Money, Islamic Banks and the Real Economy

Abdul Ghafar Ismail
Professor of banking and financial economics
Universiti Kebangsaan Malaysia
Contents

Part I: MONEY AND THE ISLAMIC BANKING SYSTEM 1

CHAPTER 1: AN INTRODUCTION TO MONEY AND THE ISLAMIC BANKING SYSTEM 1
The History of Islamic Banking 3
The Components of the Islamic Banking System 5
The Principles of Money and Islamic Banking 7
Principle 1: Money as Capital 7
Principle 2: Rabbul mal and Mudarib Relationships 8
Principle 3: Risk Sharing 8
Principle 4: Markets Set Prices and Generate Profits 9
Principle 5: Islamic Banking Stability 9
Principle 6: Islamic Banks as Agents for Economic Growth 10
The Organization of This Book 10
Summary 12
Key Terms and Concepts 13
Questions 13

CHAPTER 2: MONEY AND THE PAYMENT SYSTEM 15
The Islamic Concept of Money 17
Ownership 17
Utilization 19
The Functions of Money 25
The medium of exchange 25
The Store of Value 26
The Payment System 26
Cash Payments 26
Payments by Cheque 26
Giro Payments 27
Plastic Cards 27
Charge Cards 27
Credit Cards 28
Debit Cards 28
Credit Cards 28
How does a credit card work in practice? 28
Credit Card Associations 29
Issuers 29
Acquirers 30
Visa Membership 30
Islamic Credit Card 30
Wholesale Payments System 31
EFPOST
CHIPS
Automated Clearing House (ACH)
Money Flows in the Economy
Base Money
Bank Money and Bank Reserves
The Transaction Money Supply
Summary
Key Terms and Concepts
Questions

CHAPTER 3:  FINANCIAL INSTRUMENTS, FINANCIAL MARKETS,
AND ISLAMIC BANKING INSTITUTIONS  39
Linkages between Financial Instruments, Markets, and
Institutions
Financial Instruments
The Creation of Financial Contracts
Uses of Financial Instruments
Financial Markets
The Role of Financial Markets
The Structure of Financial Markets
Money Market
Capital Market
Foreign Exchange Market
Islamic Banking Institutions
The Functions of Islamic Banking Institutions
The difference between Islamic Banks and
Conventional Banks
Business Operations
Social and Ethical Responsibilities
Summary
Key Terms and Concepts
Questions

Part II: ISLAMIC BANKING OPERATIONS  51

CHAPTER 4:  INTRODUCTION TO BASIC CONTRACTS IN
ISLAMIC BANKING  51
Prohibition of Riba
Basic Contracts in Islamic Banking
Contract of Profit-Sharing
Mudarabah
Definition
Basis of Mudarabah
Types of Mudarabah
Terms and Conditions of Mudarabah Contract
| Modern Applications of Mudarabah                     | 59 |
| Musharakhir                                          | 60 |
| Definition                                           | 60 |
| Basis of Musharakhir                                  | 60 |
| Types of Musharakhir                                  | 60 |
| Terms and Conditions of Musharakhir Contracts         | 61 |
| Modern Applications of Musharakhir                    | 61 |
| **Contract of Sale**                                  |    |
| Ijarah                                               |    |
| Definition                                           | 62 |
| Basis of Ijarah                                      | 62 |
| Types of Ijarah                                      | 63 |
| Terms and Conditions of Ijarah Contracts              | 64 |
| Modern Applications of Ijarah                        | 65 |
| Ju'alalah                                            |    |
| Definition                                           | 65 |
| Basis of Ju'alalah                                   | 65 |
| Terms and Conditions of Ju'alalah Contract            | 66 |
| Modern Applications of Ju'alalah                     | 66 |
| Bay'al-Murabahah                                     |    |
| Definition                                           | 66 |
| Basis of Bay'al Murabahah                            | 66 |
| Types of Bay'al-Murabahah                            | 67 |
| Terms and Conditions of Bay'al-Murabahah Contract    | 67 |
| Modern Applications of Bay'al Murabahah              |    |
| Transactions                                         |    |
| Bay' Salam                                           |    |
| Definition                                           | 68 |
| Basis of Bay' Salam                                  | 68 |
| Types of Bay' Salam                                  | 69 |
| Essential Elements of Bay' Salam Contract             | 69 |
| Modern Applications of Bay' Salam                    | 70 |
| Istisna'a                                            |    |
| Definition                                           | 71 |
| Basis of Istisna'a                                   | 71 |
| Terms and Conditions of Istisna'a Contract            | 71 |
| Modern Applications of Istisna'a                     | 72 |
| Qard ul Hasanah                                      |    |
| Definition                                           | 72 |
| Basis of Qard ul Hasanah                             | 72 |
| Terms and Conditions of Qard ul Hasanah Contract      | 73 |
| Modern Applications of Qard ul Hasanah               | 73 |
| Bay' Bithaman Ajil                                   |    |
| Definition                                           | 73 |
| Basis of Bay' Bithaman Ajil                          | 74 |
| Essential Elements of Bay' Bithaman Ajil Contract    | 74 |
Modern Applications of Bay' Bithaman Ajil 75

Bay As-Sarf 75
  Definition 75
  Basis of Bay' As-Sarf 75
  Terms and Conditions of Bay' As-Sarf Contract 76
  Modern Applications of Bay' As-Sarf 76

Contract of Deposits 77
  Al Wadi'ah 77
    Definition 77
    Basis of al-Wadi’ah 77
    Types of Wadi’ah 77
    Essential Elements of Wadi’ah Contract 78
    Modern Applications of Wadi’ah 78

Contract of Wakalah 78
  Wakalah 78
    Definition 78
    Basis of al-Wakalah 79
    Types of al-Wakalah 79
    Terms and Conditions of al-Wakalah Contract 79
    Modern Applications of al-Wakalah 80

Contract of Gift (Hibah) 80
  Definition 80
  Basis of Hibah 80
  Terms and Conditions of Hibah Contracts 81
  Modern Applications of Hibah 81

Contract of Security 82
  Al-Kafalah 82
    Definition 82
    Basis of al-Kafalah 82
    Types of al-Kafalah 83
    Terms and Conditions of al-Kafalah Contract 83
    Modern Applications of al-Kafalah 83

Al-Hawalah 84
  Definition 84
  Basis of al-Hawalah 84
  Types of al-Hawalah 84
  Terms and Conditions of al-Hiwalah Contract 85
  Modern Applications of al-Hiwalah 85

Al-Rahn 85
  Definition 85
  Basis of al-Rahn 85
  Essential Elements of al-Rahn Contract 86
  Modern Applications of al-Rahn 86

Summary 87
Key Terms and Concepts 87
Questions 88
CHAPTER 6: USES OF FUNDS

Example of the Rate of Return on Commodity Investment-Linked Deposits Features 114 Mechanism 115 Returns 116
Inter-bank Placement-i 117 Profit Equalization Reserve 117 Investment Risk Reserve 118
Shareholder Funds Paid-up Capital 119 Reserves 119
Statutory Reserves 120 Financing Loss Reserves 120 Other Capital Accounts 121
The Importance of the Sources of Funds Components 121 Summary 122 Key Terms and Concepts 122 Questions 122

USES OF FUNDS

Cash and Cash Equivalents
Vault cash 126
Required reserves 126
Due to other Islamic Banks 127
Sales Receivables
Bay'-Bithaman Ajil Financing Features 128
Mechanism 128 Calculation of Profit Margin for Financing Activities 129 Calculation of Interim Profit for Partial Disbursement 131
Working Capital Financing-i Features 134
Mechanism 134
Salam Financing Features 136
Mechanism 136
Leasing-i Features 137
Mechanism 138 Rental Payment 139
Hire Purchase-i Features 140
Mechanism 140 Rental Payment 142
Trade Financing Letter of Credit-i 142
CHAPTER 7: INCOME STATEMENT

Components of Income Statements 169
Aligning Internal-External Performance Frameworks with Market Valuations 202
Summary 204
Key Terms and Concepts 205
Questions 205

**CHAPTER 9: ANALYZING ISLAMIC BANK PERFORMANCE WITH FINANCIAL RATIOS** 207

Financial Performance Indicators 209
- Profitability and Sustainability Indicators 209
- Efficiency and Productivity Indicators 210
- Portfolio Quality Indicators 211
- Growth and Outreach Indicators 212
- Financial Structure Indicators 213

Interpreting Performance Indicators – Some Examples 214

**Earnings Performance Ratios** 215
- Net Income to Average Assets 215
- Provision for Financing Losses to Average Assets 215
- Net Realized Gains or Losses to Average Assets 216
- Net Income to Average Assets 217

**Assets Quality Ratios** 217
- Non-current Financings to Total Financings 217
- Allowance for Financing and Lease Losses to Non-current Financings 218

**Capital Adequacy Ratios** 218
- Cash Dividends to Net Income 218
- Tier 1 Capital to Average Assets 218
- The Evaluation of Financial Ratios 219

Summary 222
