Manufacturing Industry ............................................................................................... 30
Alper Sönmez, Middle East Technical University, Turkey
Mehmet Teoman Pamukçu, Middle East Technical University, Turkey

Section 2
Economics of Innovation and R&D Expenditures

Chapter 4
International Evidence on Financing of R&D .............................................................. 53
Halit Gonenc, University of Groningen, The Netherlands
Chapter 5
Academic Patenting in Europe: Recent Research and New Perspectives ........................................ 75
Francesco Lissoni, Università degli studi di Brescia, Italy & Bocconi University, Italy

Chapter 6
R&D Productivity and Firm Size in Semiconductors and Pharmaceuticals:
Evidence from Citation Yields ........................................................................................................... 92
Burak Dindaroğlu, İzmir University of Economics, Turkey

Chapter 7
The Potential Role of Government in Development Process of a Cluster Policy ......................... 114
Hadi Tolga Göksidan, Middle East Technical University, Turkey
Ioannis N. Katsikis, Athens University of Economics and Business, Greece
Erkan Erdil, Middle East Technical University, Turkey

Chapter 8
Innovation Cluster Development Potential in the Regions of Turkey:
A Geographical Perspective ................................................................................................................ 133
Arif Orçun Sakarya, Çankaya University, Turkey

Chapter 9
Impact of SME Policies on Innovation Capabilities: The Turkish Case ..................................... 159
Elif Bascavusoglu-Moreau, University of Cambridge, UK
Mustafa Colakoglu, TTGV, Turkey

Chapter 10
Skill and Foreign Firm Premium: The Role of Technology Gap and Labor Cost ...................... 185
Bahar Bayraktar Saglam, Hacettepe University, Turkey
Selin Sayek, Bilkent University, Turkey

Section 3
Technological Progress

Chapter 11
RCA vs. RTA and Sectoral Import vs. RTA: First Empirical Evidence for Turkey ...................... 217
Ummuhan Gokovali, Mugla University, Turkey
Burhan Medettin, Mugla University, Turkey

Chapter 12
The Effectiveness of Stimulating Innovativeness in Poland through Science and
Technology Parks .............................................................................................................................. 237
Ewa Minska-Struzik, Poznan University of Economics, Poland
Szymon Truskolaski, Poznan University of Economics, Poland
Chapter 13
Explaining the Lack of Dynamics in the Diffusion of Small Stationary Fuel Cells

Bert Droste-Franke, Europäische Akademie Bad Neuenahr-Ahrweiler GmbH, Germany
Jörg Krüger, Ruhr-Universität Bochum, Germany
Stephan Lingner, Europäische Akademie Bad Neuenahr-Ahrweiler GmbH, Germany
Thomas H.W. Ziesemer, Maastricht University, The Netherlands

Chapter 14
The Impact of Research and Development Expenditures on the Growth of Turkish Manufacturing Industry

Rukiye Yilmaz, Turkish Statistical Institute, Turkey
Julide Yildirim, TED University Department of Economics, Turkey

Chapter 15
Value Creation with Wood-Based Energy Business Models

Wim Westerman, University of Groningen, The Netherlands
Jeffrey Paays, University of Groningen, The Netherlands
