### 1. Why Groups?
- Groups Have a Long History of Success                                 | 1    |
- We Need Groups Every Day                                               | 1    |
- Groups Increase Our Knowledge Base                                     | 2    |
- When Teams Are Good, They’re Very, Very Good                           | 2    |
- Creating Effective Teams                                               | 3    |
- How to Use This Book                                                   | 5    |

### 2. Effective Organizational Support for Teams
- Plant Groups in a Favorable Organizational Climate                     | 7    |
- Give Groups What They Need to Do Their Best                             | 7    |
- Pick Members Based on Their Ability to Do the Task and Their Ability to Contribute to Group Success | 11   |
- Educate People for Group Participation Competence                       | 13   |
- Avoid Unsubstantiated Team Development and Consultation Strategies      | 14   |
- Avoid Helping Groups Too Much                                           | 15   |
- Make Sure That Each Group Has Enough Autonomy to Do Its Work but Remains Connected With the Rest of the Organization | 16   |
- Conduct Organizational Support Reviews Regularly                        | 17   |

### The Organizational Support Checklist                                  | 18   |

### 3. From Groups to Teams: The Stages of Group Development
- Stage 1: Dependency and Inclusion                                      | 25   |
- Stage 2: Counterdependency and Fighting                                 | 26   |
Stage 3: Trust and Structure 27
Stage 4: Work 28
Surviving Group Development 30
