Preface xv
Acknowledgments xviii

Part 1. Introduction to the Grounded Theory of Anselm Strauss 1

Chapter 1. Inspiration and Background 3
   Overview 3
   Qualitative Research 4
      Description of Qualitative Research 4
      Explanation of Why Researchers Choose Qualitative Over Quantitative Methods 5
   Grounded Theory Methodology 6
      Brief History of Grounded Theory Methodology 6
      Unique Features of Grounded Theory Methodology 7
   Types of Data 7
   Analysis of Data 7

Testimonials From Our Students Regarding Grounded Theory 8
   They Enjoy the Mental Challenge 9
   They Are Open and Flexible 9
   They Hope That Their Work Has Relevance Beyond Academia 10
   There Is Complete Absorption in the Work 10

Grounded Theory Is an Important Methodology 11
   Grounded Theory Offers Explanations 11
   Why Choose Grounded Theory Methodology? 11

Difference Between Description and Theory 12
   Description 12
   Theory 12

Ethics 13
   Participants 13
   Research 13
   Researcher 14

Chapter 2. Theoretical Foundations 17
   Pragmatism and Philosophy of Knowledge 18
      The Creation of Knowledge 18
      The Relationship Between Problematic Situations and Reflective Inquiry 19
How Does a Researcher Keep the Sampling Systematic and Consistent Without Rigidifying the Process?  
How Much Sampling Must Be Done?  
At What Point in the Research Does a Researcher Sample Theoretically?  
How Does a Researcher Know When Sufficient Sampling Has Occurred?  
What If I Have Already Collected All of My Data Before Sitting Down to Do My Analysis? Can I Still Do Theoretical Sampling?  
Where Does a Researcher Get a Sample?  
What Are Some Sampling Matters That a Researcher Must Consider Before Starting the Research?  
Can Interview and Observational Guides Be Used to Collect Data?  
Are There Variations on Theoretical Sampling?  
Can I Sample Data From a Library, and If So, How?  
How Do Researchers Maintain Consistency When a Team Is Gathering the Data?  
How Does Theoretical Sampling Differ From More Traditional Forms of Sampling?  
Is Theoretical Sampling Difficult to Learn?  
What About Research Design—What Is Its Relationship to Theoretical Sampling?  
Insider Insights: Practices to Exercise Conceptualization in GTM

Massimiliano Tarozzi

Chapter 8. Context

Context  
Definition of Context  
The Paradigm  
Introduction to the Paradigm  
Conditions  
Actions–Interactions  
Consequences  
The Conditional/Consequential Matrix  
Differences Between the Matrix and the Paradigm  
Description of the Matrix  
Insider Insights: The “Aha Moment”  
P. Sessler Branden

Chapter 9. Process

Introduction to Process  
Scenario 1  
Scenario 2  
Overview of Process  
Variable Nature of Process  
Conceptualizing Process  
Routine Action–Interaction  
Subprocesses  
How to Analyze Data for Process  
Analyzing Data for Process at a Formal Theory Level
Chapter 10. Techniques for Achieving Theoretical Integration

Some General Points About Integration
- **Integration Is Important**
- Definition of a Core Category
- Criteria for Choosing a Core Category
- Difficulty in Arriving at a Core Category

Techniques to Aid Integration
- Writing the Descriptive Summary Memo
- Writing the Conceptual Summary Memo
- Making Use of Integrative Diagrams
- Reviewing and Sorting Through Memos
- Thinking in Terms of Metaphors and Similes
- Talking With a Professor or Colleague

Steps Necessary to Finalize the Theory
- Reviewing the Scheme for Internal Consistency and Logic
- Filling in Poorly Developed Categories
- Trimming the Theory
- Validating the Theory
- Dealing With Outlying Cases
- Checking for Variation

Insider Insights: Researching Creativity Creatively

Chapter 11. The Use of Computer Programs in Qualitative Data Analysis

Summary of Key Points

Insider Insights: Grounded Theory and QDA Software: Some Words

Part 2. Research Demonstration Project

Chapter 12. Open Coding: Identifying Concepts

Analysis: The First Interview
- List of Concepts or Codes

Chapter 13. Developing Concepts in Terms of Their Properties and Dimensions

About the Interviews Used in This Chapter
- Ethical Considerations

Analysis of Interviews

Chapter 14. Analyzing Data for Context

Context of War
- Linking “Context of War” With “Survival”

Chapter 15. Bringing Process Into the Analysis

Action and Interactional Survival Strategies
Chapter 16. Integrating Categories 295
Reviewing Memos and Diagrams 296
Read Memos, and Examine the Diagrams 296
Sit and Think About the Main Ideas Expressed in Memos 297
Sort Through and Compile Memos Dealing With Similar Topics 297
Try Arranging Memos by Category
   Headings Into Different Theoretical Schemes 297
Choose the Arrangement That Best Fits With the Data 298
Compiling the Descriptive Summary Memo 298
   Verbalizing the Research Findings in a Few Sentences 299
   Writing a Summary Memo 299
Making Use of the Integrative Diagram and Summary
   Diagramming 300
   Refining the Theory
      Checking for Gaps in Logic 306
      Filling In 307
      Limiting Factors to the Study 307
Validating the Scheme 308

Part 3. Finishing the Research Project 311
Chapter 17. Writing Theses, Monographs, and
   Dissertations, and Giving Talks About Your Research 312
Keeping These Thoughts in Mind 313
   The Issue of Confidence 313
   Letting Go 314
   Audiences 314
Preparing Presentations 316
   Define Your Audience 316
   Choose One or Two Catchy Categories 317
   Prepare a Topic Statement and Outline 317
   Write Out the Presentation 319
   Prepare a PowerPoint Presentation 319
   Practice, Practice, Practice 319
   Make It Interesting and Fun 320
Writing Dissertations 320
   Read Other Dissertations 321
   Ask Committee Members for Their Expectations and Suggestions 321
   Write the Methodology Chapter 322
   Gather and Review Memos 323
   Make an Outline 324
   Do a Rough Draft and Obtain Feedback 327
   Revise as Needed 327
Writing Monographs 328
   Creating a Clear Theory 328
   Visualizing the Structure 329
Deciding What to Write 329
Producing a Detailed Outline 330
Converting Dissertations to Monographs 333
Working as a Team on Publications 335
Writing Papers for Publication 335
Audience 335
Conditions for Writing 336
Journal Selection 336
Tailoring the Writing 337
Pitfalls to Avoid 338

Chapter 18. Criteria for Evaluation 341
Review the Literature 342
Validity and Reliability 342
Credibility and Truthfulness 343
Rigor 343
The Scientific and Creative 343
Credibility and Applicability 345
Conclusions 346
Define Quality in Qualitative Research 346
Properties of Quality 346
Conditions That Foster Quality Research 347
Offer Criteria for Evaluating the Quality of Grounded Theory Studies 350
Demonstrate the Use of These Criteria to a Grounded Theory Study 353
Checkpoints Related to Methodological Consistency 353
Checkpoints Related to Quality and Applicability 356
Making Grounded Theory Applicable “In...” 358
What Theory? 359
Theory as Applied to Teaching and Consulting 360
Theory as Applied to Policy 361
Theory as Applied to Practice 362
The Chronic Illness Trajectory Framework 362

Chapter 19. Student Questions and Answers 369
Questions and Responses 369

Appendix A 385
Appendix B 388
Appendix C 402
Appendix D 408
References 413
Index 420
About the Authors 431
