References Committee

Volume I

Economic challenges facing
Papua New Guinea and the island states
of the southwest Pacific

C 261478

November 2009

Table of contents

Members of the committee	iii
Acronyms and abbreviations	xv
Executive summary	xvii
CHAPTER 1	
INTRODUCTION AND CONDUCT OF INQUIRY	1
Referral of inquiry	1
Terms of reference	1
Conduct of inquiry	2
Terminology	2
Previous inquiries	2
Scope of inquiry	2
Statistics	5
Structure of the report	5
Security	6
Acknowledgments	6
PART 1—PACIFIC ISLAND COUNTRIES—OVERVIEW OF ECONOMIC PERFORMANCE	7
CHAPTER 2	
ECONOMIC PERFORMANCE	9
Economic growth	9
GDP per capita	11
Growth in context	12
Remittances	13
Overseas aid	14
Global economic turmoil	15
Human development	18
Conclusion	21
CHAPTER 3	
STRUCTURAL IMPEDIMENTS TO ECONOMIC GROWTH	23
Population	23
Land mass	25
Natural endowments	25
Proximity to major markets	29
Natural disasters and climate change	30
Recent disasters	32
Climate change	32
Overcoming impediments to economic growth	34
Conclusion	35

PART II—SUSTAINABLE DEVELOPMENT AND COMMERCIAL OPPORTUNITIES	37
CHAPTER 4	
FOOD SECURITY—AGRICULTURE AND FISHERIES	39
Food security	39
Sustainable development	42
Research and development for increased productivity and food security	44
Fisheries	45
Coastal fisheries	45
Commercial fisheries	47
Over exploitation	47
Distant Water Fishing Nations	48
Illegal activities	49
Conservation and management	51
Capacity to engage in regional organisations and implement policy	52
Conclusion	54
CHAPTER 5	
FORESTRY AND MINING	57
Forestry	57
Forests and sustainable development	57
Causes of forest degradation—priorities	59
Understanding sustainable development	60
Capacity and resources to manage forests	61
Reinvestment for sustainable development	62
Illegal activities and corruption	63
Summary	65
Mining	65
Environmental concerns	66
Summary	67
Sustainable development, natural disasters and climate change	68
Natural disasters	68
Climate change	69
Summary	72
Conclusion	73
CHAPTER 6	
AUSTRALIA'S ASSISTANCE—SUSTAINABLE DEVELOPMENT	75
Food security	76
Agriculture—research, development and capacity building	78
CSIRO	78
Fisheries—research, development and capacity building	80
Managing resources	82
Forestry	85

Minimising the effects of natural disasters and climate change	87
Regional response to climate change	89
Australia's response to climate change in the region	90
Mitigation	93
Resettlement	94
Conclusion	97
CHAPTER 7	
OPPORTUNITIES FOR COMMERCIAL DEVELOPMENT	99
Cash crops	99
Impediments to commercial production	100
Quality of produce and reliability of supply	101
Quarantine restrictions	102
Research and development for export	103
Business management skills	104
Marketing and negotiation skills	106
Mining—expanding export earnings	108
Tourism	109
Conclusion	110
CHAPTER 8	
AUSTRALIA'S ASSISTANCE—EXPANDING MARKETS	113
Research and development	113
Non-tariff barriers	114
Trade negotiation skills	116
PACER Plus	116
Mining	119
Tourism	121
Pacific Investment Commissioner	123
Conclusion	125
CHAPTER 9	
BUSINESS ENVIRONMENT—INFRASTRUCTURE	127
State of infrastructure	127
Infrastructure and economic performance	128
Telecommunications	133
More reforms needed	137
Aviation	139
Trained personnel	140
Other impediments	141
Shipping	143
Summary	143
Australia's assistance	144
Human capacity	146

CHAPTER 10	
EDUCATION AND TRAINING	149
Skills shortages and unskilled workforce	149
Basic education	150
Literacy and numeracy	153
Secondary education	155
Non-formal education	156
Vocational education	157
Higher education	158
Impediments to higher educational standards	159
Affordability	159
Physical access	160
Facilities	160
Teacher training and supply of teachers	162
Curriculum and relevance	163
Standards	165
Funding	166
Governance and administration	168
Conclusion	169
CHAPTER 11	
AUSTRALIA'S ASSISTANCE—EDUCATION AND TRAINING	171
Regional initiatives	171
Australia's engagement in Pacific education and training	172
Pacific Partnerships for Development	173
Australia–Pacific Technical College	175
Range of activities	179
Scholarships	181
Brain drain	184
Statistics	185
Governance	185
Donors	186
Review of Australia's assistance to education and training in the region	188
CHAPTER 12	
WORKFORCE	189
Statistics	189
Employment in Pacific island countries	189
Unemployment and underemployment	191
Youth	192
Women	193
Implications for the region	194
Opportunities for job creation	195
Labour markets	195
Economic activity	196

Labour mobility	198
Migration	199
Conclusion	201
CHAPTER 13	
AUSTRALIA'S RESPONSE TO UNEMPLOYMENT	203
Pacific Seasonal Labour Pilot Scheme	203
Progress	204
Benefits of the scheme	205
Remittances	205
Training	205
People-to-people links	206
Additional advantages	207
Concerns about the scheme	209
Suggested improvements	216
Evaluation	217
Conclusion	220
CHAPTER 14	
ECONOMIC MANAGEMENT AND STATE INSTITUTIONS	221
Public administration and economic performance	221
Capacity to deliver essential services	223
Financial management	227
Managing income from large commercial operations	228
Smaller Pacific island countries	230
Conclusion	232
CHAPTER 15
