**Contents**  

### 1. Introduction

- **The motivation of the research**  
  - 3
- **1.1. Aims and Research Questions**  
  - 4
- **1.2. Outline of Thesis**  
  - 5
- **1.3. Background**  
  - 8
  - Lao PDR; population and regions  
    - 8
  - Socio-economic change in Laos  
    - 14
  - Transportation and communication  
    - 20
  - Education and public health  
    - 20
  - Rural development and poverty reduction  
    - 23
- **1.4. Patterns of Migration in Lao PDR**  
  - 24
  - Rural migration and resettlement  
    - 24
  - Migration to Vientiane and other urban areas  
    - 28
  - Migration to other countries  
    - 32

### 2. Theoretical Framework and Previous Studies

- 2.1. Development, Socio-economic Change and Migration  
  - 34
- 2.2. Migration Networks, Remittances and Undocumented Migrants  
  - 36
- 2.3. Feminization of Migration  
  - 39

### 3. Methods and Data

- 41

### 4. Limitations

- 46

### 5. Paper Summaries

- 47
- 5.1. Paper I: Internal Migration and Socio-economic Change in Laos  
  - 47
- 5.2. Paper II: Rural-Urban Migration, Economic Transition and Status of Female Industrial Workers in Lao PDR  
  - 48
- 5.3. Paper III: Patterns and Consequences of Undocumented Migration from Lao PDR to Thailand  
  - 50

### 6. Discussion and Conclusions

- 52

### 7. Summary in Lao Language

- 59

### 8. References
