	295
2.8.1	Reasons for Damage Calculations	295
2.8.2	Calculation Methods	295
3	Economic Analyses in Article 81(3)	297
3.1	Development in the Assessment of Article 81(3)	298
3.1.1	Contribution to Improving the Production or Distribution or to Promoting Technical or Economic Progress	298
3.1.2	Consumers Receive a Fair Share of the Resulting Benefit	299
3.1.3	The Indispensability Criterion	300
3.1.4	No Substantial Elimination of Competition	300
3.2	The Guidelines on the Application of Article 81(3)	300

3.2.1	First Condition of Article 81(3): Contribution to Improving the Production or Distribution or to Promoting Technical or Economic Progress	302
3.2.1.1	Cost Efficiencies	304
3.2.1.2	Qualitative Efficiencies	304
3.2.2	Second Condition of Article 81(3): Consumers Receive a Fair Share of the Resulting Benefit	305
3.2.3	Third Condition of Article 81(3): The Indispensability Criterion	307
3.2.4	Fourth Condition of Article 81(3): No Elimination of Competition No Substantial Elimination of Competition	309
4	Article 82	311
4.1	Dominance	311
4.1.1	Definition of Dominance	311
4.1.1.1	Single Dominance	311
4.1.1.2	Collective Dominance	313
4.1.1.3	Discussion Paper on Dominance	318
4.1.1.3.1	Factors for Establishing Single Dominance	319
4.1.1.3.2	Factors for Establishing Collective Dominance	320
4.1.2	Definition of the Relevant Market	321
4.1.2.1	Developments in Relevant Product Markets Definitions	324
4.1.2.2	Developments in Relevant Geographic Markets Definitions	332
4.1.3	A Substantial Part of the Common Market	336
4.1.4	The Time Factor	338
4.1.5	Assessment of Economic Strength	339
4.1.5.1	Market Shares	339
4.1.5.2	Market Analyses	344
4.1.5.2.1	Entry Barriers	345
4.1.5.2.2	Market Position of Buyers	349
4.1.6	Developments in the Assessment	349
4.2	Modernization in Article 82	363
4.2.1	The Economic Effect Approach	364
4.2.2	As-Efficient-Competitor Test	366
4.2.3	Possible Defences: Objective Justifications and Efficiencies	370
4.2.4	Examples from the Discussion Paper	372
4.2.4.1	Predatory Pricing	372
4.2.4.2	Rebate Systems	373
4.2.4.2.1	Relevance of Rebates	374
4.2.4.2.2	Anti-competitive Effects of Rebates	375

	4.2.4.2.3	Pro-competitive Effects and Efficiency Considerations of Rebates	375
	4.2.4.2.4	Possible Solutions: A Performance-Based Rebate System	376
	4.2.4.3	Tying and Bundling	377
	4.2.4.3.1	Anti-competitive Effects of Tying and Bundling	377
	4.2.4.3.2	Pro-competitive Effects of Tying and Bundling	377
5		The Merger Regulation	377
	5.1	Appraisals of Concentrations	377
	5.1.1	Evaluation of Economic Effects of Mergers	378
	5.1.2	The Commission's Merger Review	380
	5.2	Market Definition	382
	5.2.1	The Relevant Product Market	386
	5.2.1.1	Developments in the Definition of Relevant Product Markets	390
	5.2.1.2	Notice on the Definition of the Relevant Product Market	400
	5.2.1.2.1	Evidence of Substitution in the Recent Past	401
	5.2.1.2.2	Quantitative Tests	401
	5.2.1.2.3	Views of Customers and Competitors	402
	5.2.1.2.4	Consumer Preferences	402
	5.2.1.2.5	Barriers and Costs Associated with Switching Demand to Potential Substitutes	402
	5.2.1.2.6	Different Categories of Customers and Price Discrimination	403
	5.2.1.2.7	Critical Issues	403
	5.2.2	Use of Economic Evidence in Product Market Definition	405
	5.2.2.1	Economic Methodologies	405
	5.2.2.1.1	HM-Test	405
	5.2.2.1.2	Event Studies	422
	5.2.2.1.3	Critical Loss Analysis	423
	5.2.2.1.4	Bidding Market Analyses	425
	5.2.2.2	Examples of Economic Analyses in Product Market Definition	429
	5.2.3	The Relevant Geographic Market	430
	5.2.3.1	Developments in the Definitions of Relevant Geographic Markets	434
	5.2.3.1.1	Larger Markets than the Community	435
	5.2.3.1.2	Community Markets	436
	5.2.3.1.3	National, Regional and Local Markets	438

5.2.3.2	Notice on the Definition of the Relevant Geographic Market	441
5.2.3.2.1	Past Evidence of Diversion of Orders to Other Areas	443
5.2.3.2.2	Basic Demand Characteristics	443
5.2.3.2.3	Views of Customers and Competitors	443
5.2.3.2.4	Current Geographic Pattern of Purchases	443
5.2.3.2.5	Trade Flows and Pattern of Shipments	443
5.2.3.2.6	Barriers and Switching Costs Associated with Diverting Orders to Companies Located in Other Areas	443
5.2.4	The Use of Economic Evidence in Geographic Market Definitions	444
5.2.4.1	Economic Methodologies	444
5.2.4.1.1	Excess Capacity of Firms Outside the Location of the Merging Firms	447
5.2.4.1.2	Shipment Tests	448
5.2.4.1.3	Analysis of Transport Costs	450
5.2.4.1.4	Price Tests	451
5.2.4.2	Examples of Economic Analyses in Geographic Market Definition	454
5.2.4.2.1	Use of General Indicators	454
5.2.4.2.2	Use of Demand-Side Factors	456
5.2.4.2.3	Use of Supply-Side Factors	457
5.3	Market Assessment	467
5.3.1	The ECMR	467
5.3.1.1	The New Test	467
5.3.1.2	Efficiencies	469
5.3.1.3	The European Courts and The New Two-Tier Test	471
5.3.1.4	Use of Merger Simulation Models	472
5.3.2	Development in Merger Assessments	474
5.3.3	Horizontal Merger Guidelines	479
5.3.3.1	Purpose of the Guidelines	479
5.3.3.2	Market Entry	480
5.3.3.3	Efficiency	483
5.3.4	Non-horizontal Merger Guidelines	485
5.3.4.1	Purpose of the Guidelines	486
5.3.4.2	Analysis of Tying and Bundling	487
5.3.4.2.1	Economic Theory on Tying and Bundling	487

5.3.4.2.2	Models as Practical Guidance?	488
5.3.4.2.3	List of Assessment Criteria	489
5.3.4.3	Analysis of Input and Customer Foreclosure	490
5.3.4.3.1	Assessment of Input Foreclosure	491
5.3.4.3.2	Assessment of Customer Foreclosure	494
5.3.5	Actual and Potential Competition	495
5.3.6	Collective Dominance	500
5.3.6.1	Developments in the Assessment of Collective Dominance	500
5.3.6.2	Assessment of Coordinated Effects in the Merger Guidelines	508
5.3.7	Examples of Economic Analyses in Merger Assessment	511
5.3.7.1	Examples of the Community Courts	511
5.3.7.1.1	The <i>GE/HONEYWELL</i> Case	511
5.3.7.1.2	The <i>Schneider/Legrand</i> Case	512
5.3.7.1.3	The <i>Tetra Laval/Sidel</i> Case	515
5.3.7.1.4	The <i>Impala</i> Case	518
5.3.8	Examples from the EC Commission	519
5.4	Role of Economists in Merger Proceedings	526
6	State Aid Provisions	528
6.1	Economics in the European State Aid Rules	529
6.2	Article 87(3) EC Treaty	531
6.2.1	Balancing Test	531
6.2.1.2	Market Failures	533
6.2.2	General Block Exemption Regulation for State Aid	535
6.3	Refined Economic Approach in Article 87(1) EC Treaty	535
6.3.1	Modernization of Article 81(1) EC Treaty	536
6.3.2	Modernization of Article 87(1) EC Treaty	538
6.3.3	Developments in Case Law	539
6.3.3.1	Assessment of Distortions of Competition	541
6.3.3.2	Assessment of Effects on Trade	541
	Bibliography	543
	Table of Cases	571
	Index	587
