EDITORS' INTRODUCTION 1

1 The private equity performance puzzle - let there be light! 3
By Christian Diller and Marco Wulff
Does private equity outperform? 3
Section I: Understanding performance in private equity 5
Section II: Benchmarking private equity returns 6
Section III: Winners and losers - the private equity performance differential 7
Section IV: Looking for the premium - how LPs think about performance measurement 7
So, does private equity outperform? 8
The 'real world' 11
Can the asset class continue to deliver? 13

SECTION I: UNDERSTANDING PERFORMANCE IN PRIVATE EQUITY 15

2 Why is the evidence on private equity performance so confusing? 17
By Ludovic Phalippou
Introduction 17
Industry approach to performance measurement 18
Bias in the returns: an illustrative example 20
Why is there a bias? 22
Illustration using actual cash flow data 22
Making it worse: the usual IRR pitfall 24
Further discussion and conclusion 25

3 IRR vs. TWR, or why can't we all just get along 29
By Jesse Reyes, QuartileOne, LLC
So how did we get here - why can't we just get along? 29
A bit of history 30
What are we measuring and why is it so difficult 31

## 10 Advancing performance measurement in private equity through adjustment of leverage

*By David Robinson and Berk Sensoy*

- Introduction | 119
- Absolute performance measurement is easy to report, but highly uninformative | 119
- Relative performance is what we should care about | 120
- Extending relative performance measurement | 122
- Conclusion | 125

## Section III: Winners and Losers - The Private Equity Performance Differential

### 11 Bain two ways

*By David Snow*

- Higher carry, lower fees - or vice versa? | 129
- 30 beats 20s... barely | 130

### 12 Benchmarking leveraged buyout transactions

*By Alexander Peter Groh, GSCM - Montpellier Business School*

- Introduction | 133
- Mimicking public market investment | 134
- ‘Can factory’ - an example | 137
- Conclusion | 140

### 13 Private equity performance benchmarking

*By Robert M. Ryan, Peracs Due Diligence Services*

- Traditional private equity performance benchmarking: measures and process | 143
- Towards more advanced private equity performance benchmarks | 148
- The fund selection efficiency of advanced private equity benchmarking techniques | 150

### 14 Private equity funds: Return characteristics, return drivers and consequences for investors

*By Christoph Kaserer and Christian Diller*

- Introduction | 153
- Performance analysis of private equity funds | 155
- Evidence on the money-chasing-deals phenomenon | 160
- What is the impact of the GP’s skills? | 164
- Conclusion | 166
