Dr Ignatius Ekanem

PERC
Paisley Enterprise Research Centre
University of West of Scotland

Professor David Deakins
Geoff Whittam
Janette Wyper

Study commissioned by the
Enterprise, Energy and Tourism Directorate, Scottish Government

ACKNOWLEDGEMENTS

The researchers are particularly grateful to Sandy Paton for advising on the banking aspects of the research, to the three Scottish commercial banks and the Princes Scottish Youth Business Trust that agreed to cooperate with the research, and to the eight bank managers who were interviewed. We would also like to thank all the SME owner-managers who took part in the interview survey.
# CONTENTS

EXECUTIVE SUMMARY
