# Contents

<b>1</b>	<b>Exploring the Issues in Resource Allocation</b> .....	1
1.1	Resource Allocation in the Socialist Economy: From the Perspective of Disequilibrium .....	1
1.1.1	Disequilibrium Defined .....	1
1.1.2	Resource Allocation Defined.....	2
1.1.3	The Features of Socialist Economic System and Resource Allocation .....	3
1.1.4	Economic Disequilibrium and Socialist Resource Allocation .....	5
1.2	Resource Misallocation and Potential Stagflation in the Socialist Economy.....	7
1.2.1	The Cause of Stagnation and Inflation in the Socialist Economy .....	7
1.2.2	The Cause of Macroeconomic and Microeconomic Mismatch.....	8
1.2.3	Stagflation and Resource Misallocation .....	10
1.2.4	The Possibility and Prevention of Stagflation .....	11
1.2.5	The Need to Reconsider Resource Allocation .....	14
	References.....	15
<b>2</b>	<b>Market Regulation and Resource Allocation</b> .....	17
2.1	Market Selection and Market Guidance .....	17
2.1.1	Market Selection .....	17
2.1.2	Resource Combination .....	18
2.1.3	The Dispersion of Market Decision .....	19
2.1.4	Market Guidance .....	20
2.2	Investment Principal, Investment Behavior, and Resource Allocation .....	21
2.2.1	Investment Principal.....	21
2.2.2	The General Principles of Investment Behavior .....	21

2.2.3	Business and Personal Investment Behavior Under Disequilibrium Conditions .....	22
2.2.4	The Relationship Between Investment Behavior and Resource Allocation Under Disequilibrium Conditions .....	24
2.3	Consumption Principal, Consumption Behavior, and Resource Allocation .....	25
2.3.1	Consumption Principal .....	25
2.3.2	The General Principles of Consumption Behavior .....	26
2.3.3	Business and Personal Consumption Behavior Under Disequilibrium Conditions .....	26
2.3.4	The Relationship Between Consumption Behavior and Resource Allocation Under Disequilibrium Conditions .....	27
2.4	Market Self-Regulation During Resource Allocation .....	28
2.4.1	The Definition of Market Self-Regulation During Resource Allocation .....	28
2.4.2	Market Self-Regulation and Resource Allocation Under Equilibrium Conditions .....	29
2.4.3	Two Different Types of Microeconomic Units and Disequilibrium .....	30
2.4.4	Market Self-Regulation Under Type I Disequilibrium Condition .....	32
2.4.5	Market Self-Regulation Under Type II Disequilibrium Condition .....	33
	References .....	37
<b>3</b>	<b>Government Regulation and Resource Allocation .....</b>	<b>39</b>
3.1	The Meaning of Government Regulation .....	39
3.1.1	Government Regulation and Government Planning .....	39
3.1.2	The Government Serving as Market Administrator .....	40
3.1.3	Rational Government Regulation .....	42
3.2	Nonidealized Government Behavior and Its Impact on Resource Allocation .....	43
3.2.1	The Meaning of Nonidealized Government Behavior .....	43
3.2.2	The Lag in Policy Effect .....	44
3.2.3	The Imbalance of Policy Effect .....	46
3.2.4	The Decrease of Policy Effect .....	47
3.2.5	Resource Allocation Under the Condition of Nonidealized Government Behavior .....	49
3.3	The Appropriateness and Optimization of Government Behavior During Resource Allocation .....	51
3.3.1	Government's Dilemma in Regulating Resource Allocation Under Type II Disequilibrium Condition .....	51

3.3.2	The Appropriateness of Government Behavior During Resource Allocation .....	53
3.3.3	Setting a Security Line and Reserving the Measures of Last Resort.....	55
3.3.4	The Seriousness of the Law and Government Behavior ..	57
3.3.5	The Optimization of Government Behavior During Resource Allocation .....	58
	Reference .....	59
<b>4</b>	<b>The Mechanism of the Operation of the Economy .....</b>	<b>61</b>
4.1	Dual Mechanism of the Operation of the Economy .....	61
4.1.1	The Coverage of Government Regulation in the Operation of the Economy .....	61
4.1.2	The Relationship Between the Two Mechanisms .....	62
4.1.3	Government Hierarchy and Market Hierarchy .....	66
4.1.4	The Difference Between Fully Developed Market and Complete Market System .....	68
4.2	Frictions in the Operation of the Economy .....	70
4.2.1	Frictions in the Operation of the Economy Under Type I Disequilibrium Condition .....	70
4.2.2	Frictions During the Operation of the Economy Under Type II Disequilibrium Condition .....	72
4.2.3	Understanding Frictions in the Operation of the Economy .....	73
<b>5</b>	<b>Rationing Equilibrium of the Commodity Market .....</b>	<b>75</b>
5.1	Commodity Market Equilibrium with Quantity–Price Adjustment .....	75
5.1.1	Commodity Supply Gap Under the Dual-Track Economic System .....	75
5.1.2	The Coexistence of Commodity Supply Gap and Commodity Demand Shortfall Under the Dual-Track Economic System .....	77
5.1.3	The Possibility of Gradually Achieving Rationing Equilibrium in the Commodity Market .....	81
5.2	Applying Quantity–Price Adjustment Measures in the Commodity Market.....	83
5.2.1	Quantity–Price Adjustment Measures in Broad Sense and Narrow Sense .....	83
5.2.2	Quantity Adjustment and Price Adjustment Versus Market Regulation and Government Regulation ..	85
5.2.3	The Mutual Influence of Quantity Adjustment and Price Adjustment.....	86
5.2.4	The Coordination of Quantity–Price Adjustment Measures in the Commodity Market .....	90

<b>6</b>	<b>Easing Supply and Demand Mismatch Under Economic Disequilibrium Conditions</b> .....	99
6.1	The Counter Effects of Government Price Adjustment .....	99
6.1.1	The Rigidity of Supply Gap Under Economic Disequilibrium Conditions .....	99
6.1.2	Commodity Supply Gap and the Counter Effects of Government Price Adjustment Under Economic Disequilibrium Conditions .....	100
6.1.3	Commodity Demand Shortfall and the Counter Effects from Government Price Adjustment Under Economic Disequilibrium Conditions .....	103
6.1.4	Behind the Dual-Track Price System: Potential Issues Related to Rationing Adjustment .....	104
6.2	Reforming the Enterprise Operation Mechanism .....	107
6.2.1	Reforming the Enterprise Operation Mechanism and Easing Supply and Demand Mismatch ..	107
6.2.2	Reforming Enterprise Operation and Alleviating Structural Imbalance .....	110
6.2.3	The Progressive Nature of Price Reform .....	111
	Reference .....	114
<b>7</b>	<b>Industrial Restructuring</b> .....	115
7.1	Domestic Source of Funding for Industrial Restructuring .....	115
7.1.1	Funding Gap and Funding Potential Under Disequilibrium Conditions .....	115
7.1.2	Main Approaches to Discovering Domestic Funding Potential .....	117
7.1.3	Restructuring Versus Increasing Capital Utilization Efficiency .....	119
7.1.4	The Relationship Between Industrial Restructuring and Economic Growth During the Mobilization of Domestic Capital .....	122
7.2	Industrial Restructuring and Long-Term Orientation of Corporate Behavior .....	124
7.2.1	Main Reasons for Corporate Shortsightedness and Impediments to Industrial Restructuring .....	124
7.2.2	Investors' Interests Functioning as Internal Constraint on Corporate Shortsightedness .....	126
7.2.3	Investors' Interests Functioning as External Constraint on Corporate Shortsightedness .....	127
7.2.4	Long-Term-Oriented Corporate Behavior and Rationalization of Industrial Restructuring .....	129
7.2.5	Resource Allocation and Long-Term-Oriented Societal Behavior .....	131

7.3	Industrial Restructuring and Unbalanced Economic Growth .....	135
7.3.1	A Theoretical Dilemma .....	135
7.3.2	Determining the Investment Principal of Industrial Restructuring .....	135
7.3.3	The Role of Rationing Equilibrium in Industrial Restructuring Under Disequilibrium Conditions .....	137
7.3.4	Applying the Policy on Leading Industries and Unbalanced Economic Growth .....	139
7.3.5	Enterprise Self-Control and the Constraining Effect on Excessive Preference of the Industrial Policy .....	141
<b>8</b>	<b>Government Regulation of Agriculture .....</b>	<b>145</b>
8.1	Demand and Supply of Agricultural Products Under Disequilibrium Conditions .....	145
8.1.1	Agricultural Disequilibrium .....	145
8.1.2	Demand and Supply of Agricultural Products Versus Government Regulation .....	146
8.1.3	Demand for Agricultural Products Versus Government Regulation .....	148
8.2	Trend of Balanced Demand and Supply of Agricultural Products .....	150
8.2.1	Long-Term-Oriented Behavior of Agricultural Product Buyers and Sellers .....	150
8.2.2	The Optimal Scale of Agricultural Production .....	152
<b>9</b>	<b>Establishing the Order of the Socialist Commodity Economy .....</b>	<b>155</b>
9.1	Establishing the Order of the Socialist Commodity Economy: Necessity and Difficulty .....	155
9.1.1	The Connotation of the Order of the Socialist Commodity Economy .....	155
9.1.2	The Order of the Socialist Commodity Economy and the Furthering of Economic Reforms .....	156
9.1.3	The Relationship Between Order Establishment in the Socialist Commodity Economy and Institutional Innovation .....	157
9.1.4	Difficulties in Establishing the Order of the Socialist Commodity Economy .....	159
9.2	Interest Adjustment During the Process of Establishing the Order of the Commodity Economy .....	162
9.2.1	The Expected Net Interest of Various Institutional Innovation Sponsors .....	162
9.2.2	Conflict of Expected Net Interest Among Different Institutional Innovation Sponsors .....	165

9.2.3	Conflict of Interest Between Various Types of Rigidity in the Economy and Institutional Innovation Sponsors .....	167
9.2.4	The Roles of the Government in Alleviating Conflict of Interest in Institutional Innovation .....	169
<b>10</b>	<b>The Standardization of Institutional Innovation .....</b>	<b>175</b>
10.1	The Role of the Government in Standardizing Institutional Innovation .....	175
10.1.1	Contractual Violations During the Process of Establishing the Order of the Commodity Economy ..	175
10.1.2	The Government as Institutional Innovation Sponsor ....	176
10.1.3	The Government as Mediator of Business Disputes .....	178
10.1.4	Monopolies in the Socialist Commodity Economy and Government's Solutions .....	179
10.2	The Standardization of Institutional Variation and Institutional Innovation .....	184
10.2.1	Two Types of Institutional Variation in Institutional Innovation .....	184
10.2.2	The Primary Cause of Institutional Variation .....	185
10.2.3	The Possibility of Standardizing Institutional Innovation .....	190
10.2.4	Relative Stability Following Institutional Innovation .....	193
	References .....	195
	<b>Glossary .....</b>	<b>197</b>
