## 1 Introduction
- Australia and its minerals industry 4
- The trade relations between Australia and China 5
- Chinese investment in the Australian mining industries 10
- Book structure 12

## 2 An Overview of China's Investment in the Australian Mineral Industry: Theoretical Perspective and Investment Characteristics 18
- Existing theoretical perspectives on Chinese ODI 19
  - General theoretical perspectives on FDI 19
  - Special theoretical perspective on China's ODI 20
- Chinese ODI: The developmental process, patterns and characteristics 22
  - The development stage of Chinese ODI 22
  - The motives behind Chinese ODI 24
  - Entry approach of Chinese ODI 26
- Chinese ODI in the Australian minerals industry:
  - An overview and key characteristics 27
  - An overview 27
- Characteristics of Chinese investment in the Australian mining industry 28
  - Mineral distribution and the developmental stage of investment 28
  - The characteristics of acquiring Chinese organisations 34
- Motive and mode of entry by Chinese investors 36
  - Entry motive 36
- Entry approach and the developmental stages of target companies acquired 38
WOS 40
Acquiring a controlling stake 41
JV 41
Minority equity participation 44
Obligations and rights for Chinese investors as JV partners or equity participants 45

3 Australian Regulatory Framework on FDI and its Application to Chinese Investment 48
Introduction 48
A brief description of FDI in Australia and its mining industries 49
FDI in the Australian resources sector 50
Australian regulatory framework for FDI 51
An overview 51
The FATA and the policy 52
The Australian national interest 53
Recent developments on the Australian regulatory framework 54
The Six Principles, SOEs and “Sovereign Wealth Funds” 55
Convertible bonds, and lifting the threshold for foreign investment reviews 57
Clarification of national interest 58
Summary of national interest 59
The outcomes of FIRB decisions on FDI applications between 2001 and 2009 60
Concerns about Chinese investment and their review outcomes 62
Concerns about Chinese investment in the Australian mining industries 62
FIRB decisions on Chinese investment 63

4 The Impact on Australian Political Economy from Chinese Investment into Australia’s Mining Industry 71
Introduction 71
Australia-China economic relations 73
The GFC and impact on Australia-China political economy 80
Political reverberations of the failed Rio Tinto-CHINALCO deal 82
Political nature of CHINALCO 82
Australian political opposition to the deal 83
