12 Publications and Presentations by Levy Institute Scholars
14 Recent Levy Institute Publications

The Levy Economics Institute of Bard College, founded in 1986, is a nonprofit, nonpartisan research organization devoted to public service. Through scholarship and economic research it generates viable, effective public policy responses to important economic problems that profoundly affect the quality of life in the United States and abroad.

The Report is published four times per year by The Levy Economics Institute of Bard College.

Editor: Feridoon Koohi-Kamali
