TABLE OF CONTENTS

CHAPTER 1: INTRODUCTION ................................................................. 1

1.1 Information Risk and Liquidity Risk in Treasury bond Market........... 1
1.2 Default, Liquidity Risk and Tax Effect on Municipal Bonds Yield....... 6
1.3 Organization of the Rest of Study.................................................. 11

CHAPTER 2: LIQUIDITY, INFORMATION-RISK, AND ASSET PRICING: EVIDENCE FROM THE U.S. GOVERNMENT BOND MARKET ................................................................. 13

2.1 The Model and Estimation Methodology.......................................... 15
  2.1.1 Measure of Information Risk.................................................. 15
  2.1.2 Measure of Liquidity Risk...................................................... 21

2.2 Estimates of Information and Liquidity Risk Measures..................... 24
  2.2.1 Data....................................................................................... 24
  2.2.2 Estimates of the Trade Process and Information Risk............... 26
  2.2.3 Estimate of Treasury Market Liquidity.................................... 33

2.3 Information, Liquidity Risk and Equilibrium Bond Returns.............. 35
  2.3.1 Methodology........................................................................... 35
  2.3.2 Empirical Results..................................................................... 39
  2.3.3 Robustness Checks.................................................................. 41

2.4 Summary....................................................................................... 44
CHAPTER 3: LIQUIDITY, DEFAULT, TAXES AND YIELDS ON MUNICIPAL BONDS

3.1 Related Literature

3.2 Liquidity Risk and Municipal Bond pricing

3.2.1 A Municipal bond pricing model with liquidity risk

3.2.2 Estimation Procedure

3.3 Data Description

3.4 Empirical Results

3.4.1 Estimation of the Model without Liquidity Risk

3.4.2 Estimation of the Model with Liquidity Risk

3.4.3 Decomposition of Municipal Bond Yields

3.4.4 Likelihood Ratio Tests

3.5 Summary

CHAPTER 4: CONCLUSIONS

REFERENCES
