## 1 Introduction

1.1 Melbourne's North reports  
1.2 The 2003 Growing Melbourne's North report  
1.3 The 2003 Growing Melbourne's North report: progress on key goals  
1.4 Prevailing economic and social conditions

## 2 Melbourne's North: Households measured and compared

2.1 Households compared  
2.1.1 National overview: SOR analysis  
2.2 Household performance by LGA  
2.2.1 The NIEIR unemployment rate  
2.2.2 Banyule  
2.2.3 Darebin  
2.2.4 Hume  
2.2.5 Moreland  
2.2.6 Nillumbik  
2.2.7 Whittlesea  
2.2.8 Yarra

## 3 Melbourne's North: People and community

3.1 The people that live here  
3.2 Community capacity for a knowledge intensive future  
3.2.1 Building knowledge intensive communities  
3.2.2 Investing in new markets and technologies  
3.3 The local economy, building communities of the future  
3.3.1 A stronger and more integrated local economy  
3.4 Creativity and the information society  
3.5 Resident skills and occupational balance  
3.6 Lifelong learning and educational achievement  
3.6.1 Post-secondary education providers  
3.6.2 Highly qualified residents  
3.7 Household size  
3.8 Ageing  
3.9 Average weekly income: households  
3.10 Average weekly income: individual resident
4 Benchmarking performance: a data envelop analysis
   4.1 The results of the DEA analysis

5 The macroeconomic structure and interdependency of Melbourne’s North
   5.1 GDP formation
      5.1.1 Economic interdependency estimates – employment
      5.1.2 Dormitory employment status versus LGA economic development

6 Melbourne’s North: Business, an overview
   6.1 Businesses in Melbourne’s North
      6.1.1 Size of businesses by sector
      6.1.2 Small businesses (employing less than 10 persons)
      6.1.3 Medium size businesses (employing 10 to 50 persons)
      6.1.4 Large size businesses (employing more than 50 persons)
      6.1.5 National trends in the distribution of businesses
   6.2 Businesses in Melbourne’s North: relative employment proportions

7 Melbourne’s North: Opportunities
   7.1 Education
      7.1.1 The role of education in Melbourne’s North
      7.1.2 The TAFE sector in Melbourne’s North
   7.2 Working together
   7.3 Employment
   7.4 Relocation of Melbourne Wholesale Fruit and Vegetable Market
   7.5 Wholesale
   7.6 Manufacturing
   7.7 Transport and storage
   7.8 Melbourne Airport
   7.9 Biotechnology
   7.10 Construction
   7.11 Retail
   7.12 Government services
   7.13 Health
   7.14 Business services
   7.15 Incubators

8 Melbourne’s North: Employment
   8.1 Industry and local employment
      8.1.1 Local employment capacity
      8.1.2 Employment generation ratio
   8.2 Journey to work
   8.3 Opportunity cost of travel
8.4 Skills

8.4.1 High skills: industry and residence by SLA
8.4.2 21st century skills
