| LIST OF FIGURES  | xi        |
| LIST OF TABLES   | xiii      |
| LIST OF ABBREVIATIONS  | xv        |
| <b>Introduction: The Scope and Coverage of Trade and Development</b>         | <b>1</b>  |
| <b>1. International Trade and Development Paradigms</b>                      | <b>6</b>  |
| 1.1 Mercantilist Theory of Trade and Development                             | 6         |
| 1.2 Classical Political Economists on Trade and Growth                       | 7         |
| 1.3 The Post-World War II Debate: Free Trade vs. Trade Protection            | 10        |
| 1.4 Export Pessimism and Legacy of Inward-Looking Development Strategy       | 11        |
| 1.5 Development Crises and Globalization as a Universal Development Strategy | 14        |
| 1.5.1 The Beginning of the Crisis  | 15        |
| 1.5.2 Combating the Crisis in Europe   | 16        |
| 1.5.3 What is in Store for Developing Countries?                             | 19        |
| 1.6 International Trade, Pollution, and Sustainable Development              | 20        |
| <b>2. Problems of Trade in Primary Commodities</b>                           | <b>25</b> |
| 2.1 Prebisch-Singer Hypothesis of Unequal Distribution of Gains              | 26        |
| 2.2 Critique of Secular Deterioration of TOT                                 | 27        |
| 2.3 Unequal Exchanges  | 29        |
| Appendix: Proof  | 35        |
| <b>3. Terms of Trade and Growth</b>  | <b>38</b> |
| 3.1 Trade, Factor Mobility, and Immiserizing Growth                          | 41        |
| 3.2 Structuralist Theories: Foreign Exchange, Savings, and Growth            | 48        |
| 3.3 North-South Trade, TOT, and Growth                                       | 52        |
| 3.3.1 Lewis-Nurkse Growth Process and Economic Dependence                    | 52        |
| 3.3.2 Long Run TOT and Growth  | 56        |
| 3.4 Country Experiences  | 62        |
| Appendix: Fundamental Theorems and Proofs                                    | 64        |

|   |     |
|---|-----|
| <b>4. Foreign Direct Investment and Multinational Firms</b>               | 72  |
| 4.1 Introduction  | 72  |
| 4.2 Targeting Sectors for Foreign Capital Inflow and Welfare Implications | 74  |
| 4.2.1 FDI in Retail   | 77  |
| 4.3 Foreign Capital and Skill Formation                                   | 80  |
| 4.3.1 The Model   | 82  |
| 4.3.2 Changes in Policy   | 85  |
| 4.4 Concluding Remarks  | 87  |
| Appendix 1: Proof of Tariff Reduction and Skill Formation                 | 89  |
| Appendix 2: Proof of Interest Rate Rise and Skill Formation               | 90  |
| Appendix 3: Proof of Export Price Rise and Skill Formation                | 91  |
| Appendix 4: Proof of Currency Devaluation and Skill Formation             | 91  |
| <br>  |     |
| <b>5. International Labour Mobility and Welfare</b>                       | 96  |
| 5.1 Introduction  | 96  |
| 5.2 Overview  | 97  |
| 5.2.1 Host Country Problem  | 100 |
| 5.3 Various Effects of Migration: Source and Destination Interactions     | 108 |
| 5.3.1 Immigration and Skill Formation                                     | 110 |
| 5.4 A Model and the Results   | 112 |
| 5.4.1 Effects of Trade Liberalization                                     | 114 |
| 5.4.2 A Terms-of-Trade Improvement or an Interest Cut on Foreign Capital  | 116 |
| 5.5 Conclusion  | 117 |
| Appendix: Algebraic Proofs and Graphical Analyses                         | 119 |
| <br>  |     |
| <b>6. Information, Labour Migration, and Occupation</b>                   | 127 |
| 6.1 Introduction  | 127 |
| 6.2 Asymmetric Information and the Decision to Migrate                    | 131 |
| 6.3 Asymmetric Information in the Labour Market                           | 134 |
| 6.3.1 An Example  | 140 |
| 6.4 Concluding Remarks  | 141 |
| <br>  |     |
| <b>7 Trade, Foreign Aid, and Welfare</b>                                  | 146 |
| 7.1 Introduction  | 146 |
| 7.2 The Analytical Dimensions of Foreign Aid                              | 151 |
| 7.2.1 Types of Foreign Aid  | 152 |
| 7.2.2 Macroeconomic and Generalized Implications of Foreign Aid           | 154 |
| 7.3 Foreign Aid, Governance, and Policy                                   | 163 |
| 7.4 Concluding Remarks  | 165 |

|   |     |
|---|-----|
| <b>8. Trade, Poverty, and Readjustments</b>   | 170 |
| 8.1 Introduction  | 170 |
| 8.1.1 How Does Trade Affect the Poor?   | 171 |
| 8.2 Trade, Informal Sector, and Poverty   | 176 |
| 8.2.1 Modelling the Informal Sector   | 178 |
| 8.3 The Political Economy of Trade Policy   | 182 |
| 8.3.1 Trade and Readjustments   | 185 |
| 8.3.2 Wage Subsidy  | 189 |
| 8.3.3 Group-specific Welfare  | 193 |
| 8.4 Concluding Remarks  | 195 |
| Appendix 1: The Relation between Trade and Informal Wages                               | 197 |
| Appendix 2: Trade Adjustment Assistance and Welfare                                     | 199 |
| <br>  |     |
| <b>9. Regional Trading Arrangements as Development Strategy</b>                         | 207 |
| 9.1 Types of RTAs   | 208 |
| 9.2 Causes and Consequences of RTAs   | 209 |
| 9.2.1 Static Welfare Gains and Old Regionalism  | 209 |
| 9.2.2 Causes of Contemporary Regionalism  | 218 |
| 9.2.3 Dynamic Gains and Formation of Regional Trade Blocs                               | 219 |
| 9.3 Regionalism and Multilateralism   | 225 |
| <br>  |     |
| <b>10. TRIPS, Product Standards, and the Developing Economies</b>                       | 230 |
| 10.1 TRIPS  | 231 |
| 10.1.1 Parallel Imports, Innovation, and Welfare  | 233 |
| 10.1.2 TRIPS, Parallel Imports, and Market Access to New Drugs                          | 240 |
| 10.1.3 TRIPS, Innovation, and Growth  | 241 |
| 10.2 Environmental Standards  | 249 |
| 10.2.1 Unfair Trade and Ecological Dumping  | 250 |
| 10.2.2 Trade, Growth, and Pollution   | 253 |
| 10.2.3 Environmental Regulation as a Non-Tariff Barrier                                 | 256 |
| 10.2.4 Capital Flight and Pollution Haven   | 258 |
| 10.3 Labour Standards, Trade Sanctions, and Child Labour                                | 259 |
| 10.3.1 Trade sanctions, boycotts, and perverse effects on the incidence of child labour | 261 |
| 10.3.2 Product Labelling and Child-Labour Content Tariff                                | 261 |
| <br>  |     |
| <b>11. International Outsourcing, Offshoring, and Industrialization Strategies</b>      | 271 |
| 11.1 Concepts, Measurement, and Magnitude of Outsourcing and Offshoring                 | 272 |
| 11.2 Costs and Benefits of Offshoring and International Outsourcing                     | 275 |

**x CONTENTS**

|   |            |
|---|------------|
| 11.3 Export Processing Zones (EPZs) as a Development Strategy | 279        |
| 11.4 EPZs and Welfare in Developing Countries                 | 283        |
| <b>12. Contagion of Crisis and Concluding Remarks</b>         | <b>288</b> |
| 12.1 Introduction   | 288        |
| 12.2 Analytical Categories of Currency Crisis                 | 291        |
| 12.2.1 Trade Links of Contagion                               | 295        |
| 12.2.2 The East Asian Crisis                                  | 296        |
| 12.3 Concluding Remarks                                       | 303        |
| NAME INDEX  | 309        |
