ESSAYS ON THE LATIN AMERICAN FOREIGN EXCHANGE MARKET

by

Isabel Ruiz

A Dissertation
Submitted to the
Faculty of The Graduate College
in partial fulfillment of the
requirements for the
Degree of Doctor of Philosophy
Department of Economics
Dr. Susan Pozo, Advisor

Western Michigan University
Kalamazoo, Michigan
December 2006
# TABLE OF CONTENTS

ACKNOWLEDGEMENTS ........................................................................................................... ii

LIST OF TABLES ........................................................................................................................... vii

LIST OF FIGURES ............................................................................................................................. ix

CHAPTER

I. INTRODUCTION, BACKGROUND AND MOTIVATION ......................................................... 1

1.1 LATIN AMERICAN FOREIGN EXCHANGE MARKETS ................................................... 1

1.2 FOREIGN EXCHANGE MARKETS: DYNAMICS, LINKAGES AND COMOVEMENTS .......... 6

1.3 FOREIGN DIRECT INVESTMENT PATTERNS, U.S. FDI AND THE FOREIGN EXCHANGE MARKETS IN LATIN AMERICA .................. 8

1.4 DISSERTATION OVERVIEW ......................................................................................... 12

II. FOREIGN EXCHANGE MARKET INTEGRATION AND COMMON STOCHASTIC TRENDS IN LATIN AMERICA ........................................ 15

2.1 INTRODUCTION ........................................................................................................... 15

2.2 RELATED LITERATURE ................................................................................................. 18

2.3 DATA AND STATIONARITY PROPERTIES ..................................................................... 22

2.4 METHODOLOGY AND ESTIMATION RESULTS ............................................................. 25

2.4.1 Johansen Cointegration Test ...................................................................................... 28

2.4.2 Gregory and Hansen Residual-Based Cointegration Test ........................................ 38

2.5 OVERVIEW OF THE RESULTS ...................................................................................... 43

2.6 SUMMARY AND CONCLUDING REMARKS ................................................................ 44
# Table of Contents - Continued

## CHAPTER

### III. COMMON VOLATILITY ACROSS THE LATIN AMERICAN FOREIGN EXCHANGE MARKET

3.1 INTRODUCTION ................................................. 47
3.2 RELEVANT LITERATURE ........................................... 51
3.3 THEORY AND ECONOMETRIC METHODOLOGY ....................... 54
3.4 DATA DESCRIPTION AND DESCRIPTIVE STATISTICS ................. 61
   3.4.1 Data Description ........................................... 61
   3.4.2 Univariate Descriptive Statistics ........................ 62
3.5 COMMON VOLATILITY IN THE FOREIGN EXCHANGE MARKET .......... 65
   3.5.1 Daily Results ............................................... 65
   3.5.2 Weekly Results ............................................. 69
3.6 SUMMARY AND CONCLUDING REMARKS ............................ 77

### IV. FOREIGN EXCHANGE MARKETS AND THE PATTERN OF U.S. DIRECT INVESTMENT INTO LATIN AMERICA

4.1 INTRODUCTION .................................................. 81
4.2 BACKGROUND AND RELEVANT LITERATURE ......................... 84
4.3 FDI INFLOWS INTO LATIN AMERICA: AN OVERVIEW ................. 89
4.4 DATA DESCRIPTION .............................................. 92
4.5 METHODOLOGY AND ECONOMETRIC SPECIFICATION ................. 94
4.6 ESTIMATION RESULTS ............................................. 97
   4.6.1 Unconditional Measures of Volatility ....................... 99
   4.6.2 Conditional Measures of Volatility: A Proxy to Uncertainty 103
