Integrated and Strategic Advancements in Decision Making Support Systems

Pascale Zaraté
Toulouse University, France
# Table of Contents

## Preface

Chapter 1
Populating Knowledge Based Decision Support Systems

*Ignacio Garcia-Manotas, University of Murcia, Spain*
*Eduardo Lupiani, University of Murcia, Spain*
*Francisco García-Sánchez, University of Murcia, Spain*
*Rafael Valencia-Garcia, University of Murcia, Spain*

Chapter 2
Supporting Public Decision Making: A Progressive Approach Aided by an Ontology

*Maryse Salles, IRIT/SIG/EVI Université Toulouse (UT1), France*

Chapter 3
Intelligent Decision-Support Systems for e-Tourism: Using SPETA II as a Knowledge Management Platform for DMOs and e-Tourism Service Providers

*Ángel García-Crespo, Universidad Carlos III de Madrid, Spain*
*Ricardo Colomo-Palacios, Universidad Carlos III de Madrid, Spain*
*Juan Miguel Gómez-Berbís, Universidad Carlos III de Madrid, Spain*
*Javier Chamizo, Universidad Carlos III de Madrid, Spain*
*Ismael Rivera, National University of Ireland, Ireland*

Chapter 4
Deploying Decision Support Systems Using Semantic Web Technologies

*Lars Ludwig, National University of Ireland, Ireland*
*David O'Sullivan, National University of Ireland, Ireland*

Chapter 5
Using the Rhizomer Platform for Semantic Decision Support Systems Development

*Roberto Garcia, Universitat of Lleida, Spain*

Chapter 6
Access and Use of Information by Primary Health Care Providers in Rural Uganda: A Qualitative Approach

*Maria G. N. Musoke, Makerere University, Uganda*
Chapter 7
The Evaluation of Library Services Methods: Cost Per Use and Users’ Satisfaction ........................................ 93
Aristeidis Meletiou, Technical University of Crete, Greece

Chapter 8
Application of Selected Software Tools for Data Collection and Analysis in Library Management and Their Effectiveness Assessment: Results of the Research Conducted at Polish Academic Libraries ................................................................. 108
Marek Górski, Cracow University of Technology, Poland
Marzena Marcinek, Cracow University of Technology, Poland

Chapter 9
Using Transaction Logs to Study the Effectiveness of Librarian Behaviors on User Satisfaction in a Virtual Setting: A Mixed-Method Approach ........................................................................................................ 120
Nahyun Kwon, University of South Florida, USA
Vicki L. Gregory, University of South Florida, USA

Chapter 10
Towards an Assessment of Public Library Value: Statistics on the Policy Makers’ Agenda ................. 127
Kristine Paberza, University of Latvia, Latvia

Chapter 11
User’s Behaviour Inside a Digital Library ........................................................................................................ 138
Marco Scarnò, Inter-University Consortium for SuperComputing, CASPUR, Italy

Chapter 12
Examining the Implications of Process and Choice for Strategic Decision Making Effectiveness .... 147
Paul L. Drnevich, The University of Alabama, USA
Thomas H. Brush, Purdue University, USA
Alok Chaturvedi, Purdue University, USA

Chapter 13
An Empirical Study of Group Awareness Information in a Web-Based Group Decision Support System ........................................................................................................................................ 163
Nipat Jongsawat, Siam University, Thailand
Wichian Premchaiwadi, Siam University, Thailand

Chapter 14
A Typology of Tacit Knowledge Sharing Themes to Fostering Group Decision Support System ........ 188
Amin A. Shaqrah, Alzaytoonah University of Jordan, Jordan
Chapter 15
An Integrated Decision Support System for Intercropping ............................................. 199
  A. S. Sodiya, University Of Agriculture, Nigeria
  A. T. Akinwale, University Of Agriculture, Nigeria
  K. A. Okeleye, University Of Agriculture, Nigeria
  J. A. Emmanuel, University Of Agriculture, Nigeria

Chapter 16
E-Government: A Comparative Study of the G2C Online Services Progress Using Multi-Criteria Analysis ........................................................................................................... 217
  Denis Yannacopoulos, Technological Educational Institute of Piraeus, Greece
  Panagiotis Manolitzas, Technological Educational Institute of Piraeus, Greece
  Athanasios Spyridakos, Technological Educational Institute of Piraeus, Greece

Chapter 17
A Social-Academic Network Analysis of the EURO Working Group on DSS ............................................. 229
  Rahma Bouaziz, Toulouse University, France
  Tiago Simas, UNINOVA, Universidade Nova Lisboa, Portugal
  Fátima Dargam, SimTech Simulation Technology, Austria
  Rita Ribeiro, UNINOVA, Universidade Nova Lisboa, Portugal
  Pascale Zarate, Toulouse University, France

Chapter 18
Strategic Implications of Information Technology for Resource and Capability Outsourcing Decisions ............................................................................................................. 252
  Paul Drnevich, University of Alabama, USA
  Thomas H. Brush, Purdue University, USA
  Mark T. Shanley, University of Illinois at Chicago, USA

Chapter 19
EBDMSS: A Web-Based Decision Making Support System for Strategic E-Business Management ............................................................................................................. 265
  Fen Wang, Central Washington University, USA
  Natalie Lupton, Central Washington University, USA
  David Rawlinson, Central Washington University, USA
  Xingguo Zhang, Aging and Disability Service Administration, USA

Compilation of References ............................................................................................................. 285

About the Contributors ............................................................................................................. 310
