## Part 1  Introduction to E-Commerce and E-Marketplaces  
### CHAPTER 1 OVERVIEW OF ELECTRONIC COMMERCE  
**Beijing 2008: A Digital Olympics**  
1.1 **ELECTRONIC COMMERCE: DEFINITIONS AND CONCEPTS**  
- Defining Electronic Commerce  
- Defining E-Business  
- Other EC Concepts  
- Electronic Markets and Interorganizational and Intraorganizational Information Systems  
1.2 **THE ELECTRONIC COMMERCE FIELD: CLASSIFICATION, CONTENT, AND HISTORY**  
- An EC Framework  
- Classification of EC by the Nature, Direction of the Transactions, and Interactions  
Case 1.1 **EC Application: Want to Buy Chocolate Online?**  
Try Godiva.com  
A Brief History of EC  
The Future of EC  
1.3 **E-COMMERCE 2.0: FROM WEB 2.0 TO ENTERPRISE SOCIAL NETWORKING AND VIRTUAL WORLDS**  
- Social Computing  
- Web 2.0  
- Social Networks and Social Network Services  
Case 1.2 **EC Application: MySpace: The World's Most Popular Social Networking Web Site**  
Enterprise Social Networks  
Virtual Worlds and Second Life  
1.4 **THE DIGITAL WORLD: ECONOMY, ENTERPRISES, AND SOCIETY**  
- The Digital Economy  
- The Digital Enterprise  
- The Digital Society  
1.5 **ELECTRONIC COMMERCE DRIVERS AND THE CHANGING BUSINESS ENVIRONMENT**  
- The Drivers of EC and Its Growth  
- Performance, Business Pressures, and Organizational Responses  
1.6 **ELECTRONIC COMMERCE BUSINESS MODELS**  
- The Structure and Properties of Business Models  
- Typical EC Business Models  
1.7 **THE BENEFITS, LIMITATIONS, AND IMPACTS OF ELECTRONIC COMMERCE**  
- The Benefits and Impacts of EC  
- The Limitations and Barriers of EC  
- Why Study E-Commerce?  
1.8 **OVERVIEW OF THIS BOOK**
### Case 1.3 EC Application: How College Students Become Entrepreneurs

CHAPTER 4  CONSUMER BEHAVIOR, INTERNET MARKETING, AND ADVERTISING ........................................ 184

Netflix Increases Sales Using DVD Recommendations and Advertisements ................................ 185

4.1 LEARNING ABOUT CONSUMER BEHAVIOR ONLINE ............................................. 186
   A Model of Consumer Behavior Online .......................................................... 186

4.2 THE CONSUMER PURCHASING DECISION-MAKING PROCESS ....................... 189
   A Generic Purchasing-Decision Model ......................................................... 189
   Customer Decision Support in Web Purchasing .......................................... 190
   Players in the Consumer Decision Process ................................................... 191

4.3 MASS MARKETING, MARKET SEGMENTATION, AND ONE-TO-ONE MARKETING .... 191
   From Mass Marketing to One-to-One Marketing ........................................... 191
   How One-to-One Relationships Are Practiced .............................................. 192

4.4 PERSONALIZATION AND BEHAVIORAL MARKETING .................................. 194
   Personalization in E-Commerce ................................................................. 194

Insights and Additions 4.1: Cookies in E-Commerce ...................................................... 195
   Behavioral Marketing and Collaborative Filtering ........................................ 195

4.5 LOYALTY, SATISFACTION, AND TRUST IN EC .................................................. 196
   Customer Loyalty ..................................................................................... 196
   Satisfaction in EC .................................................................................... 197
   Trust in EC ............................................................................................... 198

4.6 MARKET RESEARCH FOR EC ........................................................................... 200
   Objectives and Concepts of Market Research Online .................................. 200

Case 4.1 EC Application: Internet Market Research Expedites Time-to-Market at Procter & Gamble ......... 201
   Representative Market Research Approaches ............................................ 201

Insights and Additions 4.2: Market Research by Comscore, Inc. ........................................ 203
   Limitations of Online Market Research and How to Overcome Them ........... 206
   Biometric Marketing ................................................................................... 206

4.7 WEB ADVERTISING .......................................................................................... 207
   Overview of Web Advertising ..................................................................... 207
   Some Internet Advertising Terminology ..................................................... 208
   Why Internet Advertising? .......................................................................... 208
   Advertising Networks .................................................................................. 209

4.8 ONLINE ADVERTISING METHODS ..................................................................... 210
   Banners ...................................................................................................... 210
   Pop-Up and Similar Ads .......................................................................... 211
   E-Mail Advertising ..................................................................................... 211
   Newspaper-Like and Classified Ads ............................................................. 212
   Search Engine Advertisement .................................................................. 212
   Google—The Online Advertising King ...................................................... 213
   Advertising in Chat Rooms ....................................................................... 213

Insights and Additions 4.3: Google’s Major Advertisement Methods .................................... 214
   Other Forms of Advertising ....................................................................... 215

4.9 ADVERTISING STRATEGIES AND PROMOTIONS ........................................... 217
   Social Network Advertising ....................................................................... 217
   Video Ads on the Web and in Social Networking ....................................... 217
   Viral Marketing ......................................................................................... 218
CHAPTER 6  E-SUPPLY CHAINS, COLLABORATIVE COMMERCE, AND CORPORATE PORTALS   285

Boeing’s Global Supply Chain for the Dreamliner 787   286

6.1  E-SUPPLY CHAINS   287
    Definitions and Concepts   287
    Supply Chain Parts   288
    Managing Supply Chains   289

6.2  SUPPLY CHAIN PROBLEMS AND SOLUTIONS   292
    Typical Problems Along the Supply Chain   292
    EC Solutions Along the Supply Chain   293

6.3  RFID AS A KEY ENABLER IN SUPPLY CHAIN MANAGEMENT   295
    The RFID Revolution   295
    RFID Applications in the Supply Chain   296
    Limitations and Concerns of RFID   298

Case 6.1  EC Application: Airbus Improves Productivity with RFID   299
    RuBee: An Alternative to RFID?   300

6.4  COLLABORATIVE COMMERCE   301
    Essentials of Collaborative Commerce   301
    Collaboration Hubs   301
    Collaborative Networks   301
    Representative Examples of E-Collaboration   302
    Barriers to C-Commerce   306

6.5  COLLABORATIVE PLANNING, CPFR, APS, AND PLM   306
    Collaborative Planning, Forecasting, and Replenishment   307
    Advanced Planning and Scheduling   307

Case 6.2  EC Application: West Marine: A CPFR Success Story   308
    Product Lifecycle Management   308
    Supporting Joint Design   309

6.6  SUPPLY CHAIN INTEGRATION   309
    How Information Systems Are Integrated   309
    Integration Along the Extended Supply Chain   310

6.7  CORPORATE (ENTERPRISE) PORTALS   310
    Corporate Portals: An Overview   310
    Types of Corporate Portals   312
    Corporate Portal Applications and Issues   313

6.8  COLLABORATION-ENABLING ENVIRONMENTS AND TOOLS   314
    Workflow Technologies and Applications   314
    Collaboration and Groupware: Some Basic Concepts   315
    Electronic Meeting Systems: Face-to-Face Support and Virtual Meetings   317
    Real-Time Collaboration Tools for Virtual Meetings   318
Contents

Electronic Teleconferencing 319
Unified Communication: Integration and Groupware Suites 320
Collaboration 2.0 323
Implementation Issues for Online Collaboration 325

Case 6.3 EC Application: Wikis, Blogs, and Chats Support Collaboration at DrKW 326

Managerial Issues 327
Summary 328
Key Terms 328
Questions for Discussion 329
Internet Exercises 329
Team Assignments, Projects, and Class Discussions 330
Closing Case: How Wal-Mart Uses EC in Its Supply Chain 331
Online Resources 333
References 333

Part 4 Other EC Models and Applications 336

Chapter 7 Innovative EC Systems: From E-Government and E-Learning to Consumer-to-Consumer E-Commerce 336

Caterpillar Inc. Champions E-Learning 337

7.1 E-Government: An Overview 338
Definition and Scope 338
Government-to-Citizens 338
Government-to-Business 342
Government-to-Government 343
Government-to-Employees and Internal Efficiency and Effectiveness 343

7.2 Implementing E-Government 344
The Transformation to E-Government 344
E-Government and Social Networking 346
Implementation Issues of E-Government 346
M-Government 347

7.3 E-Learning 347
The Basics of E-Learning: Definitions and Concepts 347

Case 7.1 EC Application: E-Learning at Cisco Systems 349

Benefits and Drawbacks of E-Learning 350
Preventing E-Learning Failures 352
Distance Learning and Online Universities 352
Online Corporate Training 353
Implementing E-Learning and E-Training 354
Edutainment 354
Social Networks and E-Learning 354
Learning in Virtual Worlds and Second Life 355
Visual Interactive Simulation 357
E-Learning Tools and Management 357

7.4 Online Publishing and E-Books 359
Content Providers, Publishers, and Distributors 359
Electronic Books 360
Print-on-Demand 363
Mobile Music and Video 400
Mobile Games 400
Mobile Gambling 401

8.7 LOCATION-BASED MOBILE COMMERCE ...................................... 402
L-Commerce Infrastructure 403
Location-Based Services and Applications 404
Barriers to Location-Based M-Commerce 405

8.8 SECURITY AND OTHER IMPLEMENTATION ISSUES IN MOBILE COMMERCE .......................................................... 406
M-Commerce Security Issues 406
Technological Barriers to M-Commerce 407
Ethical, Legal, and Health Issues in M-Commerce 408

8.9 PERVERSIVE COMPUTING .......................................................... 409
Overview of Pervasive Computing 409
Radio Frequency Identification (RFID) 410
Sensor Networks and Smart Items 413

Case 8.2  EC Application: Wi-Fi Sensor Net Aids Winemakers  .......... 415
Privacy and Pervasive Computing 416

MANAGERIAL ISSUES ......................................................................... 417
SUMMARY ....................................................................................... 418
KEY TERMS .................................................................................... 419
QUESTIONS FOR DISCUSSION ....................................................... 420
INTERNET EXERCISES .................................................................... 420
TEAM ASSIGNMENTS, PROJECTS, AND CLASS DISCUSSIONS ........ 421

ONLINE RESOURCES ....................................................................... 422
REFERENCES .................................................................................. 423

CHAPTER 9 THE WEB 2.0 ENVIRONMENT AND SOCIAL NETWORKS ................................................................. 425
Wikipedia and Its Problems of Content, Quality, and Privacy Protection 426

9.1 THE WEB 2.0 REVOLUTION, SOCIAL MEDIA, AND INDUSTRY DISRUPTORS ......................................................... 427
What Is Web 2.0? 427
Representative Characteristics of Web 2.0 427
Web 2.0 Companies and New Business Models 428
Social Media 429
Industry and Market Disruptors 429

9.2 VIRTUAL COMMUNITIES .............................................................. 431
Characteristics of Traditional Online Communities and Their Classification 431

9.3 ONLINE SOCIAL NETWORKING: BASICS AND EXAMPLES ............................................................................. 434
A Definition and Basic Information 434
Representative Social Networks Sites and Services 436
Mobile Social Networking 437

9.4 MAJOR SOCIAL NETWORK SERVICES: FROM FACEBOOK TO FLICKR ......................................................... 438
Facebook: The Network Effect 438
Bebo 439
9.5 BUSINESS AND ENTERPRISE SOCIAL NETWORKS
Definitions, Concepts, Types, and Examples
Enterprise Social Networks
Other Social Networking Structures
Social Marketplaces

9.6 COMMERCIAL ASPECTS OF WEB 2.0 AND SOCIAL NETWORKING APPLICATIONS
Why Is There an Interest?
Case 9.2 EC Application: Revenue Sources at YouTube
Advertising Using Social Networks, Blogs, and Wikis
Shopping in Social Networks
Feedback from Customers: Conversational Marketing
Commercial Activities in Business and Enterprise Social Networks
Revenue-Generation Strategies in Social Networks
Risks and Limitations When Interfacing with Social Networks
Justifying Social Media and Networking

9.7 ENTERTAINMENT WEB 2.0 STYLE: FROM SOCIAL NETWORKS TO MARKETPLACES
Entertainment and Social Networks
Advertising Movies and Events in Communities
Online Marketplace for Movies
Mobile Web 2.0 Devices for Entertainment and Work
Yahoo! Go

9.8 THE FUTURE: WEB 3.0 AND WEB 4.0
Web 3.0: What's Next?

MANAGERIAL ISSUES
SUMMARY

CHAPTER 12  FULFILLING E-COMMERCE ORDERS AND OTHER EC SUPPORT SERVICES 550

How Amazon.com Fulfills Orders 551

12.1  ORDER FULFILLSMENT AND LOGISTICS—AN OVERVIEW 552
- Acquiring Goods and Services 553
- Basic Concepts of Order Fulfillment and Logistics 553
Contents

Overview of Logistics ........................................... 553
The EC Order Fulfillment Process .......................... 553

Insights and Additions 12.1: What Services Do Customers Need? ........................................... 556

12.2 PROBLEMS IN ORDER FULFILLMENT .......... 557
Typical Supply Chain Problems ............................ 557
Why Supply Chain Problems Exist ...................... 557

12.3 SOLUTIONS TO ORDER FULFILLMENT PROBLEMS ......................... 558
Improvements in the Order-Taking Activity .......... 558
Warehousing and Inventory Management Improvements .......................... 558

Case 12.1 EC Application: How WMS Helps Schurman Improve Its Internal and External Order Fulfillment System ................. 559
Speeding Deliveries ........................................... 560
Partnering Efforts and Outsourcing Logistics ........ 561
Integrated Global Logistics Systems .................... 561

Insights and Additions 12.2: UPS Provides Broad EC Services .......................... 562
Order Fulfillment in Mass Customization ................ 562
Handling Returns (Reverse Logistics) ................... 563
Order Fulfillment in B2B ..................................... 564

Case 12.2 EC Application: How Daisy Brand Fulfills B2B Orders ..................... 565
Innovative E-Fulfillment Strategies ....................... 566

Case 12.3 EC Application: How Sundowner Motor Inns Fulfills Its Online Reservations ........................................... 566

12.4 INTEGRATION AND ENTERPRISE RESOURCE PLANNING ......................... 567
Enterprise Resource Planning: An Overview ........... 568
Advantages and Benefits of ERP Systems ............... 568

12.5 INTELLIGENT AGENTS AND THEIR ROLE IN E-COMMERCE ......................... 570
Definitions and Basic Concepts .......................... 570
Multiagent Systems ......................................... 572
Applications of Software and Intelligent Agents in E-Commerce ......................... 573

12.6 OTHER E-COMMERCE SUPPORT SERVICES ......................... 574
Consulting Services ......................................... 574
Directory Services, Newsletters, and Search Engines ........................................... 574

CHAPTER 14  ECONOMICS AND JUSTIFICATION OF ELECTRONIC COMMERCE ........................................ 627

Justifying Investment in IT and EC at California State Automobile Association  .................................. 628

14.1  WHY JUSTIFY E-COMMERCE INVESTMENTS? HOW CAN THEY BE JUSTIFIED? .......................... 629

- Increased Pressure for Financial Justification
- Other Reasons Why EC Justification Is Needed
- EC Investment Categories and Benefits
- How Is an EC Investment Justified?
- What Needs to Be Justified? When Should Justification Take Place?
- Using Metrics in EC Justification

14.2  DIFFICULTIES IN MEASURING AND JUSTIFYING E-COMMERCE INVESTMENTS ....................... 633

- The EC Justification Process
- Difficulties in Measuring Productivity and Performance Gains
- Relating IT Expenditures to Organizational Performance
- Intangible Costs and Benefits
- The Process of Justifying EC and IT Projects

14.3  METHODS AND TOOLS FOR EVALUATING AND JUSTIFYING E-COMMERCE INVESTMENTS ........ 637

- Opportunities and Revenue Generated by EC Investment
- Methodological Aspects of Justifying EC Investments
- Traditional Methods for Evaluating EC Investments
- Implementing Traditional Methods
- ROI Calculators
- Advanced Methods for Evaluating IT and EC Investments

14.4  EXAMPLES OF E-COMMERCE PROJECT JUSTIFICATION ......................................................... 642

- Justifying E-Procurement
- Customer Service and e-CRM
- Justifying a Portal
- Justifying E-Training Projects
- Justifying an Investment in Mobile Computing and in RFID

Insights and Additions 14.1: E-Procurement Metrics 643

- Justifying Security Projects
- Justifying Social Networking and the Use of Web 2.0 Tools

Case 14.1  EC Application: Paesano Restaurant Justifies Wireless E-Commerce .................................... 646

- Justifying Security Projects
- Justifying Social Networking and the Use of Web 2.0 Tools

14.5  THE ECONOMICS OF E-COMMERCE .................................................. 648

- Reducing Production Costs
- Increased Revenues
- Reducing Transaction Friction or Risk
- Facilitating Product Differentiation
- EC Increases Agility
- Valuation of EC Companies

14.6  OPPORTUNITIES FOR SUCCESS IN E-COMMERCE AND AVOIDING FAILURE ..................... 653

- Factors That Determine E-Commerce Success
- E-Commerce Failures
- E-Commerce Successes
- Opportunities for Success: Creating Digital Options
- Cultural Differences in EC Successes and Failures
- Can EC Succeed in Developing Economies?
CHAPTER 15 LAUNCHING A SUCCESSFUL ONLINE BUSINESS AND EC PROJECTS 666

OBO Sets Its Goals for Success 667
