Introduction 1
Helle Neergaard and Claire M. Leitch

PART I CONSTANT COMPARATIVE TECHNIQUE

An introduction to the constant comparative technique 15
Alistair R. Anderson and Sarah L. Jack

1 Using the constant comparative technique to consider network change and evolution 21
Sarah L. Jack, Alistair R. Anderson, Sarah Drakopoulou Dodd and Susan Moult

2 Using constant comparison as a method of analysis in entrepreneurship research 52
Susan M. Smith and Edward McKeever

3 Grounded theory analysis in entrepreneurship research 74
Anne Bollingtoft

The future for the constant comparative technique 95
Alistair R. Anderson and Sarah L. Jack

PART II METAPHOR METHODOLOGIES

Metaphor methodologies: exploring entrepreneurship research, pedagogy and researchers 101
Sarah Drakopoulou Dodd and Alice de Koning

4 Enacting, experimenting and exploring metaphor methodologies in entrepreneurship 109
Sarah Drakopoulou Dodd and Alice de Koning
Handbook of qualitative research techniques in entrepreneurship

5 Contextualizing images of enterprise: an examination of 'visual metaphors' used to represent entrepreneurship in textbooks
Robert Smith

6 Metaphors in communication of scholarly work
Cecilia Bjursell

Metaphor methodologies in entrepreneurship research
Sarah Drakopoulou Dodd and Alice de Koning

PART III CRITICAL INCIDENT TECHNIQUE

The critical incident technique: an overview
Claire M. Leitch

7 Researching the entrepreneurial process using the critical incident technique
Elizabeth Chell

8 The efficacy of the qualitative variant of the critical incident technique (CIT) in entrepreneurship research
Claire M. Leitch and Frances M. Hill

9 A critical incident technique approach to entrepreneurship research using phenomenological explicative data collection
Richard T. Harrison

Critical incident technique: some conclusions
Claire M. Leitch

PART IV FOCUS GROUPS

Provenance and use of focus groups
John Watson and Rick Newby

10 Conducting a traditional focus group
John Watson, Rick Newby, Helle Neergaard and Robert Smith

11 Conducting a focus group using group support system (GSS) software
Geoff Soutar, Rick Newby and John Watson
12 Conducting an on-line focus group
Rick Newby and John Watson 339
Focus groups: what have we learned?
John Watson and Rick Newby 354

PART V REPERTORY GRID TECHNIQUE

Repertory grids in entrepreneurship: practical examples from research
Rita G. Klapper 359

13 Using repertory grid technique to explore the relationship between business founders and support agents
Anja Hagedorn 367

14 Using repertory grid to assess intangibles: uncertainty reduction for lean start-ups in entrepreneurship
Enrique Díaz de León and Paul Guild 393

15 Repertory grid technique: an ideographic and nomothetic approach to knowledge
Carmen Dima 423

Concluding thoughts on repertory grids
Rita G. Klapper 441

Index 443
