# Contents

Psychological humanism 36  
Discussion 39

The Durkheim-human-relations-systems strand 40  
Emile Durkheim 41  
*Human relations and the Hawthorne studies* 43  
*Systems thinking in the sociology of work and organisation* 47  
Corporate cultures 48  
Discussion 49

The interactionist-negotiated-order strand 50  
The *Chicago school and symbolic interactionism* 51  
*Organisations as negotiated orders* 52  
Ethnomethodology 53  
Discussion 55

Summary 56

## 3 Analysing work and organisation: institutionalism, labour process and discourse analysis 57

Key issues 57  

The Weber-social-action-institutional strand 57  
*Max Weber* 58  
*Orientations to work* 61  
*Institutional theories of organisation and the social construction of reality* 62  
Discussion 66

The Marxian-labour-process strand 66  
*Marx and Engels* 67  
*Marxian industrial sociology and labour process analysis* 68  
Discussion 70

The post-structuralist strand and postmodernism 72  
*Postmodernism* 73  
*Post-structuralist labour process thinking, Foucault, discourse and human subjectivity* 74  
Discussion 75

Sociology, discourses and working lives 77  
Summary 79

## 4 Work, organisation and globalisation 80

Key issues 80  

The nature of modern societies 80  
The emergence of industrial capitalism 83  
*From feudalism to capitalism* 83  
*Protestantism and the spirit of capitalism* 85  
*Social groups and the rise of industrialism* 87  
Industrialisation and the changing division of labour 89  
Technology, science and social change 92
5 Work organisations

Key issues

The organisational principle of work structuring

The nature of work organisations

Official and unofficial aspects of organisations

Organisational structures and cultures

Official structure and culture: basic organisational design principles

Bureaucracy

Classical administrative principles

Taylorism and Fordism

The limits of bureaucracy and the paradox of consequences

The virtues of bureaucracy and the fantasy of the post-bureaucratic organisation

Bureaucratic and market logics: an inevitable tension

Contingency and choice in the shaping of organisational structures and cultures

Micropolitics, careers and unofficial management practices

Vertical aspects of micropolitics

Horizontal aspects of micropolitics

Unofficial practices and bureaucratic dysfunctions

Ambiguity and decision processes

Summary

6 The changing organisation and control of work

Key issues

Work restructuring and the logic of corporate management

The restructuring of work in established economies

Financialisation, crisis and instability

The logic of corporate management

Choice and circumstance in the shaping of employment or ‘human resourcing’ practices

Labour processes and employment practice options

HRM and ‘high commitment’ and ‘low commitment’ options

The pursuit of flexibility and direct and indirect managerial control options
## CONTENTS

*Flexibility and new work control practices* 167
*Teamworking and control* 168
*Lean production, downsizing and delayering* 171
*Information and communication technologies (ICTs) and control* 173
*Culture management and worker subjectivity* 176
*Summary* 179

### 7 The occupational principle and the social organisation of work 181

**Key issues** 181
*The occupational principle of work structuring* 181
*Occupational structure, class, status and inequality* 184
*Occupations in a changing class structure* 186
*Labour market segmentation and non-standard employment* 188
  *Part-time and temporary work* 189
  *Home and teleworking* 190
*Work outside employment* 192
  *Self-employment* 192
  *Paid work in the informal economy* 194
  *Domestic work* 195
  *Voluntary work* 198
*Women, men and work* 199
  *Explaining patterns of gender inequality* 204
*Ethnicity and work* 206
*Summary* 207

### 8 Aspects of occupations 208

**Key issues** 208
*Managers, ownership and control* 208
*Supervisors, ‘first line managers’ and team leaders* 210
*Knowledge, creative and cultural workers* 211
*Dirty work and lowly occupations* 213
*Occupational recruitment and socialisation* 213
*Occupational careers* 216
*Occupational identity, culture and ideology* 218
*Occupational communities* 221
*Professionalisation and occupational strategies* 222
*Summary* 228

### 9 Culture, work orientations and the experience of working 229

**Key issues** 229
*Work, meaning and culture* 229
*Entering work* 233
  *Choice and opportunity structures* 233
  *Class, family and educational influences* 234
CONTENTS

Work and satisfaction 236
Technology, work experience and alienation 238
Work orientations: variations, dynamics and the negotiation of implicit contracts 241
  Dynamic work orientations and changing worker priorities 243
  Dynamic work orientations and the negotiation of implicit contracts 246
  Patterns of work orientation and experience within the organisational hierarchy 249
Women's preferences, choices and work orientations 250
Summary 253

10 Identity, narrative and emotion in and out of work 255
Key issues 255
Identity, self-identities and social-identities 255
  Identity work 256
  Narratives and the link between culture and identity 259
  Masculinity and identity 260
  Moulding human subjects and 'the enterprising self' 261
  Identity tensions, ambiguities and occupational circumstances 262
Portfolio and 'boundaryless' careers or 'one dead-end job after another' 263
Managerial work, identities and experiences 266
Anxiety and the human condition 268
  Angst and managerial work 268
  The rise of the stress discourse 269
Emotions and feelings 270
  Emotional labour and emotion management 271
  Aesthetic labour 273
  Sexuality and the workplace 274
Work and non-working lives 275
  Work and leisure 276
  Work–life balance 276
  Unemployment 279
Summary 281

11 Conflict, mobilisation and regulation at work 282
Key issues 282
Conflict and co-operation at work 282
Industrial relations and the sociology of work and industry 284
Analysing conflict at work 286
  Frames of reference 286
  Free market thinking 287
  Unitary thinking 287
  Pluralist analyses 288
  Radical/critical perspectives 289
## CONTENTS

- Contradictions and conflicts 290
- Effort bargains, fragile implicit contracts and the inevitability of grievances 295
- The mobilisation of interests 298
  - Coalitions and interests 298
  - Trade unions and collective bargaining 298
  - Changing patterns of employer-union relations 301
  - Shop stewards and workplace representation 304
- Summary 305

### 12 Resistance, mischief, humour and the defence of self 306

- Key issues 306
- Resistance and organisational mischief 306
- Job control strategies and 'making out' 308
- Accommodation, subjectivity and values 310
- Withdrawal, instrumentalism and the management of boredom 311
- Humour at work 314
- Sexual harassment and bullying 317
- Cheating, fiddling and breaking things 320
- Rule manipulation 322
- Service work and defence of self 323
- Summary 325

- Concept guide and glossary 326
- Bibliography 345
- Author index 396
- Subject index 402
