Contents

Introduction	1
1 Dynamic Effects of Mandatory Activation of Welfare Participants	11
1 Introduction	12
2 Previous literature	14
3 Institutional setting and data	16
3.1 Social assistance in Sweden	16
3.2 The city districts of Stockholm	17
3.3 Social assistance in different groups	22
4 Empirical strategy	24
5 Results	25
5.1 Effects on caseloads	26
5.2 Baseline estimation	27
5.3 Placebo estimations	28
5.4 Time-changing treatment effects	28
5.5 Heterogeneous effects	29
6 Conclusions	31
References	33
2 The Effect of Welfare-to-Work Programs on Crime	37
1 Introduction	38
2 Related literature	40
3 Background	42
3.1 Crime and criminal justice in Sweden	42
3.2 The social assistance system	43
3.3 Activation programs in Stockholm municipality and Stockholm county	44
4 Description of the data	46
4.1 Data registers	46
4.2 Data on program implementation	47
4.3 Summary statistics	47
5 Identification	50
6 Results	52
6.1 Baseline results	53
6.2 Robustness checks	56

7	Conclusions	59
	References	60
3	Earnings, Income, and Poverty Among Welfare Leavers in Sweden	65
1	Introduction	66
2	Institutional setting	69
3	Data	71
3.1	Data registers and variable definitions	71
3.2	Descriptive statistics	76
4	Estimation methods	78
5	Results	80
5.1	Characterizing leavers and post welfare outcomes	80
5.2	Labor market outcomes	83
5.3	Post-welfare financial situation	86
5.4	Disconnected leavers - leavers with unknown outcomes	97
6	Conclusions	98
	References	101
4	The Effect of Military Base Closures on Individual Labor Market Outcomes	105
1	Introduction	106
2	Previous literature	107
2.1	Literature on displaced workers	107
2.2	Literature on military base closure	109
3	Background	111
4	Sample	113
5	Summary statistics and pre-treatment trends	117
6	Econometric specification	120
7	Baseline results	121
7.1	Results for all personnel employed by the military	122
7.2	Military and civil servants	123
8	Sub-group analyses	125
8.1	Effects on personnel leaving the military	126
8.2	Effects on personnel employed at military bases that faced total closures	127
8.3	Imposing a three year tenure restriction in 1998	130
9	Conclusions	131
	References	132
