# TABLE OF CONTENTS

**Part One**  
THE FUNDAMENTAL STRUCTURE OF THE FEDERAL INCOME TAX .......................... 1

## Chapter 1  
TAXONOMY, HISTORY, AND THE INSTITUTIONAL STRUCTURE OF TAXATION IN THE UNITED STATES .......................... 3

A. TAXES PRIOR TO THE CONSTITUTION ........................................ 3

B. BRIEF CONSTITUTIONAL HISTORY OF FEDERAL TAXES ................. 4
   1. The Framing and Ratification of the Constitution .................. 4
   2. From 1789 to the Sixteenth Amendment .......................... 6
   3. From the Sixteenth Amendment to the Present .................. 9
   4. State Taxation under the Constitution .......................... 12
      Problems and Notes ........................................ 12

C. INTERNATIONAL TAXATION ................................................. 14
   1. National Taxing Jurisdiction over Income ....................... 14
   2. Mitigating Double Taxation .................................. 14
      Problem ........................................ 16
   3. Value Added Tax ........................................ 16
   4. Comparative Tax Burdens ..................................... 17

D. OTHER FEDERAL TAXES OF NOTE ........................................ 17
   1. The Payroll Taxes ........................................ 17
   2. The Federal Wealth Transfer Taxes .................................. 20
   3. Federal Income Taxation of Entities .......................... 20
      Note ........................................ 21
      Problems ........................................ 21

E. FEDERAL TAX LAW IN THE STRUCTURE OF GOVERNMENT .................. 22
   1. Federal Tax Law as Statutory Law .................................. 22
   2. Federal Tax Law as Administrative Law .......................... 23
      a. Congressional Delegation of Rulemaking .................. 23
      b. Treasury Regulations .................................. 24
      c. Revenue Rulings ....................................... 28
      d. Private Letter Rulings .................................. 29
      e. Other IRS Output ....................................... 30
         Problem ........................................ 31
   3. Federal Tax Disputes in the Courts .................................. 31
      Problems ........................................ 32
TABLE OF CONTENTS

Chapter 2  BASIC INCOME TAX PRINCIPLES .......................... 33

A.  EVOLUTION OF "PERSONAL INCOME" AS A CONCEPT .......... 33
  1.  Personal Income vs. National Income .......................... 33
  2.  Competing Notions of Personal Income ......................... 33
      a.  Trust Accounting Income ................................. 34
      b.  Business Accounting Income .............................. 34
      c.  Income as Return on Capital or Labor .................... 34
      d.  Simons Income ......................................... 35
      e.  Ability-to-pay income .................................. 35
  4.  Ability-to-Pay Net Income as a Useful Model for Conceptualizing the Income Tax .......................... 38
  5.  The Income Tax Base and its Effect ........................... 38

B.  MEASURING NET INCOME ........................................... 39
  2.  Measuring Consumption: Personal Consumption as a Deduction-Disallowance Principle ........................................... 40
  3.  The Resulting Structure of the Income Computation ............ 41
      Notes ............................................................. 42

C.  THE TAX BASE UNDER THE CODE ................................ 43
  1.  Gross Income Overview ........................................... 43
  2.  Gain and Loss from Property Dispositions ....................... 44
  3.  Capitalization and Basis ......................................... 45
      Problem ......................................................... 48
      Notes ............................................................. 48
  4.  The Character of Gain and Loss from Property: Capital vs. Ordinary .................................................. 50
      Problems ......................................................... 53
      Note ............................................................... 53
  5.  The Borrowing Exclusion ......................................... 54
      Problem ......................................................... 55
      Note ............................................................... 55
  6.  Deductions under the Code ....................................... 55
      a.  General Rules ............................................... 55
      b.  Business and Investment Expenses ......................... 56
      c.  Business and Investment Losses ............................. 57
      d.  Depreciation of Business and Investment Property .......... 58
          Problems ......................................................... 61
          Notes ............................................................. 61

D.  COMPUTING AND PAYING THE INCOME TAX ................... 63
  1.  Computing the Federal Income Tax of Individuals ............. 63
      a.  Adjusted Gross Income ...................................... 63
TABLE OF CONTENTS

b. Deductions for Personal and Dependency Exemptions 66
c. The Standard Deduction 66
d. Itemized Deductions 66
2. The Alternative Minimum Tax 68
3. Returns, Payments, and Tax Controversies 69
Problems 70

Chapter 3 TAX POLICY: EVALUATING TAX SYSTEMS AND PROVISIONS 71

A. FAIRNESS NORMS 72
1. Formal Fairness: The Concept of Horizontal Equity 72
2. Vertical Equity 73
3. Norms of Substantive Tax Fairness 73
   a. Equal-Burden Principle 74
   b. Benefit Principle 74
   c. Consumption Principle 75
   d. The Ability-to-Pay Principle 76
B. DISTRIBUTIVE NORMS 77
C. ECONOMIC NORMS 78
D. THE “TAX EXPENDITURE” CONCEPT 81
Problems 83

Chapter 4 RATES AND ALLOWANCES FOR BASIC MAINTENANCE 85

A. RATE STRUCTURES 85
1. Defining Progressivity 85
2. Rationales for Progressivity 87
   a. Objective Ability to Pay 87
   b. Sacrifice Theory 88
3. A Brief History of Rates 90
   Notes 90
B. FILING STATUS 91
1. The Marginal Rate Concept 91
2. Tax Pros and Cons of Marriage 92
3. A Brief History of Filing Status 94
4. Equity Among Individuals or Married Couples? 96
   Notes 96
   Problems 97
C. ALLOWANCES OFF THE BOTTOM 97
1. The Standard Deduction 98
2. Deduction for Personal Exemption 98
# TABLE OF CONTENTS

3. Deduction for Dependency Exemptions .................................. 99  
   Revenue Ruling 77-282 .................................................. 100

4. The Tax Treatment of Dependents ....................................... 101  
   Notes .............................................................................. 102  
   Problem ........................................................................... 103

D. WELFARE TAX EXPENDITURES ............................................. 104  
1. The Child Tax Credit .......................................................... 104  
2. The Earned Income Tax Credit .......................................... 104  
3. The Household and Dependent Care Credit .......................... 105  
4. Other Non-Business Credits ............................................... 105  
   Problem ........................................................................... 106  
   Notes .............................................................................. 106

Chapter 5 DEDUCTIONS FOR OFF-THE-BOTTOM PERSONAL EXPENSES ......................................................... 109

A. RELATION OF OFF-THE-BOTTOM PERSONAL DEDUCTIONS TO OFF-THE-BOTTOM ALLOWANCES ........................................... 109

B. DEDUCTION FOR ALIMONY .................................................. 110  
1. Tax-Common-Law Background ........................................... 110  
2. Enactment of §§ 71 and 215 ................................................ 111  
3. Rationale .......................................................................... 111  
4. Tax Alimony Defined .......................................................... 112  
5. Front-Loaded Alimony Payments ........................................ 112  
6. Alimony trusts .................................................................... 113  
7. Property Transfers Incident to Divorce ................................. 113  
   Notes .............................................................................. 114  
   Problems .......................................................................... 115

C. DEDUCTIONS RELATING TO TAXES PAID ............................ 116  
1. Tax Payments in the Absence of § 164 ................................. 116  
2. What Does § 164 Accomplish? .......................................... 116  
3. Property Taxes on Real Estate Sold During the Year ............. 117  
4. Federal Taxes ...................................................................... 118  
5. Foreign Taxes ..................................................................... 118  
7. Is the § 164 Deduction Justified? ........................................ 119  
   a. Simons Income Concept ............................................... 119  
   b. Ability-to-Pay Income ................................................... 120  
   c. Federalism ..................................................................... 121  
   d. Distortionary Effects ...................................................... 122  
   e. Conclusion ..................................................................... 122  
   Notes .............................................................................. 122
# TABLE OF CONTENTS

Problems ........................................... 124  
8. Expenses Relating to the Determination of Tax Liability ............ 124  
   a. Background .................................. 124  
   b. The Expanded Scope of § 212(3) .................. 125  
   c. Possible Doctrinal Rationales for an Expanded § 212(3) .......... 126  
   d. Is There Any Policy Rationale for § 212(3)? ................. 127  
      Notes ....................................... 127  
      Problem .................................... 128  
D. THE MEDICAL EXPENSE DEDUCTION ................................ 128  
   1. What Is "Medical Care"? ................................ 128  
   2. Medical Care Capital Expenditures ...................... 129  
   3. Who Obtains the Deduction? .......................... 129  
   4. Accounting for Medical Expenses ....................... 130  
   5. Status as Itemized Deduction ........................ 130  
   6. Relation to Other Deduction Provisions ................. 130  
   7. Policy Analysis ................................ 130  
   8. Overview of the Taxation of Health Care ............... 132  
      a. Unreimbursed Health Care ....................... 132  
      b. Health Care Covered by Self-Purchased Insurance .......... 132  
      c. Employer-Provided Health Insurance ................ 132  
      d. Self-Employed Health Insurance .................. 133  
      e. Self-Purchased Insurance Through Health Savings Accounts (HSAs) ........................................... 133  
      Notes ....................................... 133  
      Problems .................................... 134  
Part Two INCOME TAXATION vs. CONSUMPTION TAXATION ............ 137  
Chapter 6 VIEWING THE INCOME TAX THROUGH A CONSUMPTION TAX LENS .......... 139  
A. DESCRIPTION OF THE MAJOR CONSUMPTION TAX REGIMES ............ 139  
   1. Retail Sales Tax and Value Added Tax .................. 139  
   2. Wage Tax ................................... 141  
   3. Cash Flow Consumption Tax ........................ 142  
      Problem .................................... 143  
   4. Comparison of Retail Sales Tax, Wage Tax, and Cash Flow Consumption Tax ........................................... 143  
      Problem .................................... 145  
B. AN INTRODUCTION TO THE TIME VALUE OF MONEY .................. 145  
   1. Compound-Interest Analysis ........................ 145  
   2. Present-Value Analysis ........................... 146  
C. REPLACING THE INCOME TAX WITH A CONSUMPTION TAX ............ 147
# TABLE OF CONTENTS

1. **Effect on Savings** ......................................................... 147
2. **Distributional Considerations** ............................................. 150
3. **Tax Justice Norms** ........................................................ 151
4. **Pragmatic Norms** .......................................................... 152
   - Problem ........................................................................... 153
D. **FINANCIAL ANALYSIS AND THE TAXATION OF CAPITAL INCOME** ..................................................... 154
E. **SOME CONSUMPTION TAX FEATURES OF CURRENT LAW** ................................................................. 156
1. Savings Vehicles ................................................................. 156
2. Qualified Retirement Vehicles ................................................ 157
3. Section 179 Deduction and Accelerated Depreciation ................. 157
4. Exclusion for Interest on State and Local Bonds ...................... 158
5. Gain on Personal Residence .................................................. 158
   - Problem ........................................................................... 159
6. Unrealized Appreciation as Mimicking a Consumption Tax Result .............................................................................. 159
   a. Sole Proprietorship Business Scenario .............................. 159
   b. Land Purchase Scenario ................................................ 160
   c. The Lesson ....................................................................... 161
F. **THE HYBRID TAX AND ITS EFFECTS** ........................................... 161
1. What income tax? ................................................................. 161
2. Tax Arbitrage ....................................................................... 162
3. Possible Distortionary Effects of a Hybrid Tax ...................... 163
   - Problem ........................................................................... 164

## Chapter 7 THE CAPITALIZATION PRINCIPLE IN PRACTICE ............................................. 165

A. **CREATION OF INTANGIBLE ASSETS AND BENEFITS** ................................................................. 165
1. Intangible Benefits ................................................................. 165
   - *INDOPCO, Inc. v. Commissioner* ......................................... 165
   - Problems ........................................................................... 168
2. The Post-*INDOPCO* Intangible Asset Regulations .................. 168
   - Problems ........................................................................... 169
3. Advertising and Goodwill ...................................................... 169
   - Notes .............................................................................. 170
   - Problem ........................................................................... 170

B. **COSTS OF PRODUCING TANGIBLE ASSETS (INCLUDING INVENTORY)** ........................................... 170
   - *Commissioner v. Idaho Power Co.* ........................................ 171
   - Problems ........................................................................... 174

1. Transaction Costs ................................................................. 174
   - *Woodward v. Commissioner* .............................................. 175
TABLE OF CONTENTS

Problems ............................................. 177
2. Costs Preliminary to the Transaction .......................... 177
   a. Search Costs .................................. 177
      Revenue Ruling 77-254 .......................... 178
   b. Evaluation Costs ............................... 180
      Notes .......................................... 180
3. Development Costs .................................. 181
4. Pre-Opening Costs ................................ 181
   Note ............................................. 182
   Problems ....................................... 182
D. THE REPAIR EXPENDITURE EXCEPTION ....................... 183
   American Bemberg Corp. v. Commissioner ............. 184
   Problems ....................................... 187

Part Three DIFFERENTIATING AMONG THE BUSINESS, INVESTMENT, AND PERSONAL SPHERES .......... 189

Chapter 8 THE BASIC FRAMEWORK GOVERNING BUSINESS AND INVESTMENT DEDUCTIONS .............. 191

A. THE DISTINCTION BETWEEN BUSINESS AND INVESTMENT .... 191
   1. How the Code Came to Allow Deductions for the Production of Nonbusiness Income .............. 191
   2. Significance of Distinction between Business and Investment ........................................ 192
   3. Distinguishing between Business and nonbusiness Income Production ............................. 193
      Notes .......................................... 195
      Problem ...................................... 197
B. THE BASIC REQUIREMENTS OF DEDUCTIBILITY .............. 197
   1. The Welch Case ................................ 197
      Welch v. Helvering ................................ 197
   2. The Outlay Must Be an “Expense”? ..................... 199
   3. The Expense Must Be Ordinary ....................... 200
   4. And Necessary .................................. 200
   5. In Carrying on a Trade, Business, or Investment Activity ...................................... 201
      Notes .......................................... 203
      Problems ...................................... 203
C. CONNECTING EXPENSES TO AN INCOME-PRODUCING ACTIVITY ................................... 204
   United States v. Gilmore ......................... 204
   Notes .......................................... 207
   Problems ...................................... 208
D. LIMITATIONS ON DEDUCTIONS ............................ 208
   1. Public Policy Disallowance Rules ................. 208
TABLE OF CONTENTS

2. Political Expenditures ........................................... 210
   a. Costs of Lobbying Government ................................... 210
   b. Campaign Costs of Political Candidates ......................... 210
3. Excessive Compensation ........................................... 211
4. Expenses Allocable to Exempt Income .......................... 211
   *Manocchio v. Commissioner* ..................................... 212
Notes ................................................................. 213
Problems .............................................................. 214

Chapter 9 DEFINING THE PERSONAL REALM: OF HUMAN CAPITAL ......................... 215

A. WHAT IS “HUMAN CAPITAL”? ...................................... 215
B. DISTINGUISHING HUMAN CAPITAL FROM CONVENTIONAL CAPITAL ............... 215
C. DISTINGUISHING HUMAN CAPITAL FROM GOODWILL ............................. 217
D. EDUCATION COSTS ................................................ 218
   1. Deductibility under the Regulations ................................ 218
      *Sharon v. Commissioner* ......................................... 219
   2. Tax Expenditures for Education .................................. 222
E. JOB-SEEKING COSTS ............................................... 223
   *Primuth v. Commissioner* ......................................... 223
F. MOVING COSTS .................................................... 225
   Notes .............................................................. 226
   Problems .......................................................... 227

Chapter 10 DUAL-PURPOSE OUTLAYS ................................... 229

A. PERSONAL-USE PROPERTY WITH APPRECIATION POTENTIAL .............. 229
B. NOT-FOR-PROFIT ACTIVITIES .................................... 229
   *Estate of Power v. Commissioner* .................................. 232
   Notes .............................................................. 236
   Problem ........................................................... 238
C. GAMBLING LOSSES ................................................ 238
   Note ............................................................... 239
   Problem ........................................................... 239
D. COMMUTING ......................................................... 239
   *Commissioner v. Flowers* .......................................... 240
E. WORK CLOTHING ................................................... 241
F. CHILD CARE ......................................................... 241
G. BUSINESS-SETTING MEALS NOT INCURRED IN A TRAVEL OR ENTERTAINMENT MODE 242
   *Moss v. Commissioner* ............................................ 242
TABLE OF CONTENTS

Chapter 11 ALLOCATING COSTS BETWEEN THE INCOME-PRODUCTION AND PERSONAL REALMS 247

A. ALLOCATION ACCORDING TO USE OF ASSETS 247
   1. Allocations by Space 247
   2. Allocations by Time 247
   3. Converted-Use Property 248

B. STATUTORY OVERRIDES OF ALLOCATION RULES 250
   1. Listed Property 250
   2. Home Offices 250
      a. When Home Office Deductions Are Allowed at All 251
      b. Confinement of Home Office Deductions to the Home Office Business 252
   3. Vacation Homes 253
      a. No Personal Use 253
      b. Minimal Personal Use Combined with Significant Rental Use 254
      c. Minimal Rental Use 254
      d. Non-Minimal Rental and Personal Use 254
      e. Rental of Principal Residence 254

C. TRAVEL AND ENTERTAINMENT (T & E) EXPENSES 256
   1. Transporting Work Tools 256
   2. Business Transportation 257
   3. Exceptions to the Nondeductibility of Commuting Expenses 258
      Revenue Ruling 99-7 258

   4. Travel Meals and Lodging 260
      a. Sleep-or-Rest Rule for Business Travel Meals 260
         United States v. Correll 261
      b. “Away from Home in the Pursuit of a Trade or Business” 263
         i. Temporary vs. indefinite stay 263
         ii. Two business locations 264
         iii. Spouses having different business locations 264
         iv. Itinerant workers 266
            Notes 267
            Problem 268
   5. Business Entertainment Costs 268
