Revitalizing and Learning from Failure for Future Entrepreneurial Growth
Yasuhiro Yamakawa, Mike W. Peng and David L. Deeds ........................................... 261

NATIONAL FEDERATION OF INDEPENDENT BUSINESS (NFIB) AWARD FOR EXCELLENCE
IN RESEARCH ON THE GENERAL TOPIC OF ENTREPRENEURSHIP
Linking Shared Authentic Leadership to Firm Performance: A Study of New Venture Top Management Teams
Keith M. Hmieleski, Michael S. Cole and Robert A. Baron ......................................... 171

THE STEVENS INSTITUTE OF TECHNOLOGY WESLEY J. HOWE AWARD
FOR EXCELLENCE IN RESEARCH ON THE TOPIC OF CORPORATE ENTREPRENEURSHIP
Managing Human Resources to Achieve New Firm Growth: A Stewardship Perspective
Jake G. Messersmith and Matthew W. Rutherford ....................................................... 653

I. HARVEST

The Impact of Motivation and Causation and Effectuation Approaches on Exit Strategies
Dawn R. DeTienne and Gaylen N. Chandler ................................................................. 1

The Post-Acquisition Performance of Acquired Entrepreneurial Firms
Charlotte Feys and Sophie Manigart ................................................................. 12

SUMMARIES

Dressing Up For a Big Wedding: The Importance of Legitimacy Building When
Realizing an Exit by Trade Sale
Annelies Bobelyn, Bart Clarysse and Mike Wright ................................................. 24

IPO Underpricing, The Perspective of the Issuing Firm: Money Left on the
Table or Strategic Action?
Markus A. Fitza and Daniel A. Lerner ................................................................. 25

INTERACTIVE PAPERS

Exits of International Private Equity Investments
Sofie De Prijcker and David Devigne ................................................................. 26

A Re-Conceptualization and Test of Exit, Exit Rates, Exit Routes, and the Tenuous
Link to Firm Performance
Dawn R. DeTienne ................................................................. 27
II. ANGEL FINANCING

Entrepreneurs’ Trustworthiness: A Critical Ingredient for Attracting Investment  
Andrew Maxwell and Moren Lévesque .................................................. 29

The Importance Angels Place on Passion When Making Investment Decisions: 
Why Does It Matter to Some and Not All Angels?  
Cheryl R. Mitteness, Melissa S. Cardon and Richard Sudek. ......................... 44

Experience, Heuristics and Learning: The Angel Investment Process  
Donald J. Smith, Richard T. Harrison and Colin M. Mason ............................ 58

SUMMARY

Who Can I Rely On? Reliance on Different Sources of Trust in Business Angel Investing  
Sofia Avdeitchikova, Hans Landström and Nils Månsson. ............................. 71

Exploring the Informal Venture Capital Market: Who Becomes an Informal Investor  
and What Determines the Amount They Invest?  
Andrew Burke, Chantal Hartog, Abdel Ichou and André van Stel ................. 72

The Relationship between Entrepreneurs, Angel Investors and Venture Capitalists; 
An Ethics and Governance Perspective  
Yves Fassin and Veroniek Collewaert .................................................... 73

INTERACTIVE PAPERS

The Impact of Start-Ups Initial Financial Strategy on Their Performance  
Arnout Seghers ....................................................................................... 74

Heterogeneous Resource Endowments and Seed Capital Acquisition in Technology- 
Based Ventures: A Resource-Based Analysis  
David M. Townsend and Lowell W. Busenitz ........................................... 75

III. VENTURE CAPITAL

Venture Capitalists’ Exit Strategy: A Dynamic Capabilities and Resource Dependence  
Perspective  
Violetta Gerasymenko and Jonathan D. Arthurs ........................................ 77

Do Follow-On VC Funds Outperform First Time Funds? A Learning Perspective  
Mirjam Knockaert, Mike Wright and Robin De Cock .................................. 91

A Longitudinal Study on the Impact of Cross-Border Venture Capital on Portfolio  
Company Growth  
Ine Paeleman, Tom Vanacker and David Devigne ...................................... 105

SUMMARY

Investor Characteristics as Determinants of Firm Value in Venture Capital  
Financing Rounds  
Andy Heughebaert and Sophie Manigart .................................................. 118

Daniel A. Lerner .................................................................. 336

Curry in a Hurry? A Longitudinal Study on the Acceleration of Performance Through Effectuation by Nascent Entrepreneurs  
Rene Mauer, Willem Smit, William Forster and Jeffrey York ...................................... 337

Experts Rely Less on Planning than Novices: Evidence for Effectuation from Nascent Technology Commercializers  
Erik Monsen, Courtney Price and Sandra Miller ...................................................... 338

What is Good about Being Biased?  
Ksenia Podoynitsyna, Hans van der Bij and Michael Song ......................... 339

Analogical Properties of Entrepreneurial Opportunities and Their Effects on Judgment  
Ugur Uygur ................................................................ 340

Are You Talking To Me? Population Rates as Signals of Entrepreneurial Opportunities  
Matthew S. Wood, William McKinley and Suzanne Nasco ........................................... 341

INTERACTIVE PAPERS

Entrepreneurial Intentions for Subsistence, Lifestyle, Speculative and Growth Opportunities: The Impact of Differing Perceptions of Desirability and Feasibility  
Evan J. Douglas and Bari Lynn Bendell ............................................................... 342

Julian Lange, Edward Marram, Silvana Pencheva, Yan Tan and William Bygrave ........ 343

Entrepreneurship by User-Innovators: How Prevalent is it and How Do Their Attitudes and Aspirations Differ from Other Entrepreneurs?  
Rögnvaldur J. Saemundsson and Eric von Hippel .............................................. 344

Cognitive Insight and Entrepreneur Decision-Making: An Experimental Investigation of Self-Reflectiveness in Opportunity Identification  
David M. Townsend and Steven M. Barr ............................................................... 345

Qian Ye and Sherry Thatcher ................................................................. 346
VII. THE ENTREPRENEUR AND NETWORKS

Serendipitous Entrepreneurship

Karl Wennberg ................................................................. 347

SUMMARIES

Social Capital or Social Skills: Evidence from the PSED I and PSED II
Amy E. Davis and Kelly G. Shaver ........................................... 363

Prior Business Experience and Start-Up Success; The Moderating Role of Helpers Explored
Joris Heuven and Paul Kirwan .................................................. 364

Control or Comply: The Interplay of Individual Firm-Level Cooperative Strategies and Network Opportunism When Estimating Innovation Performance in Strategic Networks
Daniel Örtqvist, Jessica Eriksson and Joakim Wincent .................. 365

Fair Governance and Good Citizenship Behavior: A Recipe for Succeeding in Strategic Networks?
Daniel Örtqvist ........................................................................ 366

Entrepreneurial Philanthropy: Theoretical Antecedents and Empirical Analysis of Economic, Social, Cultural and Symbolic Capital
Eleanor Shaw, Jillian Gordon, Charles Harvey and Kay Henderson .......... 367

Entrepreneurs’ Network of Networks: Studying Entrepreneurs’ Social Network Structure Using Smart-Phone Data
Yang Song and Tsvi Vinig ......................................................... 368

Does a Clustered Location Matter for High-Technology Companies’ Survival and Growth? The Case of Bio-Technology in Germany
Vartuhi Tonoyan, Robert Strohmeyer and Michael Woywode .................. 369

INTERACTIVE PAPERS

Online Social Networks as an Emerging Opportunity for Entrepreneurship: A Study of the Music Industry
Maria Kaya and Paul Steffens ...................................................... 370

Relationships and Resources: How Nascent Entrepreneurs Develop and Leverage Networks in the Incubation Process
Steven F. Tello, Yi Yang and Scott Latham ...................................... 371

The Mobility of Nascent Entrepreneur’s Social Capital and Venture Gestation
Mai Yiyuan, Xuena Gu and Qian Ye ........................................... 372
VIII. WOMEN ENTREPRENEURSHIP

Comparing the Performance of Female- and Male-Controlled SMEs: Evidence from the United States and Australia
Alicia Robb and John Watson .......................................................... 373

SUMMARIES

Gender Embeddedness of Women Entrepreneurs: An Empirical Test of the 5 “M” Framework
Candida G. Brush, Anne de Bruin, Friederike Welter and Elaine I. Allen ................... 385

Stereotype Spillover: Does Gender Impact Perceived Venture Risk and Viability?
Carin Holmquist and Erik Wetter ..................................................... 386

Women Entrepreneurs: Does Perseverance Matter?
Grace Kim ............................................................................................ 387

Role of Social Capital and Self-Efficacy in Opportunity Recognition of Female Entrepreneurs: Insights from Turkey and Vietnam
Akin Koçak, Anh T. Phan and Vincent Edwards ........................................ 388

Gendered-Necessity and Gendered-Opportunity: Women Entrepreneurship in Japan
Aegean Leung, Philippe Debroux and Christienne Hinz ..................................... 389

Why are Women Less Likely to Become Entrepreneurs than Men? A Jack-Of-All Trades Perspective of Human Capital
Robert Strohmeyer, Vartuhi Tonoyan and Michael Woywode ......................... 390

INTERACTIVE PAPERS

Characterizing the Female Entrepreneur: Comparing Behavior in a Market Entry Experiment with Other Groups of Individuals
Christian Schade and Sabrina Boewe .................................................... 391

IX. THE ORGANIZATION

Enhancing Innovation Performance through Exploiting Complementarity in Search Breadth and Depth
Pankaj C. Patel and Robert P. Van der Have ............................................. 393

SUMMARIES

Toward the Development of a Firm Innovation Capability Scale for the Services Sector: A Grounded Approach
Peter Balan ............................................................................................. 405

How Much Pre-Launch and Post-Launch Planning Takes Place and How Much Difference Does It Make?
Bruce R. Barringer ................................................................................ 406

Absorptive Capacity and Its Impact on New Venture Performance
Greta Greve ............................................................................................. 407
An Integrated Approach of Measuring the Development of Innovative Spin-Off Ventures
Magnus Klofsten and Charlotte Norrman ........................................... 408

Commercializing New Technologies: The Impact of Liability of Newness, Liability of Smallness, and Technological Innovativeness
Franz Lohrke, Barbara Bird and Rachel Gordon ................................. 409

Capital Structure and New Venture Performance
Manjula S. Salimath ............................................................................. 410

The Role of Bricolage and Resource Constraints in High Potential Sustainability Ventures
Julienne M. Senyard ........................................................................... 411

Entrepreneurial Learning: Past Research and Future Challenges
Catherine L. Wang and Harveen Chugh ............................................. 412

Interactive Papers
A Closer Look at Business Planning: Early Stage Outcome Effects of How It is Prepared and Used
Per Davidsson and Benson Honig ..................................................... 413

A Process Model of Organizational Speciation
David Lingelbach, Evan Gilbert and Gordon Murray ......................... 414

X. Teams
Entrepreneurial Team Formation: Any Rationality?
Cyrine Ben-Hafaiedh-Dridi ............................................................... 415

Co-Creating New Ventures: Attraction, Search, and Uncertainty in Founding Partnership Formation
William Forster and Karen Jansen .................................................... 430

The Fundamental Role of Absorptive Capacity in the Opportunity Exploitation Stage, It's Antecedence and the Effect on New Ventures Performance
Tali Sivan, Avi Fiegenbaum, Miriam Erez and Uzi De-Haan .................. 445

Summaries
Is Stacking the Deck a Good Idea? An Examination of the Effect of Pre-IPO Top Management Additions on Post-IPO Performance
Patricia S. Borchert ................................................................. 460

Decision Biases in Entrepreneurial Teams
Nicola Breugst, Dean A. Shepherd and Holger Patzelt ......................... 461

The Impact of Personality Traits on Individuals, Teams and Venture Performance
Stephanie Stierlen, Rene Mauer and Florian Weiss .............................. 462
