Preface ........................................................................................................ v
List of Tables ................................................................................................ vii
List of Graphs ............................................................................................. ix

1. Introduction ............................................................................................. 1
   1.0 : Introduction
   1.1 : Importance of the Study
   1.2 : Objectives of the Study
   1.3 : Hypothesis of the Study
   1.4 : Research Methodology
   1.5 : Sources of Information
   1.6 : Rationale of the Study
   1.7 : Limitations of the Study
   1.8 : Chapter Plan
   1.9 : Conclusion

2. Review of Literature ............................................................................... 17
   2.0 : Introduction
   2.1 : Earlier studies on Globalization
   2.2 : Review of literature and the outcomes
   2.3 : Research issues and research gaps
   2.4 : Conclusion

3. Theoretical Frame Work of Globalisation ............................................ 63
   3.0 : Introduction
   3.1 : Definition of Globalisation
   3.2 : Factors for Globalisation
6. Post-Globalisation Period of Indian Economy............155
   6.0: Introduction
