1 Introduction: understanding rural wage employment in developing countries 1
CARLOS OYA AND NICOLA PONTARA

1 Introduction 1
2 Putting employment back into the poverty reduction policy debates 5
3 The challenge of capturing rural wage labour in developing countries: invisible wage workers? 11
4 Rethinking theory: towards a political economy of rural labour markets in poorer countries 17
5 Key features of rural labour markets and contemporary struggles of rural labour 21
6 Concluding remarks 26

2 Rural labour markets and agricultural wage employment in semi-arid Africa: evidence from Senegal and Mauritania 37
CARLOS OYA

1 Introduction 37
2 History and methodology: an account of the neglect of rural wage employment in Senegal and Mauritania 39
3 Emerging evidence about the significance and the types of wage labour relations in rural areas 46
4 Key aspects of rural wage employment in Senegal and Mauritania 54
5 Concluding remarks 61
3 Lifting the blinkers: a new view of power, diversity, and poverty in Mozambican rural labour markets
CHRISTOPHER CRAMER, CARLOS OYA, AND JOHN SENDER

1 Introduction 69
2 Survey rationale and methodology 71
3 Variations in methods of pay: monthly, daily, and piece-work pay 75
4 Variations in rates of pay for agricultural work 80
5 Variations in payment rates for non-agricultural work 82
6 A classification of jobs and payment methods 82
7 The political economy of labour control 88
8 Some characteristics of the poorest workers and their labour market prospects 90
9 Conclusion 92

4 Caught in the grip of the market: past and present of rural wage workers in South Africa
NICOLAS PONS-VIGNON

1 Introduction 101
2 A history of violence: the formation of the rural proletariat in South Africa 103
3 Post-apartheid policy and invisibility of rural wage workers in South Africa 107
4 From violence to economic coercion: the case of forestry 112
5 Conclusion 121

5 Disguised employment? Labour market surveys, migration and rural employment in Southern Africa
DEBORAH JOHNSTON

1 Introduction 128
2 Labour market and household surveys in Southern Africa 129
3 Limitations of surveys in assessing employment and migration 131
4 The changing context of migration and employment 135
5 Alternative surveys of agricultural migrant employment 137
6 Conclusions 139

6 Tanzania's rural labour markets: the missing link between development and poverty reduction
BERND E.T. MUELLER

1 Introduction 144
2 Taking stock: conventional wisdom on rural labour markets in Tanzania 145
