Ingmar J. Schustereder

Welfare State Change in Leading OECD Countries
The Influence of Post-Industrial and Global Economic Developments

With a foreword by Prof. Dr. Joachim Ahrens
Part II Historical Development and Contemporary Challenges of the Advanced Capitalist Welfare State .......... 39

4 Historical Phases of Welfare State Development .......... 41
  4.1 Social Protection in the Pre-Welfare State Era .......... 41
  4.2 The Genesis of the Welfare State .......... 42
  4.3 The Interwar Period of Consolidation .......... 44
  4.4 The “Golden Age” of Major Welfare State Expansion .......... 45
  4.5 The Welfare State in the Post-“Golden Age” Era .......... 48

5 Post-Industrial Challenges of the Contemporary Capitalist Welfare State .......... 49
  5.1 The Phenomenon of Deindustrialization .......... 49
  5.2 The Demographic Shift .......... 54
  5.3 Changing Household Structures and the Rise of New Social Risks .......... 59
  5.4 Welfare State Maturation and Labor Market Imbalances .......... 63
  5.5 Post-Industrial Pressures and Agents of Welfare State Change: Partisan Politics versus New Politics .......... 66

6 Economic Globalization and the Contemporary Capitalist Welfare State .......... 71
  6.1 The Underlying Causal Forces of Economic Globalization .......... 71
  6.2 The Three Dimensions of Economic Globalization .......... 72
    6.2.1 The Globalization of Product Markets .......... 73
      6.2.1.1 Trade Globalization .......... 73
      6.2.1.2 Foreign Direct Investment and the Globalization of Corporate Activities .......... 77
    6.2.2 The Globalization of Capital Markets .......... 80
    6.2.3 The Globalization of Labor Markets .......... 87
  6.3 The Effects of Global Economic Forces on the Welfare State: Four Different Hypotheses .......... 94
    6.3.1 The Openness Literature .......... 95
      6.3.1.1 The Competitiveness View .......... 95
      6.3.1.2 The Compensation View .......... 97
      6.3.1.3 The Curvilinear View .......... 99

Part III Empirical Analyses of the Driving Forces Behind the Contemporary Capitalist Welfare State .......... 105

7 Methodological Issues in Comparative Welfare Capitalism Research .......... 107
8 A Quantitative Study on the Determinants of Welfare Spending

8.1 Patterns of Public Social Spending
8.2 The Econometric Analysis
8.2.1 Contribution to Comparative Welfare State Research
8.2.2 Modeling Potential Determinants of Welfare Spending
8.2.2.1 Explanatory Variables as a Proxy for Post-Industrial Challenges
8.2.2.2 Explanatory Variables as a Proxy for the Openness Literature
8.2.2.3 Explanatory Variables as a Proxy for the Context-Contingent View
8.2.2.4 Control Variables
8.3 Methodology
8.4 Empirical Results
8.4.1 Baseline Model Results
8.4.2 Interaction Model Results
8.4.3 Structural Break Model Results
8.4.4 Shortcomings of the Quantitative Analysis and Further Research Needs

9 A Qualitative Study on the Recent Development Process of Advanced Capitalist Welfare States

9.1 The Development of Welfare State Revenues in the Contemporary Era
9.1.1 The Competitiveness View and the Hypothesis of International Tax Competition
9.1.2 The Hypothesis of Tax Competition in the Empirical Literature
9.1.3 The Evolution of Welfare State Revenues: A Cross-Country Analysis
9.2 The Development of Welfare Expenditure Patterns in the Contemporary Era
9.2.1 A Brief Summary Review of Welfare State Regime Analysis
9.2.2 The Recent Development Process of the Three Welfare State Clusters: A Comparative Analysis
9.2.2.1 The Three Welfare State Clusters in Broad Perspective: Size and Principal Categories of Public Social Spending
9.2.2.2 The Three Welfare State Clusters and the Welfare State-Labor Market Nexus
10 Summarized Findings and Conclusion .............................................. 177
Appendix .................................................................................. 181
