1 Aid for Trade: Effectiveness, Current Issues and Future Directions – An Overview
   Mohammad A. Razzaque and Dirk Willem te Velde 1
   1.1 Background 1
   1.2 Chapters in the volume 4
      1.2.1 Part I: Effectiveness 4
      1.2.2 Part II: Current issues 7
      1.2.3 Part III: Future directions 11
   1.3 Concluding remarks 12

PART I. EFFECTIVENESS OF AID FOR TRADE 14

2 Impact of Aid for Trade: A Survey of Empirical Evidence
   Isabella Massa 14
   2.1 Introduction 14
   2.2 Aid for Trade variables: definition and measurement issues 14
   2.3 Country coverage 17
   2.4 Sector coverage 18
   2.5 Estimation approaches 18
      2.5.1 Gravity models 18
      2.5.2 Control groups 20
      2.5.3 Miscellaneous 20
   2.6 Empirical findings on Aid for Trade effectiveness 22
      2.6.1 Type of Aid for Trade flow 22
      2.6.2 Recipient country’s income level 23
      2.6.3 Recipient sector of aid 24
      2.6.4 Geographical regions of recipient countries 24
   2.7 Conclusions 26

3 Towards a Quantitative Assessment of Aid for Trade
   Massimiliano Cafi and Dirk Willem te Velde 33
   3.1 Background and motivation 33
   3.2 The effectiveness of Aid for Trade 34
      3.2.1 Expected pathways 34
6 Aid for Trade in Practice: Addressing Political Economy Barriers to Improve Development Outcomes
Yurendra Basnett and Jakob Engel

6.1 Introduction: Aid for Trade within a changing global economy

6.2 The Aid for Trade project cycle as a series of complex collective action problems: an analytical framework

6.3 Needs identification
6.3.1 Identifying binding constraints
6.3.2 Mainstreaming Aid for Trade priorities

6.4 Selecting the most effective structure for AfT delivery
6.4.1 Loans, grants and pooled funds
6.4.2 Regional Aid for Trade

6.5 Design and implementation of AfT
6.5.1 Matching supply and demand
6.5.2 Donor–recipient co-ordination
6.5.3 Intradonor co-ordination
6.5.4 Interdonor co-ordination
6.5.5 Interministerial co-ordination
6.5.6 Government–REC co-ordination

6.6 Monitoring and evaluation
6.6.1 Responding to pressure to show results
6.6.2 Attributing impact within a coherent results chain
6.6.3 Quantifying results
6.6.4 Robustness of M&E procedures

6.7 Conclusion

7 Assessing the Effectiveness of Aid for Trade: Lessons from the Ground
Vinaye Ancharaz, Paolo Ghisu and Christophe Bellmann

7.1 Introduction

7.2 Evaluating Aid for Trade: why, how and what?
7.2.1 Why evaluate AfT?
7.2.2 Evaluation methods and difficulties
7.2.3 Evidence
7.2.4 The ICTSD–SAWTEE methodology

7.3 Aid for Trade global trends
7.3.1 Aid for Trade: is it additional?
7.3.2 AfT to LDCs
7.3.3 Other trends

7.4 Insights from country experiences in managing AfT
7.4.1 Utilisation of AfT funds
7.4.2 Ownership at country level: mainstreaming of trade and multi-stakeholder co-ordination
7.4.3 Donors’ responses to countries’ trade and development needs
7.4.4 From implementation to impact

7.5 Conclusion and the way forward
PART II. SELECTED CURRENT ISSUES IN AID FOR TRADE

8 Regional Aid for Trade Effectiveness and Corridors

Bruce Byiers and Dan Lui

8.1 Introduction
8.2 Regional Aid for Trade in sub-Saharan Africa: an overview
8.2.1 Regional Aid for Trade flows
8.2.2 Evaluation to date of regional Aid for Trade and its effectiveness
8.3 Improving the effectiveness of regional Aid for Trade: challenges and opportunities
8.3.1 The policy context for regional AfT effectiveness: principles and policy responses
8.3.2 Key challenges to improving regional Aid for Trade
8.3.3 Implementation issues around regional AfT
8.4 The corridor approach and regional AfT effectiveness
8.4.1 Corridors overview
8.4.2 Corridors in policy
8.4.3 Corridors in practice
8.5 Conclusions
8.5.1 AfT flows
8.5.2 Institutions
8.5.3 Corridors as a tool for more effective AfT?

9 Regional Aid for Trade and Aid Effectiveness: Examples from East and West Africa

Liz Turner and Anna Fink

9.1 Introduction
9.2 Regional Aid for Trade and aid effectiveness in Africa
9.2.1 The AfT initiative
9.2.2 AfT and aid effectiveness
9.2.3 Regional AfT
9.2.4 The growing importance of regional AfT
9.2.5 Development partner engagement in regional AfT and aid effectiveness
9.3 Regional organisations and implementation of regional programmes
9.3.1 East African Community
9.3.2 Economic Community of West African States
9.3.3 Lessons learnt for aid effectiveness
9.4 Development partner support for regional Aid for Trade
9.4.1 Regional AfT and aid effectiveness in East Africa
9.4.2 Regional AfT and aid effectiveness in West Africa
9.5 Key findings and conclusions
9.5.1 Key findings
9.5.2 Conclusions
9.5.3 Areas for further investigation

10 Aid for Trade and Value Chains in Small and Vulnerable Economies and Least Developed Countries

Collin Zhuawu

10.1 Introduction
10.1.1 Value chains and supply chains: analytical perspectives
**10.2 Empirical evidence on the participation of SVEs and LDCs in GVCs** 239
10.3 Aid for Trade and the integration of LDCs and SVEs in global trade 246
10.4 Aid for Trade and value chains in small states and LDCs 249
10.5 Lessons learnt and recommendations 250

**11 Aid for Trade and Global Value Chains (GVCs): Engaging with High-value Agriculture GVCs and Developing Trade** 255

*Jodie Keane*

11.1 Introduction 255
11.2 Trends in global trade, global value chains and the role of Aid for Trade 256
11.2.1 GVC governance structures 257
11.2.2 The role of Aid for Trade 259
11.3 The use of AfT to help producers to enter and participate in high-value agricultural GVCs 260
11.4 Upgrading producers to meet standards in Kenya 261
11.4.1 Initial donor interventions 261
11.4.2 Successes and continued challenges 262
11.4.3 Structure of the cut flower GVC 263
11.5 Conclusions 271

**12 Aid for Trade and Infrastructure Development for Agriculture** 275

*Marie-Agnes Jouanjean*

12.1 Introduction 275
12.2 Hard infrastructure: on the importance of roads for development and trade in agriculture 278
12.2.1 Impact of infrastructure on trade: evidence at the regional and international scales 278
12.2.2 Bring the market to the poor or the poor to the market? Impact of roads on local market development 279
12.2.3 Which types of infrastructure for which impacts: market access, agricultural productivity and poverty reduction 281
12.2.4 Evidence of the impact of roads infrastructure on changes in agricultural technology 284
12.3 Soft infrastructure: key intermediate logistical infrastructures 286
12.3.1 Competition in transport services 286
12.3.2 Extension services 287
12.3.3 Storage capacity 288
12.3.4 SPS institutions and inspection infrastructures 289
12.4 Conclusion 290

**13 Aid for Trade Adjustment: Implications for Small and Vulnerable Economies and Least Developed Countries** 296

*Sacha Silva*

13.1 Introduction 296
13.2 The marginal role of trade-related adjustment 297
13.2.1 Adjustment in overall aid flows and strategies 297
13.2.2 Main TRA donors, regions and sectors 300
13.3 The adjustment needs of SVEs and LDCs 301
   13.3.1 A typology of TRA 301
   13.3.2 A multiplying SVE/LDC trade agenda 304
   13.3.3 Adjustment as strategic priorities: on paper 306
13.4 Sources and solutions: (i) definitions 307
   13.4.1 Novelty, vague definitions and misclassifications 307
   13.4.2 Multilateral flows 310
   13.4.3 Category or marker? 311
13.5 Sources and solutions: (ii) country/sector bias 314
   13.5.1 Country bias 314
   13.5.2 Sector bias 318
   13.5.3 Addressing country and sector bias 318
13.6 Sources and solutions (iii): donor bias 321
   13.6.1 TRA and donor reluctance 321
   13.6.2 Making a stronger case for TRA 323
13.7 Conclusions: assessing trade-related adjustment costs 324

14 Aiding Exports: Lessons from Emerging Economies 331
   Clara Brandi

14.1 Introduction 331
14.2 Successful export performance in emerging economies 332
   14.2.1 Trade performance in China, India and Brazil 332
   14.2.2 Introducing the framework for analysis 332
14.3 China 336
   14.3.1 Trade-related infrastructure 336
   14.3.2 Trade facilitation 337
14.4 India 338
   14.4.1 Trade-related infrastructure 338
   14.4.2 Trade facilitation 340
14.5 Brazil 340
   14.5.1 Trade-related infrastructure 340
   14.5.2 Trade facilitation 341
14.6 Lessons: what can we learn from past experiences? 342
   14.6.1 Lessons for trade-related infrastructure 342
   14.6.2 Lessons for trade facilitation 345
14.7 Conclusion 347
   14.7.1 Ways forward on trade-related infrastructure 347
   14.7.2 Ways forward on trade facilitation 349

PART III. FUTURE DIRECTIONS 359

15 The Right to Trade: Rethinking the Aid for Trade Agenda 359
   Joseph E Stiglitz and Andrew Charlton

15.1 Summary 359
15.2 Introduction 360
